Realistic Socio Legal Theory Pragmatism And A Social Theory Of Law:

Realistic Socio-legal Theory Brian Z. Tamanaha, 1997 Combining philosophical pragmatism with a methodological foundation Tamanaha formulates a framework for a realistic approach to socio legal theory The strengths of this approach are contrasted with that of the major schools of socio legal theory by application to core issues in this area Thus Tamanaha explores the problematic state of socio legal studies the relationship between behaviour and meaning the notion of legal ideology the problem of indeterminacy in rule following and application and the structure of judicial decision making These issues are tackled in a clear and concise fashion while articulating a social theory of law which draws equally from legal theory and socio legal theory

A Realistic Theory of Law Brian Z. Tamanaha, 2017-04-24 The book re orients jurisprudence and develops an empirically informed theory of law that applies throughout history and across different societies

Theory and Method in Socio-Legal Research Reza Banakar, Max Travers, 2005-12-19 Socio legal researchers increasingly recognise the need to employ a wide variety of methods in studying law and legal phenomena and the need to be informed by an understanding of debates about theory and method in mainstream social science The papers in this volume illustrate how a range of topics including EU law ombudsmen judges lawyers Shariah Councils and the quality assurance industry can be researched from a socio legal perspective The objective of the collection is to show how different methods can be used in researching law and legal phenomena how methodological issues and debates in sociology are relevant to the study of law and the importance of the debate between structural and action traditions in researching law It also approaches the methodological problem of how sociology of law can address the content of legal practice from a variety of perspectives and discusses the relationship between pure and applied research The editors provide a critical introduction to each of the six sections and a general introduction on law sociology and method The collection will provide an invaluable resource for socio legal researchers law school researchers and postgraduates

A General Jurisprudence of Law and Society Brian Z. Tamanaha, 2001 Law is generally understood to be a mirror of society that functions to maintain social order Focusing on this general understanding this text conducts a survey of Western legal and social theories about law and its relationship within society

Exploring the 'Socio' of Socio-Legal Studies Dermot Feenan, 2017-03-01 In this insightful collection a broad range of scholars analyzes a core issue for socio legal studies what is understood by the socio of the socio legal Drawing from legal theory cultural studies and social policy the collection s wide scope of themes and topics provides an important stock take and analysis of the socio legal field

Ubiquitous Law Emmanuel Melissaris, 2016-02-17 *Ubiquitous Law* explores the possibility of understanding the law in dissociation from the State while at the same time establishing the conditions of meaningful communication between various legalities This book argues that the enquiry into the legal has been biased by the implicit or explicit presupposition of the State s exclusivity to a claim to legality as well as the tendency to make the enquiry into the law the task of experts who purport to be able to represent the legal community s commitments in an authoritative

manner Very worryingly the experts point of view then becomes constitutive of the law and parasitic to and distortive of people's commitments Ubiquitous Law counter suggests a new methodology for legal theory which will not be based on rigid epistemological and normative assumptions but rather on self reflection and mutual understanding and critique so as to establish acceptable differences on the basis of a commonality Flexible Regional Economic Integration in Africa Timothy Masiko, 2022-04-21 This book examines the relationship between flexible regional economic integration in the East African Community EAC through its application of variable geometry and the establishment of the African Continental Free Trade Area AfCFTA as a continent wide form of integration It uses a historical political legal and economic analysis of the processes that led to the adoption of flexible regional integration in Africa with particular regard to the EAC This takes place in the inescapable context of pan Africanism showing how regional integration efforts in Africa are based on pan Africanist ideals and how an evolution of these ideals has led to an evolution in the goals of integration With growing awareness of the weaknesses and impracticality of consensus based decision making on a global level it makes the case for the pursuit of flexibility in multilateral trade drawing lessons from the experience of the AfCFTA and blocs in other regions This book is a historical evaluation of regional economic integration efforts in Africa and it follows the path of attempts to integrate the economies on the continent from colonial times to the birth of the AfCFTA While it is a study in law it relies heavily on politics economics and history to weave together a more complete theory of economic integration based on the African experience Flexible Regional Economic Integration in Africa was awarded the 2020 SIEL Hart Prize in International Economic Law

