modern period **Children's Books and Their Creators** Anita Silvey, 1995 Unique in its coverage of contemporary
American children's literature this timely single volume reference covers the books our children are or should be reading
now from board books to young adult novels Enriched with dozens of color illustrations and the voices of authors and
illustrators themselves it is a cornucopia of delight 23 color 153 b w illustrations *All This and Heaven Too* Rachel
Field, 2022-11-22 In *All This and Heaven Too* Rachel Field artfully reconstructs the poignant tale of her great aunt Henriette
Deluzy Desportes set against the backdrop of 19th century France The novel chronicles Henriette's ill-fated love affair with
the Duc de Praslin her employer and her role in the scandal following the brutal murder of the Duc's wife Field's narrative
steeped in historical detail not only captures the personal tragedy but also the wider societal implications that played a part
in the escalating unrest leading to the French Revolution of 1848 Her prose both lyrical and evocative offers an intimate
glance into an epoch where passion and politics converge with dramatic consequence The literary style of the novel reflects
Field's adept use of historical fact woven with fiction resulting in a work that is as much a poignant love story as it is a vivid
tableau of a society on the brink of monumental change As a storied author and playwright of her time Rachel Field was
driven to explore the depths of her own family history through her writing The personal connection to Henriette coupled with
Field's fascination with historical nuance breathes authenticity into her narrative The familial bond felt keenly through Field's
reflective excerpt underscores a connection that transcends time allowing the author to resurrect Henriette's story with
empathy and complexity Field's ability to empathize with Henriette's plight may have been informed by her own experiences
and observations in an era where the role and rights of women were rapidly evolving *All This and Heaven Too* is
recommended for readers who appreciate historical fiction that interlaces factual events with rich storytelling Field's work is
an invitation to ponder over the delicate threads of circumstance love and injustice that define human experiences Scholars
and aficionados of literature set in the tumultuous times preceding significant socio-political shifts will find the text an
enriching fusion of individual narrative and collective history Field's nuanced portrayal of Henriette offers a window into the
soul of an era making this novel a compelling read for anyone who seeks understanding in the echoes of the past *Love of

McKee,2014-04-03 This book explores the relationship among gender desire and narrative in 1940s woman s films which negotiate the terrain between public history and private experience The woman s film and other form of cinematic melodrama have often been understood as positioning themselves outside history and this book challenges and modifies that understanding contextualizing the films it considers against the backdrop of World War II In addition in paying tribute to and departing from earlier feminist formulations about gendered spectatorship in cinema McKee argues that such models emphasized a masculine centered gaze at the inadvertent expense of understanding other possible modes of identification and gender expression in classical narrative cinema She proposes ways of understanding gender and narrative based in part on literary narrative theory and ultimately works toward a notion of an androgynous spectatorship and mode of interpretation in the 1940s woman s film *Newbery Award Winning Authors* , *The Horn Book Magazine* ,1926 **When Toys Come Alive** Lois R.
