Craciun, 2005-08-01 British Women Writers and the French Revolution provides an overview of a wide range of British women's writings on the French Revolution from writers sympathetic to the Revolution like Mary Robinson Helen Maria Williams and Charlotte Smith to anti revolutionary writers like Hannah More and Jane West Based on new research in French and British archives and libraries the book uncovers little known writings by British women and argues that these writers developed a distinct antinationalism in some cases even a feminist cosmopolitanism in their responses to the European revolutionary crisis Fatal Women of Romanticism Adriana Craciun, 2002-12-12 Incarnations of fatal women or femmes fatales recur throughout the works of women writers in the

Romantic period Adriana Craciun demonstrates how portrayals of femmes fatales or fatal women played an important role in the development of Romantic women's poetic identities and informed their exploration of issues surrounding the body, sexuality and politics. Craciun covers a wide range of writers and genres from the 1790s through the 1830s. She discusses the work of well-known figures including Mary Wollstonecraft as well as lesser-known writers like Anne Bannerman. By examining women writers, fatal women in historical, political and medical contexts, Craciun uncovers a far-ranging debate on sexual difference. She also engages with current research on the history of the body and sexuality, providing an important historical precedent for modern feminist theory's ongoing dilemma regarding the status of woman as a sex.

The Father's Heart on Homosexuality Walter L. Smith III, 2022-02-09 *The Father's Heart on Homosexuality* seeks to build strong community bridges for eternity by effectively and efficiently ministering to the needs of the most vulnerable in society. The Rev. Walter L. Smith III sends a clear and concise message to society about God's perfect, unrelenting and unchanging love for faithfully redeeming LGBTQIA persons who are hurting, lost, confused and struggling. His commitment to supporting the LGBTQIA and Christian communities began after a special invitation from a relative by marriage that shared his desires to build community bridges, conduct targeted discipleship and advocate on behalf of the most vulnerable in the LGBTQIA community in Louisville, Kentucky. In this book, the author answers questions such as: Why is image the starting point of all healthy spiritual development? What does Paul mean by the Spirit gives life? What does it mean to be genuine and authentic in your relationship with God? What about the LGBTQIA genuinely breaks the Father's heart? If you actively refuse to receive God's Perfect Substitutionary Sacrifice and Gift through our Lord and Savior Jesus Christ, nothing in this life will properly heal, be restored or will ever be completely made whole on yours or my behalf. Ezekiel's Message of Hope and Restoration Hei Yin Yip,2021-04-19 The first twenty four chapters of the book of Ezekiel are characterised by vehement declarations of judgement This observation leaves the impression that Ezekiel 1 7 is devoid of references to hope and restoration However there is a redactional stratum in this section that supplemented the texts with material that conveys restoration and hope for the future In Ezekiel 1 7 many of these additions focus on priestly topics The motif of restoration in the redactional material of Ezekiel 3 5 is expressed by the reinstatement of Ezekiel in his priestly role This editorial emphasis on Ezekiel as priest in the redactional material suggests that the redaction was influenced by Zechariah 3 a text that depicts the reinstitution of the exiled Zadokite priesthood Moreover the redactional material of Ezekiel 6 7 drew inspiration from the Law of the Temple in Ezekiel 43 46 as the redactors sought to enhance Ezekiel s priestly role The study provides new insights into how redactors who may have been associated with the Zadokite priesthood inserted the message of hope and restoration into the literary unit Ezekiel 1 7 during the post exilic period
