**Motorsport and Fascism** Paul Baxa, 2022-04-28 This book is the first English language study of motorsport and Italian Fascism arguing that a synergy existed between motor racing and Fascism that did not exist with other sports Motorsport was able to bring together the two dominant and often opposed cultural roots of Fascism the Futurism of F T Marinetti and the Decadence associated with Gabriele D Annunzio The book traces this cultural convergence through a topical study of motorsport in the 1920s and 1930s placing it in the context of the history of sport under Mussolini s regime Chapters discuss the centrality of speed and death in Fascist culture the attempt to transform Rome into a motorsport capital the architectural and ideological function of the Monza and Tripoli and autodromes and two chapters on the importance of the Mille Miglia a genuine Fascist artefact that became one of the most legendary motor races of all time

*SO-CAL Speed Shop: The Fast Tale of the California Racers Who Made Hot Rod History* Mark Christensen Tony Thacker, *A Companion to Nazi Germany* Shelley Baranowski, Armin Nolzen, Claus-Christian W. Szejnmann, 2018-04-03 A Deep Exploration of the Rise Reign and Legacy of the Third Reich For its brief existence National Socialist Germany was one of the most destructive regimes in the history of humankind Since that time scholarly debate about its causes has volleyed continuously between the effects of political and military decisions pathological development or modernity gone awry Was terror the defining force of rule or was popular consent critical to sustaining the movement Were the German people sympathetic to Nazi ideology or were they radicalized by social manipulation and powerful propaganda Was the Final Solution the motivation for the Third Reich s rise to power or simply the outcome A Companion to Nazi Germany addresses these crucial questions with historical insight from the Nazi Party s emergence in the 1920s through its

postwar repercussions From the theory and context that gave rise to the movement through its structural cultural economic and social impacts to the era s lasting legacy this book offers an in depth examination of modern history s most infamous reign Assesses the historiography of Nazism and the prehistory of the regime Provides deep insight into labor education research and home life amidst the Third Reich s ideological imperatives Describes how the Third Reich affected business the economy and the culture including sports entertainment and religion Delves into the social militarization in the lead up to war and examines the social and historical complexities that allowed genocide to take place Shows how modern day Germany confronts and deals with its recent history Today s political climate highlights the critical need to understand how radical nationalist movements gain an audience then followers then power While historical analogy can be a faulty basis for analyzing current events there is no doubt that examining the parallels can lead to some important questions about the present Exploring key motivations environments and cause and effect this book provides essential perspective as radical nationalist movements have once again reemerged in many parts of the world
