Gallagher,Cameron D. Lippard,2014-06-24 How is race defined and perceived in America today and how do these definitions and perceptions compare to attitudes 100 years ago or 200 years ago This four volume set is the definitive source for every topic related to race in the United States In the 21st century it is easy for some students and readers to believe that racism is a thing of the past in reality old wounds have yet to heal and new forms of racism are taking shape Racism has played a role in American society since the founding of the nation in spite of the words all men are created equal within the Declaration of Independence This set is the largest and most complete of its kind covering every facet of race relations in the United States while providing information in a user friendly format that allows easy cross referencing of related topics for efficient research and learning The work serves as an accessible tool for high school researchers provides important material for undergraduate students enrolled in a variety of humanities and social sciences courses and is an outstanding ready reference for race scholars The entries provide readers with comprehensive content supplemented by historical backgrounds relevant examples from primary documents and first hand accounts Information is presented to interest and appeal to readers but also to support critical inquiry and understanding A fourth volume of related primary documents supplies additional reading and resources for research **Race, Neighborhoods, and Community Power** Neil Kraus,2000-11-09 Examines the extent

to which race affected public policy formation in Buffalo New York between 1934 and 1997 **Racism** Albert J. Wheeler,2005 Of all mankind's vices racism is one of the most pervasive and stubborn Success in overcoming racism has been achieved from time to time but victories have been limited thus far because mankind has focused on personal economic gain or power grabs ignoring generosity of the soul This bibliography brings together the literature **Ghosts of Atlanta** Rhana Gittens Wheeler,2024-09-25 The Black community of Atlanta a city once heralded as the Black Mecca of the South is currently under threat of dislocation by cultural gentrification Amid the city's urban renaissance residents face rising property values taxes and rents as well as the more insidious loss of a collective identity and belonging In *Ghosts of Atlanta* Cultural Gentrification of the Black Mecca author Rhana Gittens Wheeler examines the fading echoes of African American memory and historical narratives in Atlanta As encroaching investors and business owners enter historically Black areas many have sought to rebrand entire neighborhoods making those spaces more palatable to would be gentrifiers and less recognizable to former residents Exploring material sites of meaning including monuments museums art exhibitions and more Gittens Wheeler unearths tensions between the city's proud legacy as a hub of political and economic equality for Black

Americans and the unsettling reality of cultural displacement Gittens Wheeler interrogates and critiques recent developments in the city including the Atlanta BeltLine craft breweries and attractions that romanticize the civil rights movement Drawing inspiration from literary giants like Ralph Ellison and Toni Morrison as well as contemporary voices like 2 Chainz and T I Gittens Wheeler weaves together elements of rhetorical criticism archival studies and interviews to confront pressing questions What happens when symbols of cultural memory and identity are uprooted How do residents grapple with the erasure of their narratives forced to feel unwelcome in their own neighborhoods In addressing these questions Gittens Wheeler uncovers the complex dynamics of shared spaces exposing both the pain of displacement and the possibility of redemption A reverberating call to action Ghosts of Atlanta Cultural Gentrification of the Black Mecca demonstrates that Black stories inscribed in space are necessary for bringing a moral reckoning to the heart of America s national identity

Race, Work, and Family in the Lives of African Americans Marlese Durr, Shirley A. Hill, 2006-05-25 Family and work are major integrally related dimensions of social life which affect the well being and success of family members As social institutions family and work are also avenues where social inequality may be understood as a major element in the distribution of social cultural and economic resources and sites where inequality is perpetuated negotiated and contested In this book editors Durr and Hill focus on African Americans navigating the terrain of race work and family and examining persistent barriers to equality and ways in which Blacks have sought to become an integral part of the American economy

Confederate Symbols in the Contemporary South J. Michael Martinez, William D. Richardson, Ronald L. McNinch-Su, 2017-10-15 A timely collection of essays examining the controversy surrounding the use display of Confederate symbols in the modern South **Southerners, Too?** Alton Hornsby, 2004 Southerners Too challenges the view that southern heritage refers to white southerners only by revealing that historically and culturally African Americans have been integral to southern life and history In much of the public and scholarly debates on the display of the Confederate flag southern heritage has been seen in the context of the white south Although there are some published works on the black southerner in the debate and in some of the literature African Americans are either invisible or appear in an ambivalent manner The intent of this work is to encourage a new focus on the Black South **Blackballed** Lawrence Ross, 2025-06-25

