Bible Sisters Dr. Gennifer Benjamin Brooks,2017-04-04 These Bible passages reflections and prayers will lead women through the Bible from Eve to the women at the empty tomb and in the early church Bible Sisters A Year of Devotions with the Women of the Bible is perfect for daily personal devotions or for small group discussions that explore women s perspectives in the Bible This volume is also an excellent companion resource to the CEB Women s Bible Strength And Resilience: Biblical Women Through Adversity Wanda B. Gillom,2024-09-23 I wrote this book to encourage women to understand our strength weakness and most of all to show that God can use anyone to glorify Him We must remember He loves each of us and He created woman to be a help mate to man There are so many ways for women to learn and experience what our strength and how to use them in a positive way This book can also show that there is nothing new in this world that we see today that can t be forgiven by God God knows our intentions before we do them When we commit a sin does He know what s in our heart Yes this is why He gave His only son to die for our sins To give us away back to Him God through His son Jesus Christ When we get married we become one not the head but a single unit in the eyes of God That s why He tells a man to leave his father and mother and hold fast to his wife and they shall become one flesh Genesis 2 24 *Women of the Bible* Margaret Minnicks,2012-05-08 *All of the Women of the Bible* Edith Deen,2012-10-23 A comprehensive history with more than 300 biographies of every woman in the Bible both the named and nameless the famous and infamous All the Women of the Bible offers a rich biographical perspective on every female figure in scripture including the famous the little known and even the unnamed In more that 300 engaging and insightful portraits Edith Deen brings alive the saints and sorceresses queens and servants mothers and daughters wives and widows whose profound influence is felt through out the Bible You can almost trace light and darkness in the Bible by the women themselves she writes Hannah praying mother of Samuel gave birth to a son who became the first great Hebrew prophet And of course there was the mother of Jesus On the other hand Jezebel and Herodias were vile influences the first tearing apart the northern kingdom of Israel the second causing John the Baptist to be beheaded Combining thorough detail with a lively and dramatic narrative All of the Women of the Bible portrays the real women behind the Biblical stories and shows how in their human struggles and triumphs they are very much like the women of today With each major biography identified by Bible chapter and verse and prefaced by a key passage of scripture this is an ideal resources for teachers Bible students preachers and writers as well as anyone who wants to learn what it was really like to be a woman in Biblical times The Chronicles of Noah and Her Sisters Miriam Therese

The Matriarchs of Genesis David J. Zucker,Moshe Reiss,2015-08-27 Sarah Hagar Rebekah Leah Rachel Bilhah Zilpah These are the Matriarchs of Genesis A people s self understanding is fashioned on their heroes and heroines Sarah Rebekah Leah and Rachel the traditional four Matriarchs are important and powerful people in the book of Genesis Each woman plays her part in her generation She interacts with and advises her husband seeking to achieve both present and future successes for her family These women act decisively at crucial points through their actions and words their family dynamics change irrevocably Unlike their husbands we know little of their unspoken thoughts or actions What the text in Genesis does share shows that these women are perceptive and judicious often seeing the grand scheme with clarity While their stories are told in Genesis in the post biblical world of the Pseudepigrapha their stories are retold in new ways The rabbis also speak of these women and contemporary scholars and feminists continue to explore the Matriarchs in Genesis and later literature Using extensive quotations we present these women through five lenses the Bible Early Extra Biblical Literature Rabbinic Literature Contemporary Scholarship and Feminist Thought In addition we consider Hagar Abraham s second wife and the mother of Ishmael as well as Bilhah and Zilpah Jacob s third and fourth wives The Esoteric ,1891

Sexual Politics in the Biblical Narrative Esther Fuchs,2003-04-01 This book is for anyone interested in religious studies and women s studies as well as for biblical scholars It offers a feminist oppositional reading of the biblical text The main argument is that the Bible constructs a fictional universe in which women are shown to be intent on promoting male interests and for the most part appear as secondary characters whose voice and point of view are often suppressed In their limited roles as mothers wives daughters and sisters women are constructed as male dependent pawns intent on securing the status of their male counterparts The Biblical narrative highlights the contribution of women as reproductive agents and protectors of sons In this challenging collection of essays Fuchs focuses on type scenes as a way of demonstrating the mechanisms by which the texts validates male power and superiority She also deconstructs the Biblical sexual politics by asking whose interest is being served by the good women of the Bible *Journal for the Study of the Old Testament Supplement series Volume 310*

Love in the Hebrew Bible Song-Mi Suzie Park,2023-05-30 Christians insist that love stands at the heart of who God is Yet when we talk about love in the Hebrew Bible how much do we really know Possessing such a belief alone does not mean that we possess a clear understanding of what love is Are we aware of how often divine and human love are tied up with the idea of preference for one individual or group over another Do we know how

often descriptions of love involve questions of power authority and gender Do we see that love is connected to suffering betrayal and sometimes death in the Hebrew Scriptures In *Love in the Hebrew Bible* one of the first book length studies of its kind Suzie Park provides fascinating and essential insights into these questions refreshing our understanding of the meaning of love in the Hebrew Bible Pushing against characterizations of the loving God of the New Testament narrative universe versus the wrathful God of the Old Testament Park shows that love is integral to the ways in which relationships both among people and also between humanity and God are imagined in the Hebrew text Reflecting matrices of meaning and associations love thus is a vital component of the ideology and theology of the Hebrew Scriptures and an understanding of it remains fundamental to our knowledge of the biblical text
