

REBELS & YANKEES

# THE BATTLEFIELDS OF THE CIVIL WAR

WILLIAM C. DAVIS

"The most readable, authoritative, and beautifully designed illustrated history of the American Civil War. It is a must for the library of anyone interested in that epochal conflict."

—Frederick James M. Thompson, author of the Civil War Illustrated series, King of Prussia, PA

## **Rebels Yankees The Battlefields Of The:**

*Rebels and Yankees* William C. Davis, 1999      **The Battlefields of the Civil War** William C. Davis, 1996 The Battlefields of the Civil War tells the stories of thirteen of the most important battles including First Manassas Shiloh Antietam Vicksburg Gettysburg and the Wilderness William C Davis not only describes the events and outcomes of those great engagements but also delves into the characters of the army commanders revealing in many cases just how much their personalities influenced the actions of their subordinates and ultimately the outcome of the battles themselves Rounding out the narrative are 35 full page color photograph spreads of Civil War artifacts including flags uniforms artillery projectiles and arms 28 color paintings of soldiers in various regiment uniforms and 166 historical photographs      *Yankee Rebel* John G. Barrett, 2017-10-10 This volume makes available a fascinating narrative and a document of singular importance to the study of the Civil War It provides a clear and realistic account of the author's reaction to combat and prison life on Johnson's Island in Lake Erie Originally published 1966 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value      *Yankee Warhorse* Mary Bobbitt Townsend, 2010-03-24 A German born Union officer in the American Civil War Maj Gen Peter Osterhaus served from the first clash in the western theater until the final surrender of the war Osterhaus made a name for himself within the army as an energetic and resourceful commander who led his men from the front He was one of the last surviving Union major general and military governor of Mississippi in the early days of Reconstruction This first full length study of the officer documents how despite his meteoric military career his accomplishments were underreported even in his own day and often misrepresented in the historical record Mary Bobbitt Townsend corrects previous errors about his life and offers new insights into his contributions to major turning points in the war at Vicksburg Chattanooga and Atlanta as well as other battles Townsend draws on battle reports not found in the Official Records on personal papers and on other nonpublished material to examine Osterhaus's part in the major battles in the West as well as in minor engagements She tells how he came into his own in the Vicksburg campaign and proved himself through skill with artillery expertise in intelligence gathering and taking the lead in hostile territory blazing the trail down the west side of the river for the entire Union army and then covering Grant's back for a month during the siege At Chattanooga Osterhaus helped Joe Hooker strategize the rout at Lookout Mountain at Atlanta he led the Fifteenth Corps the largest of the four corps making Sherman's March to the Sea Townsend also documents his contributions in the battles of Wilson's Creek Pea Ridge Arkansas Post Port Gibson Ringgold Gap and Resaca and shows that he played a crucial role in Canby's Mobile Bay operations at the end of the war In addition to reporting Osterhaus's wartime experiences Townsend describes his experiences as a leader in the 1848 1849 Rebellion in his native Germany his frustration during his term as Mississippi's governor and his stint as U S consul to France during the

Franco Prussian War Osterhaus stood out from other volunteer officers in his understanding of tactics and logistics even though his careful field preparation led to criticism by historians that he was unduly cautious in battle Yankee Warhorse sets the record straight on this important Civil War general as it opens a new window on the war in the West **The Rebel Yell & the Yankee Hurrah** John W. Haley, 2014-09-07 On an I will if you will dare John Haley enlisted in the 17th Maine Regiment in August 1862 for three years unless sooner discharged Discharged shot or starved would have been more accurate Haley later wryly observed Though a reluctant soldier at first he served steadfastly in the Army of the Potomac for nearly three years participating in some of the most significant battles of the Civil War John Haley was not the only soldier to record each day's events in his journal by firelight or by picket's lantern for his was a literate generation He was unusual in that he later painstakingly rewrote his battlefield notes reflecting at leisure and adding fascinating political and personal commentary to produce the remarkable volume he calls Haley's Chronicles *Yankees and Rebels* Steven Anthony Otfinoski, 2015-02-01 Powerful leaders emerged during the victories and defeats of the Civil War Meet the people who planned the battles led the attacks and shaped the war between the Yankees and the Rebels Meets Common Core standards for analyzing multiple accounts of an event *On the Wings of the Wind* Frank Pancake, 2011-01-06 Experience America before during the early Civil War engagements Real and fictional people react to war its circumstances tragedy and love through the best and worst of times In the end love prevails This novel is about our nation during perhaps its most critical time in history Our nation's leaders were at odds northern leaders and southern leaders failed to reconcile their differences over slavery and other issues Young Robbie Holcomb reared in abolitionist traditions ventures south to further his education He finds friendships and love as well as minor hatred and bigotry Even so he finds more good than bad in his southern life experience Subsequently when civil war comes Robbie finds himself in the Confederate army The story is intertwined between fact and fiction [The Yankee and Rebel Yells](#) J. Harvie Dew, 1892 **The Reluctant Rebels** Jerry W. McDonald, 2000-07-11 In 1861 The Whitlow Brothers of Texas felt they were living near perfect lives They enjoyed the outdoor work on the family ranch they were well paid for their efforts and they knew beautiful girls who enjoyed their company The future held such wonderful promise until the politicians destroyed the American dream War amongst ourselves has to be evidence of ultimate failure Uncompromising politicians were forcing the citizens of America to fight each other in a war As far as the Whitlow boys were concerned they should have locked all the politicians in a barn and told them No one comes out until you reach an agreement to do something other than wage war U S citizenship and Texas citizenship are both held very precious Why would anyone in his right mind be willing to give up either The boys thought their father had the best idea He had said If the politicians want a war we ought to make them fight it amongst themselves instead of getting all of the American people involved That of course didn't happen When personal involvement in the Civil War could no longer be avoided the Whitlow Brothers made the difficult decision to join their friends and neighbors in defending the South which the