Law in Modern Society Denis Galligan, 2006-09-14 Providing an introduction to law in modern society D J Galligan considers how legal theory and particularly H L A Hart's *The Concept of Law* has developed the idea of law as a highly developed social system which has a distinctive character and structure and which shapes and influences people's behaviour The concept of law as a distinct social phenomenon is examined through reference to and analysis of the work of prominent legal and social theorists in particular M Weber E Durkheim and N Luhmann Galligan's approach is guided by two main ideas that the law is a social formation with its own character and features and that at the same time it interacts with and is affected by other aspects of society In analysing these two ideas Galligan develops a general framework for law and society within which he considers various aspects including the nature of social rules and the concept of law as a system of rules whether law has particular social functions and how legal orders run in parallel the place of coercion the characteristic form of modern law and the social conditions that support its implementation and compliance and what happens when laws are used to change society Law in Modern Society encourages legal scholars to consider the law as an expression of social relations examining the connections and tensions between the positive law of modern society and the spontaneous relations they often try to direct or change Rethinking Historical Jurisprudence Samuel, Geoffrey, 2022-10-18 This stimulating book considers the ways in which historical jurisprudence deserves to be rethought arguing that there is much more to the history

of legal thought than the ideas and ideology of the nineteenth and early twentieth century jurists such as Karl von Savigny and Sir Henry Maine

The Dynamics of Law and Morality Wibren van der Burg, 2016-03-23 This book investigates the dynamic intertwinement of law and morality with a focus on new and developing fields of law Taking as its starting point the debates and mutual misunderstandings between proponents of different philosophical traditions it argues that this theoretical pluralism is better explained once law is accepted as an essentially ambiguous concept Continuing on the book develops a robust theory of law that increases our grasp on global legal pluralism and the dynamics of law This theory of legal interactionism inspired by the work of Lon Fuller and Philip Selznick also helps us to understand apparent anomalies of modern law such as international law the law of the European Convention on Human Rights and horizontal interactive legislation In an ecumenical approach legal interactionism does justice to the valuable core of truth in natural law and legal positivism Shedding new light on familiar debates between authors such as Fuller Hart and Dworkin this book is of value to academics and students interested in legal theory jurisprudence legal sociology and moral philosophy

The Importance of Ideals Wibren van der Burg, Sanne Taekema, 2004 Ideals are important in social reality but they have been neglected in theories of law politics and morality This book has the role of ideals as its central theme More specifically it argues that ideals are necessary to understand pluralism that they are key elements in controversy and debate and that they enable development It combines theoretical analysis of the concept of ideals with discussion of concrete debates and cases including philosophical debates about politics and equality sociological studies of the diverse interpretations of the rule of law and accounts of the development of environmental law and privacy law Thus the functioning of ideals is critically examined showing the merits and limitations of an ideal oriented approach

Asian Discourses of Rule of Law Randall P. Peerenboom, 2004 Rule of law one of the pillars of the modern world has emerged in Western liberal democracies This book considers how rule of law is viewed and implemented in the different cultural economic and political context of Asia

Communitarianism in Law and Society Paul van Seters, 2006 In this new collection of essays Paul van Seters brings together an international group of scholars from diverse academic backgrounds to reflect upon the remarkable rise of communitarianism in contemporary studies of law and society These essays critically assess the communitarian perspective in order to gain a more systematic insight into its distinctive constraints and the special opportunities it provides

Encyclopedia of Law and Society David S. Clark, 2007-07-10 Introduction to and survey of the field of law and society Includes interdisciplinary perspectives on law from sociology criminology cultural anthropology political science social psychology and economics

The Meaning of Ideology Michael Freeden, 2013-10-18 This is the first collection to bring together leading scholars from diverse disciplines to offer a variety of perspectives on ideology and its analysis emphasizing the input of different intellectual and scholarly traditions to the meaning of ideology The articles explore commonalities in the use and understanding of ideology as well as delineating constructive differences in its interpretation while illuminating

the changes that the concept of ideology as well as the practices it signifies has undergone in recent years Contributions are included from the fields of political theory history literature political science cultural studies post Marxism discourse analysis language studies law and sociology The Meaning of Ideology advances our understanding of the intricacy and relevance of ideology and offers the latest theories and insights that currently inform scholarship on the subject Ideology emerges through the pages of this collection more strongly than ever as a major tool of understanding political language and as a durable and normal phenomenon that is inherent in the many ways we conceive the world around us This book was previously published as a special issue of The Journal of Political Ideologies and will be of interest to students of political ideologies and political and social theory

Crime and Regulation Fiona Haines, 2017-11-30 This volume brings together key articles in the burgeoning field of regulation The collection is interdisciplinary in keeping with study of regulation itself yet the book arranges and explores these articles to make the bewildering array of issues and concepts that comprise the study of regulation comprehensible to a criminological audience It will be of interest to all scholars and students of criminology and criminal justice as well as those concerned with reducing the crimes and harms of the powerful

