Moore Chapin, 1872 **Male Beauty** Kenneth Krauss, 2014-03-27 In the decades that followed World War II Americans searched for and often found signs of a new masculinity that was younger sensitive and sexually ambivalent Male Beauty examines the theater film and magazines of the time in order to illuminate how each one put forward a version of male gendering that deliberately contrasted and often clashed with previous constructs This new postwar masculinity was in large part a product of the war itself The need to include those males who fought the war as men many of whom were far younger than what traditional male gender definitions would accept as manly extended the range of what could and should be thought of as masculine Kenneth Krauss adds to this analysis one of the first in depth examinations of how males who were sexually attracted to other males discovered this emerging concept of manliness via physique magazines Typical Men Andrew Spicer, 2001-04-12 Typical Men is the first book length study of masculinity in British cinema and offers a broad and lively overview from the Second World War to the present day Spicer argues that masculinity in popular fiction can best be understood as a range of dynamic and competing cultural types which rise and fall in relation to shifting patterns of film production audience taste and social change Specific chapters are devoted to each of the major types debonair gentlemen civilian professionals action adventurers the Everyman Fools and Rogues criminals rebels and damaged men which trace their changing histories through innovative readings of key films together with a fresh look at the

performances of particular stars including James Mason Kenneth More Michael Caine and Sean Connery A final chapter explores the complex and hybrid types that have evolved within a volatile and unstable contemporary British cinema now part of an array of interrelated media images of masculinity Typical Men will be of keen interest to those concerned with the cultural history of gender and its detailed and carefully contextualised interpretations of films afford a reappraisal of British cinema history especially the neglected and despised 1950s Andrew Spicer s Typical Men is a major intervention in debates about masculinity in the cinema It takes a lot of intellectual risks and locates cinematic stereotypes of masculinity in a cinematic and cultural context It is trenchant and original and redefines the field of gender representation Sue Harper Professor of Film History University of Portsmouth The strength of this elegantly and wittily written book is that in the precision of its detail about individual performances actors and films it never loses sight of its argumentative threads Brian McFarlane Screening the Past

[Queering Teen Culture](#) Jeffery P Dennis,2013-12-16 Why did Fonzie hang around with all those high school boys Is the overwhelming boy meets girl content of popular teen movies music books and TV just a cover for an undercurrent of same sex desire From the 1950s to the present popular culture has involved teenage boys falling for longing over dreaming about singing to and fighting over teenage girls But *Queering Teen Culture* analyzes more than 200 movies and TV shows to uncover who Frankie Avalon s character was really in love with in those beach movies and why Leif Garrett became a teen idol in the 1970s In Top 40 songs teen magazines movies TV soap operas and sitcoms teenagers are defined by their pubescent discovery of the opposite sex universally and without exception *Queering Teen Culture* looks beyond the litany to find out when adults became so insistent about teenage sexual desire and why and finds evidence of same sex desire romantic interactions and

Hutu Rebels Anna Hedlund, 2019-11-01 In 1994 almost one million ethnic Tutsis were killed in the genocide in Rwanda In the aftermath of the genocide some of the top echelon Hutu officers who had organized it fled Rwanda to the eastern Congo DRC and set up a new base for military operation with the goal of retaking power in Kigali Rwanda More than twenty years later these rebel forces comprise a diverse group of refugees rebel fighters and civilian dependents who operate from mountain areas in the Congo forests and have a long and complex history of war and violence While media and human rights reports typically portray this rebel group as one of the most brutal rebel factions operating in the eastern Congo region *Hutu Rebels* paints a more complex picture Having conducted ethnographic fieldwork in a rebel camp located deep in the Congo forest Anna Hedlund explores the micropolitics and practices of everyday life among a community of Hutu rebel fighters and their families living under the harshest of conditions She describes the Hutu fighters not only as a military unit with a vision of return to Rwanda but also as a community engaged in the present Congo conflicts Hedlund focuses on how fighters and their families perceive their own life conditions how they remember and articulate the events of the genocide and why they continue to fight in what appears to be an endless conflict *Hutu Rebels* argues that we need to move beyond compiling catalogs of atrocities and start examining the ordinary life of combatants if we want to understand the ways in which violence is expressed in the context of a most brutal conflict

Alien Rebel's Fake Bride Miranda Martin, 2021-06-30 Crystal Truth be told I've always been a little jumpy but being kidnapped by aliens shoved my anxiety into high gear They buy and sell us Earth girls like chattel Stealing us from our dying planet and keeping us on lockdown until they're ready to trade us away When my fellow humans and I are rescued by the savage Draconian Warriors things get better but we're not free So the other women leverage me into mating one of the Draconians in a grand scheme to take over the ship I'm nothing if not a team player but why did it have to be the huge scarred one who's as socially awkward

as I am Deceiving these brutal warriors seems like a really bad idea the kind that could cause a small human like me to wind up dead or worse desperately in love with a massive winged and tailed alien Drake I live for nothing more than starting a revolution among my Draconian brethren I will set us free at long last from the misery of our Draconian Queens who have been driven insane by a parasite I don't have time or desire to rescue the human Queens but my brother insists When one of them lays claim to me I'm suspicious She panicked at the mere sight of me during the rescue and only hours later she selected me for her mate I'm no fool She's a wily one talking and squirming her way past my defenses She's soft beautiful and scents like a goddess but I can't let her ruin my people's only chance at freedom Somehow I have to make her my Queen and set my people free

Forever Changed Angela White, A Final Game Sam Pruett is the roughest toughest woman in her family She wants an unused bachelor and she loves to fight but bringing down the Network is her real goal When she heads to the Time Trials to start her turn in the games chaos follows her every step of the way but the only man who lingers in her mind is Baker the leader of the rebels As the Network's hold finally begins to weaken over the country Sam will face new challenges and horrors to ensure his survival A Desperate Gambit Baker loves Sam He also loves his freedom He's willing to sacrifice one to get the other but it isn't that simple He needs time to convince Sam that she loves him too but time is running out for them and everyone else still under control of the Network The enemy wants all of them gone and they'll go to any length to accomplish that goal They'll even infect the males with the rage disease A Thrilling Conclusion Will these ill-fated lovers bring an end to their common enemy or will the Network kill them all and finally succeed in conquering the entire world No matter what happens all of them will be forever changed

There's no denying destiny. For too long Benjamin Reese has masked his deadly skills and temper with loyalty and humor. A vampire demon hybrid, he fiercely protects his family, guards his brothers, and destroys the enemy without mercy. But when he discovers one fragile, beautiful blonde—a woman once mated to a Kurjan—no less, every primal instinct he has buried for centuries roars to life. With the mating mark she roused on his hand, entwining their fates, no one will prevent him from keeping her safe and making her his forever. Or desire. Karma wishes she could remember her last name. Or if she even had one. All she has in this confusing new world is a desperate duty to save the innocent. That means destroying the dark, dangerous, and desirable Benjamin Reese and everything he loves, an impossible task even before his touch arouses a passionate hunger she can't afford. She's certain a deadly enemy watches her every move, but it's not until Benny kisses her that she tastes true danger. Spicy romantic interplay, highly recommended. Library Journal on Vampire's Faith. Sizzling sex scenes and a memorable cast. Publishers Weekly on Claimed. A fast-paced excitement-filled explosion of action. Zanetti keeps getting better. RT Book Reviews on Marked. 4.5 Stars.