College is a word that means many things to many people a space for knowledge a place to gain lifelong friends and an opportunity to transcend one s socioeconomic station Today though this word also recalls a slew of headlines that have revealed a dark and persistent world of racial politics on campus Does this association disturb our idealized visions of what happens behind the ivied walls of higher learning It should because campus racism on college campuses is as American as college football on Fall Saturdays From Lawrence Ross author of The Divine Nine and the leading expert on sororities and fraternities Blackballed is an explosive and controversial book that rips the veil off America s hidden secret America s colleges have fostered a racist environment that makes them a hostile space for African American students Blackballed

exposes the white fraternity and sorority system with traditions of racist parties songs and assaults on black students and the universities themselves who name campus buildings after racist men and women It also takes a deep dive into anti affirmative action policies and how they effectively segregate predominately white universities providing ample room for white privilege A bold mix of history and the current climate Blackballed is a call to action for universities to make radical changes to their policies and standards to foster a better legacy for all students

In Struggle Clayborne

Carson,1995-04-03 With its radical ideology and effective tactics the Student Nonviolent Coordinating Committee SNCC was the cutting edge of the civil rights movement during the 1960s This sympathetic yet evenhanded book records for the first time the complete story of SNCC s evolution of its successes and its difficulties in the ongoing struggle to end white oppression At its birth SNCC was composed of black college students who shared an ideology of moral radicalism This ideology with its emphasis on nonviolence challenged Southern segregation SNCC students were the earliest civil rights fighters of the Second Reconstruction They conducted sit ins at lunch counters spearheaded the freedom rides and organized voter registration which shook white complacency and awakened black political consciousness In the process Clayborne Carson shows SNCC changed from a group that endorsed white middle class values to one that questioned the basic assumptions of liberal ideology and raised the fist for black power Indeed SNCC s radical and penetrating analysis of the American power structure reached beyond the black community to help spark wider social protests of the 1960s such as the anti Vietnam War movement Carson s history of SNCC goes behind the scene to determine why the group s ideological evolution was accompanied by bitter power struggles within the organization Using interviews transcripts of meetings unpublished position papers and recently released FBI documents he reveals how a radical group is subject to enormous often divisive pressures as it fights the difficult battle for social change

Race, Racial Attitudes and Stratification

Beliefs Matthew O. Hunt,George Wilson,2011-06-09 This book presents readers with a collection of cutting edge studies by leading scholars of inequality and race looking specifically at racial attitudes and stratification beliefs research

Restructured Resistance Jeff Roche,2010-09-01 In the spring of 1960 unprecedented public hearings were held on segregation and the future of public education These hearings held by John Sibley and the Georgia General Assembly Committee on Schools offered a rare glimpse into the reactions of southerners black and white to the changes wrought by the civil rights movement Restructured Resistance uses newly opened private papers public records newspaper reports and oral history interviews to examine how the desegregation of public schools in Georgia reflected the evolution of southern society economics and politics In the midst of crisis over segregation as a symbol of southern distinctiveness the state legislature accepted the inevitable adopted the Sibley Commission s proposals and created a deliberate and more utilitarian form of defiance a restructured resistance rooted in contemporary practicality and corporate pragmatism

Albatross Philip D. Dillard,Randal L. Hall,1999 Throughout their essays these emerging scholars contribute significantly to

legal military cultural and women s history while demonstrating that race and ethnicity are woven into all aspects of the South s past BOOK JACKET *Anti-Asian Racism and Public Health* Aggie J. Yellow Horse, Anne Saw, Lan N. Đoàn, Gilbert C. Gee, 2024-02-20 Racist and xenophobic hate against Asian Americans in the midst of the COVID pandemic has been a significant threat to Asian Americans health stemming from a deeply rooted Yellow Peril ideology which racializes Asians as a threat to United States and Western culture including re imagining Asians as a diseased public health threat Studies have documented that Asian Americans who have experienced anti Asian racism during the pandemic report that they are more concerned about the racism than the pandemic itself and nearly one in five Asian Americans who experienced racism display racial trauma the psychological and emotional harm caused by racism Research in Education ,1974 This Georgia Rising Patrick Novotny, 2007 This Georgia Rising is a study of Georgia s political changes in the decade of the Second World War and in the postwar years of the 1940s Georgia s political establishment underwent challenges in the 1940s in everything from Georgians defending the state s university system from attacks by Governor Eugene Talmadge to challenges by Georgia s larger cities and towns to the state s county unit system to the early postwar stirrings of the modern civil rights movement An array of progressive forces including Georgia s veterans of the Second World War college and university students newspaper editors and reporters in the state s larger circulating newspapers and smaller town newspapers fought for change in some of the state s political institutions culminating in the 1942 election of Governor Ellis Arnall and in 1945 the changes to the state constitution This Georgia Rising is a detailed study of the gubernatorial races of the 1940s as they are interwoven with the larger political and social changes of wartime and then postwar Georgia This book draws not only from Georgia s larger circulation newspapers but also focuses on its smaller circulation newspapers and especially its African American newspapers including The Atlanta Daily World and The Savannah Tribune This Georgia Rising offers a detailed and rich narrative of a decade of far reaching change in twentieth century Georgia Publisher description
