went so far as engaging in secret unlawful negotiations with the British in Canada aimed at turning Vermont into a separate Government under the Crown The attempts of the Allen family to maintain Vermont s independence from its neighbors were unsuccessful Vermont became the fourteenth state in 1791 A Few Lawless Vagabonds is the first systematic attempt using archival sources to show that the Allens were utterly serious in their aim to turn Vermont into a Crown colony a project which came close to success in late 1781 The portrait of Ethan Allen that emerges in this book is not of a warrior hero of the American Revolution but of a successful Vermont nationalist who is justly celebrated as the principal founder of the State of Vermont a rare combination of patriot and betrayer of the public trust **Heroes of Three Wars** Willard W. Glazier,1882
