Reasons For Believing

Guy P. Harrison

Reasons For Believing:

50 Reasons People Give for Believing in a God Guy P. Harrison, 2009-09-18 Many books that challenge religious belief from a skeptical point of view take a combative tone that is almost guaranteed to alienate believers or they present complex philosophical or scientific arguments that fail to reach the average reader This is undoubtedly an ineffective way of encouraging people to develop critical thinking about religion This unique approach to skepticism presents fifty commonly heard reasons people often give for believing in a God and then raises legitimate questions regarding these reasons showing in each case that there is much room for doubt Whether you're a believer a complete skeptic or somewhere in between you'll find this review of traditional and more recent arguments for the existence of God refreshing approachable and enlightening From religion as the foundation of morality to the authority of sacred books the compelling religious testimony of influential people near death experiences arguments from Intelligent Design and much more Harrison respectfully describes each rationale for belief and then politely shows the deficiencies that any good skeptic would point out As a journalist who has traveled widely and interviewed many highly accomplished people quite a number of whom are believers the author appreciates the variety of belief and the ways in which people seek to make religion compatible with scientific thought Nonetheless he shows that despite the prevalence of belief in God or religious belief in intelligent people in the end there are no unassailable reasons for believing in a God For skeptics looking for appealing ways to approach their believing friends or believers who are not afraid to consider a skeptical challenge this book makes for very stimulating reading

Reasons for Belief Norman L. Geisler, Patty Tunncliffe, 2013-02-15 Trusted Theologian Presents a Case for Christian Faith in Easy to Understand Language Seminary professor and bestselling author teams with a seminary trained apologist and teacher to give readers basic solid evidence for the Christian faith This book is ideal for both teens and adults Lay leaders and teachers as well as students will be equipped to explain the basics of Christianity to unbelievers and new believers The accessible and topically organized book is easy to understand and use

Reasons for Belief John M. Oakes, 2005-06-01 This book is intended to provide a basis in fact for belief in the Bible as the inspired Work of God It will be helpful both for those who are coming to faith in God for the first time and for those who already believe but who want their faith deepened In this book most of the major questions asked by those who are skeptical of the Christian faith are addressed Why should I follow Jesus and not another of the world's major religious leaders Where do miracles fit in and can we really believe in miracles How can I be sure the events of the Bible records are true And what about the Bible itself Who wrote it and from where did they get their authority Is their message consistent and reliable What about the scientific accuracy of the Bible **Reasons for Belief** addresses these and other questions in a way that is easy to understand Book Cover

Reasons for Believing Frank Harber, 1998-04 In this concise guide to questions about the Christian faith from Frank Harber a dynamic young evangelist readers acquire a handy resource for witnessing or for personal faith building and receive some answers about God's love in

an evil world 192 pp Blameworthy Belief Nikolaj Nottelmann, 2007-07-18 Believing the wrong thing may sometimes have drastic consequences The question as to when a person is not only ill guided but genuinely at fault for holding a particular belief is an important one It touches upon the roots of our understanding of such notions as criminal negligence and moral responsibility The answer to this question may influence the extent to which we are willing to submit each other to punishments ranging from mild resentment to harsh prison terms This book presents an extensive effort to shed light on the conditions under which we may appropriately deem someone blameworthy for holding a particular belief It regiments and unifies several debates within contemporary epistemology ethics and legal scholarship Finally the book brings a new philosophical look on issues like our power to control beliefs and the extent and nature of foresight *Believing in Accordance with the Evidence* Kevin McCain, 2018-10-02 This volume explores evidentialism a major theory of epistemic justification It contains more than 20 papers that examine its nuances its challenges as well as its future directions Written by leading and up and coming epistemologists the papers cover a wide array of topics related to evidentialism The contributors present both sides of the theory some are advocates of evidentialism while others are critics This provides readers with a comprehensive and cutting edge understanding of this epistemic theory Overall the book is organized into six parts The Nature of Evidence Understanding Evidentialism Problems for Evidentialism Evidentialism and Social Epistemology New Directions for Evidentialism and Explanationist Evidentialism Readers will find insightful discussion on such issues as the ontology of evidence phenomenal dogmatism how experiences yield evidence the new evil demon problem probability norms of credibility intellectual virtues wisdom epistemic justification and more This title provides authoritative coverage of evidentialism from the latest developments to the most recent philosophical criticisms It will appeal to researchers and graduate students searching for more information on this prominent epistemological theory *Morality* Bernard Gert, 1998 For more than thirty years philosopher Bernard Gert has been developing and refining his distinctive and comprehensive moral theory This book presents the fullest statement yet of his influential theoretical model **The Importance of Being Rational** Errol Lord, 2018-05-24 The Importance of Being Rational systematically defends a novel reasons based account of rationality The book s central thesis is that what it is for one to be rational is to correctly respond to the normative reasons one possesses Errol Lord defends novel views about what it is to possess reasons and what it is to correctly respond to reasons He shows that these views not only help to support the book s main thesis they also help to resolve several important problems that are independent of rationality The account of possession provides novel contributions to debates about what determines what we ought to do and the account of correctly responding to reasons provides novel contributions to debates about causal theories of reacting for reasons After defending views about possession and correctly responding Lord shows that the account of rationality can solve two difficult problems about rationality The first is the New Evil Demon problem The book argues that the account has the resources to show that internal duplicates

