Racial Conflict in Global Society John Stone, Polly Rizova, 2014-09-08 Despite global shifts in world power racial conflict remains one of the major problems of contemporary social life This concise and engaging book demonstrates the interplay between identity power and conflict in the creation persistence and transformation of patterns of race and ethnic relations across the globe Stone and Rizova employ a neo Weberian comparative approach to explore how evolving systems of group conflict have been and continue to be impacted by changes in the world system global capitalism multinational corporations and transnational alliances and institutions The authors analyse critical debates about post racialism exceptionalism ethnic warfare and diversity management in global organizations drawing on cases from South Africa to Darfur and from global migration to the Arab Spring uprisings In conclusion the search for effective strategies of conflict resolution and the quest for racial justice are evaluated from multiple perspectives *Racial Conflict in Global Society* provides stimulating insights into the basic factors underlying racial conflict and consensus in the early decades of the twenty first century It is essential reading for scholars and students across the social and political sciences management and international relations

Politics and Ethnicity J. Rudolph, 2006-08-05 This book offers a brief broad comparative study of ethnic politics that places ethnic conflict within the context of particular political systems To develop these themes they are explored by comparing and contrasting the experiences of France Czechoslovakia and its subsequent division and Nigeria

Contemporary Society Through the Lens of Applied Ethics Buddy Thornton, 2022-01-20 *Contemporary Society through the Lens of Applied Ethics* provides a framework of how to experience ethics within your personal worldview without being prescriptive A little history a bit of context and a touch of some of today s critical thinking topics hopefully lead to dialogue with friends and colleagues about a topic rarely explored in the world we live in together ethics an abstract part of every human s day to day that people tend to tiptoe around Enjoy the journey and hopefully pick up some interesting and useful perspectives along the way

State Lotteries Kasey Henricks, David G. Embrick, 2016-08-12 Fifty years ago familiar images of the lottery would have been strange as no state lottery existed then Few researchers have uncovered the obscure role lotteries play in the changing composition of American taxation Even less is known about what role race plays in this process More than simply taxing those on the social margins the emergence of state lotteries in contemporary American history represents something much more fundamental about state fiscal policy This book not only uncovers the underlying racial factors that contextualize lottery proliferation in the U S but also reveals the racial consequences that lotteries have in terms of redistributing tax liability

Minorities and the State in Africa , *Power, Resistance and Conflict in the Contemporary World* Athina Karatzogianni, Andrew Robinson, 2009-10-16 Examines the operation of network forms of organization in social resistance movements in relation to the integration of the world system the intersection of networks

and the possibility of social transformation Inter-ethnic and Religious Conflict Resolution in Nigeria Ernest E. Uwazie, Isaac Olawale Albert, G. N. Uzoigwe, 1999-01-01 Since 1982 Nigeria has experienced more than ten large scale ethnic or religious riots in its major cities These violent clashes have wreaked economic political and social havoc caused an enormous number of deaths and injuries and posed serious obstacles to Nigeria's sociopolitical development as well as retarded efforts at nation building The papers collected in this book serve as a critical part of an overall objective to develop and promote mechanisms for the understanding and resolution of ethnic and religious conflicts in Nigeria Both academic and community leaders address various aspects of these conflicts and Uwazie offers several thoughtful options for their successful resolution Inter Ethnic and Religious Conflict Resolution in Nigeria will interest students of African history and current affairs scholars of anthropology and ethnicity studies and those involved in international relations and peace studies

Ethnic Conflict In World Politics Barbara Harff, Ted Robert Gurr, 2018-04-24 This second edition of *Ethnic Conflict in World Politics* is an introduction to a new era in which civil society states and international actors attempt to channel ethnic challenges to world order and security into conventional politics From Africa's post colonial rebellions in the 1960s and 1970s to anti immigrant violence in the 1990s the authors survey the historical geographic and cultural diversity of ethno-political conflict Using an analytical model to elucidate four well chosen case studies the Kurds the Miskitos the Chinese in Malaysia and the Turks in Germany the authors give students tools for analyzing emerging conflicts based on the demands of nationalists indigenous peoples and immigrant minorities throughout the world The international community has begun to respond more quickly and constructively to these conflicts than it did to civil wars in divided Yugoslavia and genocide in Rwanda by using the emerging doctrines of proactive peacemaking and peace enforcement that are detailed in this book Concludes by identifying five principles of international doctrine for managing conflict in ethnically diverse societies The text is illustrated with maps tables and figures **Intergroup Relations** Michael A.
