Irma's Story , Rebecca's Secrets Robert Hart,2009-07-15 What happens when a boy starts asking questions It s New Year s day 1956 and as the low winter sun penetrates the dark corners of Eric Street it sets fire to a boy s curiosity Until this day I d lived unaware I didn t live my life it lived me But I did know I was different from other kids There was something secret about me and my family That morning I became curious That day I started asking questions Charming funny and sad this novel is based on a true story Tommy Angel is an orphan growing up with his grandparents Rebecca and Daniel in the East End of London in the Fifties Tommy tries to make sense of the world around him but his questions arouse shameful memories stir the family ghosts and open a box of dark family secrets Gradually he uncovers the truth about his lost sisters his real father and mother The author a distinguished educator born in 1945 grew up in an extended Jewish family in the East End of London This debut novel is based on his childhood **Good Times for Girls** Mary Eliza Moxcey,1922 *The Children's Friend* ,1914 **Situating Poetry** Joshua Logan Wall,2022-10-11 Focusing on five poets of the New York literary scene in the period between 1910 and 1940 the author shows that fractioned ethnic and immigrant groups could locate democratic communities through innovative poetic forms in which belonging was produced not by identity narratives but through attention directed to particular genres *The Jewish Audio-visual Review* ,1959 *Shakespeare's Shrine, an Indian Story, Essays and Poems* John Harris,1865 **Year Book** Illinois Farmers' Institute. Department of Household Science,1926 **YearBook** Illinois Farmers' Institute. Department of Household Science,1926 Contains the transactions of the annual meeting **Rebecca's Journey** Winona Bennett Cross,2024-08-05 Determined to keep a vow made to her dying father independent eighteen year old Rebecca Pierce sets out on a wagon train on the Oregon Trail in 1845 with her mother Rebecca is strong and takes on a leadership role Zachary Miller is traveling alone with nothing more than what he can carry and his horse He is assigned to help Rebecca and her mother from the first day on the trail Zachary falls fast for Rebecca but she is conflicted about her growing feelings When Rebecca is kidnapped by an obsessive man she is left injured in pain depressed and losing the belief she had in herself Zachary is angry and wants revenge He feels like there is nothing he can do to help Rebecca although he tries to do all he can Will their newly developed relationship recover and allow them to regain their growing love **The Year I Followed the Sun** Laurie J. Rutherford Pederson,2012-05 While many contemplate roaming the world at 22 Laurie Rutherford Pederson embarked on a solo journey of 365 days beginning in December 1976 She recorded her many adventures sublime to horrific in twenty seven journals from which this book emerged The Victoria B C native worked as a travel agent creating her own itinerary to countries that intrigued her She explored these exotic locations each replete with its historic and often perilous political landscapes using all means of transport from a luggage rack on a train in India to rickshaws to horseback even a boat on the Canal du Midi Family friends in several countries provided respites of gracious hospitality and rollicking entertainment but to her credit Pederson writes with equal

appreciation of the many strangers locals and fellow travellers she encountered along the way Her prose sparkles with hilarious interior monologues and a cinematographer s attention to detail From a near fatal motorcycle accident on Bali to a brush with death at the Israel Lebanese border there is adventure romance fear and reflection The author left her secure home in Victoria as a young adventuress she returned a woman Pederson s memoir is contemplative yet spontaneous capturing a time of great change in the world