necessarily have the same rational status The second problem concerns the deontic significance of rationality Recently it has been doubted whether we ought to be rational The ultimate conclusion of the book is that the requirements of rationality are the requirements that we ultimately ought to comply with If this is right then rationality is of fundamental importance to our deliberative lives

The Oxford Handbook of Epistemology Paul K. Moser, 2002 This reference work discusses one of the core topics of philosophy the theory of knowledge Connecting to virtually every other subfield epistemology is central to mainstream philosophy This book explains the ideas and problems of the field while avoiding overly technical detail

The Ethics of Belief Jonathan Matheson, Rico Vitz, 2014-08-14 How do people form beliefs and how should they do so This book presents seventeen new essays on these questions drawing together perspectives from philosophy and psychology The first section explores the ethics of belief from an individualistic framework It begins by examining the question of doxastic voluntarism i e the extent to which people have control over their beliefs It then shifts to focusing on the kinds of character that epistemic agents should cultivate what their epistemic ends ought to be and the way in which these issues are related to other traditional questions in epistemology The section concludes by examining questions of epistemic value of whether knowledge is in some sense primary and of whether the ethics of belief falls within the domain of epistemology or ethics The second section extends this traditional debate to issues concerning the social dimensions of belief formation It begins with essays by social psychologists discussing the past three decades of research in lay epistemics It continues by examining Humean Kantian and feminist insights into the social aspects of belief formation as well as questions concerning the ethics of assertion The section concludes with a series of essays examining a topic that is currently of great interest to epistemologists namely the significance of peer disagreement

Moral Psychology, 2016-08-01 In recent decades the central questions of moral psychology have attracted renewed interest Contemporary work on moral motivation and the rationality of moral action has broadened its focus to include a wide array of related issues New interpretations of historical figures have also contributed to conceptual advances in moral psychology in a way unparalleled in any other area of philosophy This volume presents original work from some of the most prominent philosophers currently working on moral psychology spanning both the historical and the contemporary problem based approaches

One Hundred and Fifty Reasons for Believing in the Final Salvation of All Mankind Erasmus Manford, 1849

Guided by Voices Eric Wiland, 2021-02-01 We often rely on others for guidance about what to do But wouldn't it be better to rely instead on only your own solo judgment Deferring to others about moral matters after all can seem to conflict what Enlightenment demands In *Guided by Voices* however Eric Wiland argues that there is nothing especially bad about relying on others in forming your moral views You may rely on others for forming your moral views just as you can your views about anything else You can accept moral testimony without loss Furthermore there are several distinctive social goods attainable by being guided by what others say Thus it can be better to be guided by moral testimony than by your own moral lights Wiland also argues that relying on others for moral

