lost all its power In those moments of uncertainty flashing before me was my life What had I done What would I miss And most importantly what was the meaning of those blue eyes that superimposed themselves over Terry s eyes minutes before we crashed The physical and emotional healing was intense humbling and gratifying while the spiritual path that I had been catapulted onto was certainly uplifting and unfamiliar to me All my life my soul had been gently nudging me towards my true purpose now it was hitting me over the head with the messages of Love more have less simplify your life Love and forgive myself and others unconditionally This true story is of my spiritual transformation that took me from having the illusion that all my material accomplishments was all there was for a fulfilling life to knowing that life was and had already been planned for me by me well before I incarnated into this body Surviving this plane crash was only a catalyst towards me fulfilling my true purpose in life Having a clean slate to begin all over with is a daunting task Being 47 now widowed and starting over was a daunting task My faith as about to be tested big time For from tragedy comes triumph Having found the owner of those eyes I know I have more work and a much higher purpose in life to fulfill It took a life threatening and frightening plane crash to make me see the truth my plane truth It s truly been a humbling experience and one I consider to be a gift and not a tragedy The hardest part was simply looking in the mirror and uncovering all my masks that I had thought were protecting me but in fact were keeping me from knowing my true self **State of Mind** Chris Doudle,Karen Baldwin,2005

was a typical kid in the upscale Long Island community of Belle Terre He was looking forward to starting his senior year at Earl L Vandermeulen High School the next day But instead Marty woke in the morning to find his parents brutally bludgeoned their throats slashed His mother Arlene was dead His father Seymour was barely alive and would die a month later With remarkable self possession Marty called 911 to summon help And when homicide detective James McCready arrived on the scene an hour later Marty told him he believed he knew who was responsible Jerry Steuerman his father s business partner Steuerman owed Seymour more than half a million dollars had recently threatened him and had been the last to leave a high stakes poker game at the Tankleffs home the night before However McCready inexplicably dismissed Steuerman as a suspect Instead he fastened on Marty as the prime suspect indeed his only one Before the day was out the police announced that Marty had confessed to the crimes But Marty insisted the confession was fabricated by the police And a week later Steuerman faked his own death and fled to California under an alias Yet the police and prosecutors remained fixated on Marty and two years later he was convicted on murder charges and sentenced to fifty years in prison But Marty s unbelievable odyssey was just beginning With the support of his family he set out to prove his innocence and gain his freedom For ten years disappointment followed disappointment as appeals to state and federal courts were denied Still Marty never gave up He persuaded Jay Salpeter a retired NYPD detective turned private eye to look into his case At first it was just another job for Salpeter As he dug into the evidence though he began to see signs of gross ineptitude or worse Leads ignored Conflicts of interest swept under the rug A shocking betrayal of public trust by Suffolk County law enforcement that went well beyond a simple miscarriage of justice After Salpeter s discoveries brought national media attention to the case Marty s conviction was finally vacated in 2007 and New York s governor appointed a special prosecutor to reopen the twenty year old case At the same time the State Investigation Commission announced an inquiry into Suffolk County s handling of what has come to be widely viewed as one of America s most disturbing wrongful conviction cases As gripping as a Grisham novel A Criminal Injustice is the story of an innocent man s tenacious fight for freedom an investigator s dogged search for the truth It is a searing indictment of justice in America Business Studies David Needham,Robert Dransfield,1994 A textbook for A Level Business Studies and equivalent examinations It emphasizes the interrelation of a number of business skills areas and encourages students to apply theoretical principles through the provision of practical activities including case studies and fieldwork suggestions *Atlantic Reporter* ,1904 Printers' Ink; the ...
