ourselves naming an experience we share across the generations So many of the stories that I write Alice Walker discovered are my mother s stories To speak in our own voices we had first to give expression to a promise song that has been there all along

Playing with God William J Baker,2009-06-30 The spectacle of modern sport displays all the latest commercial and technological innovations yet age old religious concerns still thrive at the stadium Coaches lead pre game and post game prayers athletes give God the credit for home runs and touchdowns and fans wave signs with biblical quotations and allusions Like no other nation on earth Americans eagerly blend their religion and sports Playing with God traces this dynamic relationship from the Puritan condemnation of games as sinful in the seventeenth century to the near deification of athletic contests in our own day Early religious opposition to competitive sport focused on the immoderate enthusiasm of players and spectators the betting on scores and the preference for playing field over church on Sunday Disapproval gradually gave way to acceptance when wholesome recreation for young men in crowded cities and soldiers in faraway fields became a national priority Protestants led in the readjustment of attitudes toward sport Catholics Jews Mormons and Muslims followed The Irish at Notre Dame outstanding Jews in baseball Black Muslims in the boxing ring and born again athletes at Liberty University represent the numerous negotiations and compromises producing the unique American mixture of religion and sport

Cradle of Freedom Frye Gaillard,2006-03-05 Cradle of Freedom puts a human face on the story of the black American struggle for equality in Alabama during the 1960s While exceptional leaders such as Martin Luther King Jr Rosa Parks Fred Shuttlesworth Ralph Abernathy John Lewis and others rose up from the ranks and carved their places in history the burden of the movement was not carried by them alone It was fueled by the commitment and hard work of thousands of everyday people who decided that the time had come to take a stand Cradle of Freedom is tied to the chronology of pivotal events occurring in Alabama the Montgomery bus boycott the Freedom Rides the Letter from the Birmingham Jail the bombing of the 16th Street Baptist Church Bloody Sunday and the Black Power movement in the Black Belt Gaillard artfully interweaves fresh stories of ordinary people with the familiar ones of the civil rights icons We learn about the ministers and lawyers both black and white who aided the movement in distinct ways at key points We meet Vernon Johns King s predecessor at the Dexter Avenue Baptist Church in Montgomery who first suggested boycotting the buses and who wrote later It is a heart strangely un-Christian that cannot thrill with joy when the least of men begin to pull in the direction of the stars We hear from John Hulett who tells how terror of lynching forced him down into ditches whenever headlights appeared on a night road We see the Edmund Pettus Bridge beatings from the perspective of marcher JoAnne Bland who was only a child at the time We learn of E D Nixon a Pullman porter who helped organize the bus boycott and who later choked with emotion when for the first time in his life a white man extended his hand in greeting to him on a public street How these ordinary people rose to the challenges of an unfair system with a will and determination that changed their times forever is a fascinating and extraordinary story
