Sanity and Solitude Bob Spencer, 2012 The world is a mad place and the various vicissitudes of life appear to make it more so The inherent mutability in nature can swing from the serendipitous to surreal malignity within a matter of moments In this day and age events can be ephemeral or appear so prolonged we are left agonisingly to wonder if they will ever terminate at all To be lost in such a bewildering universe when it feels impossible to gather oneself to take stock of the changeability or to bear the interminable we feel impotent overwhelmed and wrongfully abused Sanity and Solitude is one man s ramble through these frightful absurdities and contradictions that appear to confront us at every turn To understand insanity one has to travel oneself to the very fringes of insanity itself for better or for worse We are the clouds that veil the midnight moon How restlessly they speed and gleam and quiver Streaking the darkness radiantly yet soon Night closes round and they are lost forever Percy Bysshe Shelley