North had invaded If the slavery issue had been the only consideration they would have gladly fought on the Union side Slavery was not an issue for most Southerners Only about ten percent of all Southerners held slaves The problem was the ten percent who did were for the most part the wealthy people who had the most influence with the Southern politicians It appears that the problem of special interest groups was a plague even then Determining how they could best serve the South was not a major problem The Cavalry was the logical choice since they had been on horseback most of their lives The Texas Eighth Cavalry also known as Terrys Texas Rangers was the unit they chose History reveals the Terrys Texas Rangers were marvelous horsemen and fierce fighters Many considered them the best cavalry unit on either side in the Civil War Their level of accomplishment in battle led them to become the most feared and most hated adversary of many in the Union Army Such success did not come without casualties The Regiment began with over eleven hundred members at the end of the Civil War less than three hundred had survived The Whitlows faced the gamut of emotions as they waged this senseless war and came to realize that being the best at what you do does not guarantee a final victory Fiction can not do justice to the actual experiences of the Terry Texas Rangers but the chronology of events and the battle activities of the actual unit must have been very similar to those recorded on the pages of this book **Unusual Battles of the Civil War** John A.

Kaufhold,2004-12 Exciting stories from Civil War History Congressional Record United States. Congress, The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **Battles of Destiny 2-in-1 Vol. 3** Al Lacy,2009-10-14 Dramatic Tales of Love and Civil War The Battles of Destiny series is now available in four attractive two in one volumes Bestselling author Al Lacy packs each dramatic novel in the popular historical fiction series with heartwarming romance and solid moral values Set during the Civil War these are the tales of families soldiers nurses and spies as they contend with the deadly threats posed by war and the eternal hope that springs from love Fast moving and historically accurate these stories appeal to men and women who enjoy a trip back in time Now longtime and new Lacy fans can purchase the entire Battles of Destiny classics and enjoy hours of endless reading pleasure The Civil War Joy From Ashes Battle of Fredericksburg While fighting to defend his home and family against Union attack Major Lane Dalton learns that enemy soliders have brutalized his wife Tragically the actions of three cruel hearted Hegland brothers have caused not only the suffering of his bride but also the death of Layne and Melody s unborn son Thirsting for vengeance the young major vows to bring judgment upon those responsible yet surprising circumstances make Dalton presumed dead by his wife and fellow soliders a prisoner of the very men he swore he would destroy Season of Valor Battle of Gettysburg As teenagers Shane Donovan and Ashley Kirino promise to love each other forever But when Ashley s parents decide to return to Ireland and take their daughter with them the

