Reality Police The Experience Of Insanity In America:

Reality Police Anthony Brandt,1975 Reality Police is about the experience of mental patients in this country s mental health system about what happens to them once they have been labeled mentally ill and shoved into the system to be cured It is about the power of some people to put other people away and what is done to them in the name of mental health The book analyzes the mental health system in terms of its function as an enforcer of social standards It concludes by examining the possibilities for changing the system Anthony Brandt spent several years interviewing ex patients including members of the Mental Patients Liberation Project and mental health workers and experiencing firsthand the system at its core for simulating a breakdown he committed himself to Hudson Valley State Hospital in Poughkeepsie New York where his experiences led him to understand just how fragile was his own acknowledged stability Book jacket