Religious Lessons Kathleen Holscher, 2012-08-08 *Religious Lessons* tells the story of *Zellers v Huff* a court case that challenged the employment of nearly 150 Catholic sisters in public schools across New Mexico in 1948 Known nationally as the Dixon case after one of the towns involved it was the most famous in a series of midcentury lawsuits all targeting what opponents provocatively dubbed captive schools Spearheaded by Protestants and Other Americans United for Separation of Church and State the publicity campaign built around *Zellers* drew on centuries old rhetoric of Catholic captivity to remind Americans about the threat of Catholic power in the post War era and the danger Catholic sisters dressed in full habits posed to American education Americans at midcentury were reckoning with the U S Supreme Court s new mandate for a wall of separation between church and state At no time since the nation s founding was the Establishment Clause studied so carefully by the nation s judiciary and its people While *Zellers* never reached the Supreme Court its details were familiar to hundreds of thousands of citizens who read about them in magazines and heard them discussed in church on Sunday mornings For many Americans Catholic and not the scenario of sisters in veils teaching children embodied the high stakes of the era s church state conflicts and became an occasion to assess the implications of separation in their lives Through close study of the Dixon case Kathleen Holscher brings together the perspectives of legal advocacy groups Catholic sisters and citizens who cared about their schools She argues that the captive school crusade was a transitional episode in the Protestant Catholic conflicts that dominate American church state history *Religious Lessons* also goes beyond legal discourse to consider the interests of Americans women religious included who did not formally articulate convictions about the separation principle The book emphasizes the everyday experiences inside and outside classrooms that defined the church state relationship for these people and that made these constitutional questions relevant to them

Leaves of Healing ,1928 Walking in Line James D. Croone, 2025-03-28 As a Black American James Croone can speak to many of the dismays of racism Through years of teaching in Bible colleges and pastoring he remains perplexed how one can hold on to biases against those of other ethnicities and proudly proclaim to be a follower of Jesus Christ However this has been a standard fixture throughout history from those who have interpreted God s word to enslave oppress and extort those made in his image One would only believe that through advanced developments in studies of resources archeology and linguistics analysis and most importantly being in tune with God s Spirit we would have a better grasp of the gospel ridding ourselves of these pseudo interpretations Much of what is touted in media publications or friends with opinions conveys solutions that are irrational and fueled by anger and reprisal Civil unrest reforms laws and financial retribution are shortlived

external solutions bias is an internal problem No matter how stringent laws can be there are always loopholes There are no loopholes internally though if one truly walks in line with the gospel This book aims to assist in transforming the hearts of those wrestling with bias and lead them to the path of restoration The Renaissance Will Durant,Ariel Durant,1953 A history of civilization in Italy from the birth of Petrarch to the death of Titian 1304 to 1576 Critic and Good Literature ,1894 William Tyndale David Daniell,2001-01-01 Traces the life of William Tyndale the first person to translate the Bible into English from the original Greek and Hebrew and discusses the social literary religious and intellectual implications of his work **Year Book** ,1924 *The Messenger and the Journey* Johnny Neil,Susan Smith,2013-04 The freezing winds off Lake Michigan swept across the snow laden grounds and through the cracks of a building that held southern prisoners in Camp Douglas Illinois Huddled with the other prisoners John mulled over the reasons he had enlisted even after his father had forbidden it He knew the only real reason was to protect his best friend Frankie who had enlisted first but never even bothered to show up at the station when the recruits left for war Shivering he wondered if he would ever see his family again and especially the girl he had loved since childhood John realized that nothing but an act of God could deliver him from this hell on earth The year was 1864 The Messenger combines the history of the Civil War the love of family and faith that holds on to miracles Author Johnny Neil Smith paints a vivid picture of struggles belief fear and hope wrapped into one fascinating story of how angels still minister and bring courage to those who trust in God Smith s command of the era s politics and history and his feel for Southern family relationships make this tale an above par work of period fiction Publisher s Weekly Romanov Curse Sam Cromartie,2017-06-15 Seventeen year old Valentina Kovalova considers her Romanov blood to be a blessing until Bolsheviks kidnap her Their leader becomes her lover and helps her to go home He returns to his rebels without knowing she is pregnant Her father shuns her his cousin Tsar Nicholas abdicates and Valentina delivers twin sons in the midst of war and revolution Bolsheviks kills her parents and two sisters Valentina flees to Germany with her infant son leaving behind his twin brother whom she believes is dead She inherits the extensive estate of her aunt and marries a handsome man from a prominent family He becomes a confidant of Adolf Hitler Her husband thinks the Fhrer will restore Germany to her rightful glory Valentina recognizes him for the madman he is At great risk to herself she refuses to support him and hides a Jewish girl in her home