advice has one advantage over relying on others for moral testimony For when you trust your adviser s advice you both thereby form a joint agent that can achieve autonomy moral understanding and morally worthy action Sometimes taking another s advice is your only way to act well Arguing against the presumption that moral reasoning is ideally done alone Guided by Voices is the first book to address moral testimony and advice **Knowledge, Truth, and Duty** Matthias Steup,2001-03-01 This volume gathers eleven new and three previously unpublished essays that take on questions of epistemic justification responsibility and virtue It contains the best recent work in this area by major figures such as Ernest Sosa Robert Audi Alvin Goldman and Susan Haak **Intentionality, Deliberation and Autonomy** Sandro Nannini,2016-05-23 Many important thinkers in the philosophical tradition like Aristotle or Hume have used an explicit theory of action as the basis of their respective normative theories of practical rationality and morality The idea behind this architecture of theories is that action theory can inform us about the origin bonds reach and limits of practical reason The aim of this book is to revive this direct connection between action theory and practical philosophy in particular to provide systematic action theoretical underpinnings for the discussion about the normative structure of practical reason This book brings together a collection of specially commissioned essays from internationally prestigious scholars in the field and represents the state of the art in contemporary philosophy of action The book is divided into three parts i conceptual work about what actions intentions and intentional actions are ii empirical theory of practical deliberation and iii theories about the action theoretic features of autonomy The volume significantly advances these three lines of research and offers important new contributions to each of them **Confusion of Tongues** Stephen Finlay,2016-11 Can normative words like good ought and reason be defined in non normative terms Stephen Finlay argues that they can advancing a new theory of the meaning of this language and providing pragmatic explanations of the specially problematic features of its moral and deliberative uses which comprise the puzzles of metaethics **7 Reasons To Believe** Kevin Simington,2020-10-24 7 Reasons To Believe is a clear powerful presentation of the seven most persuasive arguments for the existence of God and the truth of the Christian faith Compelling evidence is examined from the fields of microbiology genetics cosmology history and personal experience Peppered with wit and brimming with meticulously researched facts this book will challenge even the most hardened sceptics and will strengthen the faith of those who already believe **Challenges to Moral and Religious Belief** Michael Bergmann,Patrick Kain,2014-05-22 Challenges to Moral and Religious Belief contains fourteen original essays by philosophers theologians and social scientists on challenges to moral and religious belief from disagreement and evolution Three main questions are addressed Can one reasonably maintain one s moral and religious beliefs in the face of interpersonal disagreement with intellectual peers Does disagreement about morality between a religious belief source such as a sacred text and a non religious belief source such as a society s moral intuitions make it irrational to continue trusting one or both of those belief sources Should evolutionary accounts of the origins of our moral beliefs and our religious beliefs

undermine our confidence in their veracity This volume places challenges to moral belief side by side with challenges to religious belief sets evolution based challenges alongside disagreement based challenges and includes philosophical perspectives together with theological and social science perspectives with the aim of cultivating insights and lines of inquiry that are easily missed within a single discipline or when these topics are treated in isolation The result is a collection of essays representing both skeptical and non skeptical positions about morality and religion that move these discussions forward in new and illuminating directions

Do You Really Believe There is a God? Clare G. Annis,19?? **The Reasons For Believing In God** Fernando Aksamit,2021-07-13 Do you believe in God Why do people believe in God If you are curious about these questions then this book is for you The journey through this book will fascinate you by showing why your experiences and religious convictions are not unique Believers in all faiths have a lot in common By understanding why others believe in their God you will come to see religion as a universal phenomenon It is a comprehensive resource that for the first timepieces together the social historical emotional psychological logical and scientific reasons why you believe in one version of one of the 4000 religions

If you ally infatuation such a referred **Reasons For Believing** book that will present you worth, acquire the utterly best seller from us currently from several preferred authors. Reasons For Believing Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Reasons For Believing free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Reasons For Believing free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Reasons For Believing free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free.

Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Reasons For Believing. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Reasons For Believing any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Reasons For Believing Books

What is a Reasons For Believing PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Reasons For Believing PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Reasons For Believing PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Reasons For Believing PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Reasons For Believing PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, iLovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any

restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
