common good of the sport and with this in mind I do what I can for others it all oils the cogs of the sport Some will see me as a know all yet I am a quiet little man making my mark that s all What is true is that I have made a life study of pigeons and as a teacher I like to impart knowledge and experience My aim is purely to tell it as it is to me and if this is illuminating to others then so be it *American pigeon journal* ,1924 The American Racing Pigeon News ,1993 *Long-Distance Pigeon Racing* John Clements,2013-08-01 This authoritative book is aimed particularly at those who participate in racing pigeons at distances of over five hundred miles but will be of value to all pigeon fanciers John Clements succeeds in making the reader view the humble pigeon in a different light and ensures that he or she gains a deeper appreciation of the enormous joy and satisfaction that can be gained from long distance pigeon racing Contains detailed accounts of interviews with the owners of nine top British and Continental lofts involved in long distance pigeon racing The interviews cover a wide range of important issues including the acquisition of stock the treatment of young birds and yearlings feed health and immunity Other subjects covered include loft management cleaning construction and ventilation the pairing and exercising of the birds the systems used widowhood on the nest or both race preparation and many other subjects Well illustrated with over 170 colour photographs pedigree charts and postcards This easily accessible informative and analytical book is essential reading for pigeon fanciers everywhere The objective of the book is to make the reader look at the humble pigeon in a different light and gain satisfaction from the joy of long distance racing Provides fascinating accounts of interviews with the owners of nine successful lofts John Clements is a dedicated commentator on long distance pigeon racing an enthusiastic supporter of international racing and has a regular weekly column in *British Homing World* American Pigeon Journal ,1986 **Staying with the Trouble** Donna J. Haraway,2016-08-25 In the midst of spiraling ecological devastation multispecies feminist theorist Donna J Haraway offers provocative new ways to reconfigure our relations to the earth and all its inhabitants She eschews referring to our current epoch as the Anthropocene preferring to conceptualize it as what she calls the Chthulucene as it more aptly and fully describes our epoch as one in which the human and nonhuman are inextricably linked in tentacular practices The Chthulucene Haraway explains requires sym poiesis or making with rather than auto poiesis or self making Learning to stay with the trouble of living and dying together on a damaged earth will prove more conducive to the kind of thinking that would provide the means to building more livable futures Theoretically and methodologically driven by the signifier SF string figures science fact science fiction speculative feminism speculative fabulation so far Staying with the Trouble further cements Haraway s reputation as one of the most daring and original thinkers of our time *Modern Methods with Racing Pigeons* J.
