Mitford The Young Rebecca reflects West's consuming interest in feminist and socialist issues Quite apart from their technical excellence these articles are remarkable because they were produced by a girl barely out of her teens and because many of them read as if they were written last Tuesday The Atlanta Journal a fierce and funny scourge of establishment figures her prose sparkles Book World The Washington Post Jane Marcus brings together some of Rebecca West's early journalistic writings collected here for the first time which reveal West's passionate responses to political and literary events as well as her experience in the suffrage campaign Included are articles from The Freewoman The Clarion and the Daily News among others

**Rebecca West and the God That Failed** Carl Rollyson, 2005-07-13 After completing his biography of Rebecca West in 1995 Carl Rollyson felt bereft As his wife said Rebecca was such good company He had already embarked on another biography but Rebecca kept beckoning him He felt there was more to say about her politics a misunderstood part of her repertoire as reporter and novelist And had he done justice to her enormous sense of fun and humor He regretted excising the portrait of her he wanted to put at the beginning of his biography His editor kept cutting away at what he called Rollyson's doorstep of a book And then after years of waiting Rollyson received her FBI file He kept running into Rebecca so to speak when he was working on his biographies of Martha Gellhorn and Jill Craigie Interviews in London often turned up people who had known West as well Thus piece by piece Rollyson accumulated what is now another book about Rebecca West This new collection tells the story of how his biography got written of what it means to think like a biographer and why West's vision remains relevant She is one of the great personalities and writers of the modern age and one that we are just beginning to comprehend