sweethearts sadly bid each other farewell and accept their fate After several years both have found other loves and married So when Ashley returns to Maine and the friendship between the two is rekindled Shane and Ashley find that a new kind of love is needed to overcome the sprouting seeds of tragedy in their freshly intertwined lives Story Behind the Book While studying American history in high school I was struck with a strange fascination for the Civil War That fascination grew stronger when I studied it again in college and I have visited many of the sites where the battles took place When I visited the Appomattox Court House in Virginia where General Robert E Lee signed the documents of surrender before General Ulysses S Grant I was struck with the thought of creating a series of novels based upon specific battles in the Civil War I wanted to mold fictional characters with real ones and fill the stories with romance suspense intrigue and the excitement of battle That is how the Battles of Destiny series came to be Al Lacy     *The Opening Battles* Kevin Campbell,2016-06-10 Author Kevin Campbell in this work examines in detail the swirling cavalry fight at Brandy Station He also gives a lucid well written account of the debacle that befell Robert H Milroy and his ill fated division at Winchester and Carters Woods Those battles bloody in their own right were soon relegated to the back pages when the horrific Battle of Gettysburg began dominating the press and the postwar reminiscences of the veterans We can learn much from this new work with its treasury of pertinent eyewitness accounts and clear prose His skill in digging through the regimentals official records diaries and other materials is evident as well as his ability to interweave them into a cohesive narrative that brings the battles personalities and long hours of marching to light     **The Fourth Battle of Winchester** Richard M. McMurry,2002 This text using a counterfactual account of the 1864 campaigns in Virginia presents a view of the American Civil War from the West moving the narrow confines of the Old Dominion to the vast Trans Appalachian region and gives the reader an understanding of how and why the war ended     **The Illustrated Battle Cry of Freedom : The Civil War Era** James M. McPherson George Henry Davis '86 Professor of History Princeton University,2003-11-06 Winner of the 1988 Pulitzer Prize for History and a New York Times Bestseller Battle Cry of Freedom is universally recognized as the definitive account of the Civil War It was hailed in The New York Times as historical writing of the highest order The Washington Post called it the finest single volume on the war and its background And The Los Angeles Times wrote that of the 50 000 books written on the Civil War it is the finest compression of that national paroxysm ever fitted between two covers Now available in a splendid new edition is The Illustrated Battle Cry of Freedom Boasting some seven hundred pictures including a hundred and fifty color images and twenty four full color maps here is the ultimate gift book for everyone interested in American history McPherson has selected all the illustrations including rare contemporary photographs period cartoons etchings woodcuts and paintings carefully choosing those that best illuminate the narrative More important he has written extensive captions some 35 000 words in all virtually a book in themselves many of which offer genuinely new information and interpretations that significantly enhance the text The text itself streamlined by McPherson remains a fast paced narrative that brilliantly captures two decades of

contentious American history from the Mexican War to Lee's surrender at Appomattox. The reader will find a truly masterful chronicle of the war itself: the battles, the strategic maneuvering on both sides, the politics, and the personalities as well as McPherson's thoughtful commentary on such matters as the slavery expansion issue in the 1850s, the origins of the Republican Party, the causes of secession, internal dissent, and anti-war opposition in the North and the South, and the reasons for the Union's victory. A must-have purchase for the legions of Civil War buffs. *The Illustrated Battle Cry of Freedom* is both a spectacularly beautiful volume and the definitive account of the most important conflict in our nation's history. [A Mississippi Rebel in the Army of Northern Virginia](#) Thomas D. Cockrell, Michael B. Ballard, 2001-09-01 Born the eighth child in a wealthy Mississippi plantation family in 1843, David Eldred Holt joined Company K of the 16th Mississippi Regiment in 1861 and served in the Eastern theater throughout the Civil War. Late in his life, at a time when many former soldiers, both Union and Confederate, were reliving their memories of that event, Holt penned this memoir recounting the idyllic life of an affluent southern boy before the war and the exhilarating, sometimes humorous, often terrifying experiences of a common soldier in camp and in battle. This new edition has been expanded to include Holt's never-before-published diary entries from the last year of the war. **Battlefields of the Civil War** Roger William Hicks, Frances E. Schultz, 1989 A guidebook to the major battlesites of the Civil War. Combines practical information with a historical perspective. *Hail Columbia, the Flag, and Yankee Doodle Dandy* William Thomas Roberts Saffell, 1864 [Skim Milk Yankees Fighting](#) Jonathan Kearns Cooper-Wiele, 2007 **Rebel Bulldog** Jason Lantzer, 2018-01-09 Rebel Bulldog tells the story of Preston Davidson, a Northerner who fought for the Confederacy and his family who lived in Indiana and Virginia. It is a story that examines antebellum religion, education, reform, and politics, and how they affected the identity of not just one young man, but of a nation caught up in a civil war. Furthermore, it discusses how a native-born Hoosier reached the decision to fight for the South while detailing a unique war experience and the postwar life of a proud Rebel who returned to the North after the guns fell silent and tried to remake his life in a very different state and nation than the ones he had left in 1860. Using the lives of Preston and his family as a lens to help us glimpse the past, Rebel Bulldog delves into the human experience on multiple levels, asks us to reconsider what we think we know of the Civil War, and complicates while it complements the existing literature. It is a story that perhaps could only have happened in Indiana.

If you ally compulsion such a referred **Rebels Yankees The Battlefields Of The** book that will offer you worth, acquire the agreed best seller from us currently from several preferred authors. If you desire to hilarious books, lots of novels, tale, jokes, and more fictions collections are with launched, from best seller to one of the most current released.