The Oxford Handbook of the Theory of International Law Anne Orford, Florian Hoffmann, Martin Clark, 2016-05-26 The Oxford Handbook of International Legal Theory provides an accessible and authoritative guide to the major thinkers concepts approaches and debates that have shaped contemporary international legal theory The Handbook features 48 original essays by leading international scholars from a wide range of traditions nationalities and perspectives reflecting the richness and diversity of this dynamic field The collection explores key questions and debates in international legal theory offers new intellectual histories for the discipline and provides fresh interpretations of significant historical figures texts and theoretical approaches It provides a much needed map of the field of international legal theory and a guide to the main themes and debates that have driven theoretical work in international law The Handbook will be an indispensable reference work for students scholars and practitioners seeking to gain an overview of current theoretical debates about the nature function foundations and future role of international law

Reconstructing Judicial Review Sarah Nason, 2016-12-01 This book offers a new interpretation of judicial review in England and Wales as being concerned with the advancement of justice and good governance as opposed to being concerned primarily with ultra vires or common law constitutionalism It is developed both from examining the functions and values that ought to be served by judicial review and from analysis of empirical social facts about judicial review primarily as experienced in the Administrative Court Based on ground up case law analysis it constructs a new taxonomy on the grounds of judicial review mistake procedural impropriety ordinary common law statutory interpretation discretionary impropriety relevant irrelevant considerations breach of an ECHR protected right or equality duty and constitutional allocation of powers constitutional rights or other complex constitutional principles It explains each of these grounds what academic and judicial support there might be for them outside case law analysis and their similarities

and differences when viewed against popular existing taxonomies It concludes that Administrative Court judges are engaged in ordinary common law statutory interpretation in approximately half of all cases and that where discretionary judgement is involved on the part of the initial decision maker judges do indeed consider their task to be one of determining whether the challenged decision was justified by reasoning of adequate quality It finds that judges apply ordinary common law principles of statutory interpretation with historical pedigrees including assessing the initial decision maker's reasoning with reference to statutory purpose and sifting relevant from irrelevant considerations including moral considerations The result is a ground breaking reassessment of the grounds of judicial review in England and Wales and the practice of the Administrative Court

Advances in Experimental Philosophy of Law Karolina Prochownik, Stefan Magen, 2023-05-18 Only recently have philosophers and psychologists begun to consider empirical research methods to inform questions and debates in legal philosophy With the field ripe for further experimental inquiry this collection explores the most topical empirical developments and anticipates future research directions Bringing together legal scholars psychologists and philosophers chapters address questions such as Do people share a stable set of intuitions about what the law is What are common perceptions about causation intentionality and culpability and are they consistent with the corresponding legal concepts To what extent can experimental research methods advance theoretical debates in legal philosophy about the nature of law With fascinating implications for legal philosophy ethics and moral psychology *Advances in Experimental Philosophy of Law* sets the agenda for the emerging field of experimental jurisprudence and will be of interest to both researchers and practitioners alike

Studies in Law, Politics, and Society Austin Sarat, 2012-01-31 Contains an international and interdisciplinary array of legal scholarship This work illuminates the law's response to its social context as well as the way law shapes that context It shows how legal scholars contribute to public debate about contemporary issues as well as how they articulate the nature of rights and the limits of law

Realistic Socio Legal Theory Pragmatism And A Social Theory Of Law Introduction

In the digital age, access to information has become easier than ever before. The ability to download Realistic Socio Legal Theory Pragmatism And A Social Theory Of Law has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Realistic Socio Legal Theory Pragmatism And A Social Theory Of Law has opened up a world of possibilities. Downloading Realistic Socio Legal Theory Pragmatism And A Social Theory Of Law provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Realistic Socio Legal Theory Pragmatism And A Social Theory Of Law has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Realistic Socio Legal Theory Pragmatism And A Social Theory Of Law. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Realistic Socio Legal Theory Pragmatism And A Social Theory Of Law. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Realistic Socio Legal Theory Pragmatism And A Social Theory Of Law, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Realistic Socio Legal Theory Pragmatism And A Social Theory Of Law has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for

students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Realistic Socio Legal Theory Pragmatism And A Social Theory Of Law Books

1. Where can I buy Realistic Socio Legal Theory Pragmatism And A Social Theory Of Law books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
