## **Rebirth For Christianity:**

*A Rebirth for Christianity* Alvin Boyd Kuhn, 2008-04-25 The search to uncover the hidden origins of Christianity and discover its true message has become a current topic of fascination for many readers. People are eager to know the truths behind the biblical legends and the mysteries that created Christian rites, ceremonies, and codes of behavior. Kuhn argues that the sacred scriptures of Judaism and Christianity do not portray historical truths but symbolic and mystical metaphors. The spiritual truth encoded in scripture, says Kuhn, is far more important than its literal narrative. Kuhn's research provides a clear understanding of the allegorical interpretations of the scriptures and their significance to a deeper, more profound Christianity. He traces the historical and philosophical origins of Christian thought to illustrate that Jesus was one of many incarnations of an enduring archetype that has surfaced in many religions. In fact, those who wrote the scriptures may have never even intended the focus to be on Jesus, the man. Moreover, Kuhn investigates the problems, psychological, spiritual, and otherwise, that result from a purely historical interpretation of Jesus. In doing so, Kuhn reclaims the mystical power at the core of Christianity's message, which has to do with the birth of the inner Christ and the emergence of divine consciousness in humanity.

**Reincarnation in Christianity** Geddes MacGregor, 1990-03-09 In this exciting landmark work, MacGregor delves into the annals of Christian history to demonstrate that Christian doctrine and reincarnation are not mutually exclusive belief systems.

**Rebirth And Rejoice** Tina A. Swain, 2011-11-29 *Rebirth and Rejoice* is intended to inform people of the newness and awkwardness of becoming a Christian as written by a layperson, not a pastor or minister. It is believed that the experiences written herein are the same or similar to those of most every Christian or any person who has had questions about Christianity. This book gives accounts of where being born again may not be popular, but an individual is able to rejoice once they have gone through certain growing pains and experiences that culminate in a stronger relationship with God. This book takes you on a journey in your Christian walk. The journal pages are meant to assist you in realizing some things about yourself personally, spiritually, and emotionally so that you may make any changes along the way. This journal can be reflected upon again and again once you have become a mature Christian and are able to look upon how far you've come.

**The Surprising Rebirth of Belief in God** Justin Brierley, 2023-09-12 Could We Be Witnessing a Return of Belief in Our Generation? Justin Brierley is convinced that in our time we are witnessing a growing wave of faith. Famously described as the long withdrawing roar of the Sea of Faith, the Christian narrative that shaped the West has been replaced by sweeping secularism. But is that the end of the story? It was a conversation with agnostic journalist Douglas Murray that led Brierley to investigate whether a change was on the horizon. Speaking of the Sea of Faith, Murray remarked that tides come back in again and that a number of his intelligent friends had converted to Christianity in recent years. Brierley was seeing a similar trend among the secular thinkers he had interviewed: Jordan Peterson, Tom Holland, Dave Rubin, and many others have found themselves surprised by the continuing resonance and relevance of Christianity and they are joining in on conversations.

about faith Readers will encounter Brierley s discussion of cultural trends and concepts including The meaning crisis Public intellectuals embracing faith Why the Christianity story is ready to return And much more In The Surprising Rebirth of Belief in God Brierley outlines the dramatic fall of New Atheism and the birth of a new conversation on whether God makes sense of science history culture and the search for meaning People are returning to Christianity but is the church prepared to welcome a new wave of faith There s a new conversation building The tide is coming     Unmasking the Pagan Christ Stanley E. Porter, Stephen J. Bedard, 2006 Rabbi or Messiah Prophet or the Son of God People have debated the identity of Jesus of Nazareth since the first century But what if there was no Jesus What if there was no Mary or Joseph no twelve apostles What if the story of Jesus was no more than a myth to convey spiritual truth These claims have been around for hundreds of years and have become more prominent with well known religion columnist Tom Harpur s recent book The Pagan Christ Harpur claims that Jesus was not a historical figure but was one version of an ancient myth that can be traced from ancient Egyptian religion to the Roman mystery cults Stanley Porter and Stephen Bedard tackle this radical claim by looking at the roots of the pagan Christ idea examining the supposed pagan parallels and presenting the evidence for the historical Jesus The authors demonstrate that the suggestion of pagan origins for the Gospel story is not based on historical or textual evidence but rather on a desire to create a universalistic spirituality revolving around a Cosmic Christ within each person A fair examination of both the mythological and biblical texts reveal that the traditional understanding of an actual historical figure known as Jesus of Nazareth appearing two thousand years ago is indeed the only logical conclusion Stanley E Porter is President and Dean and Professor of New Testament at McMaster Divinity College Hamilton Ontario Canada Porter has M A degrees from Claremont Graduate School and Trinity Evangelical Divinity School and the Ph D from the University of Sheffield He has written widely on issues of concern in study of the New Testament such as Jesus Paul the book of Acts and John He has a passion for education in the church and preaches and teaches regularly Stephen J Bedard is the pastor of Woodford Baptist Church and First Baptist Church Meaford Ontario Canada He holds the M Div and M Th degrees from McMaster Divinity College and is actively engaged in further graduate study Bedard is an advocate of informed preaching and teaching and is devoted to the ministry of the local church     **The Rebirth of Religion** John Herman Randall, 1909     *The Rosicrucian Cosmo-conception; Or, Mystic Christianity, an Elementary Treatise Upon Man's Past Evolution, Present Constitution and Future Development* Max Heindel, 1929     Nothing Merciful Than Reincarnation Kevin R Williams, 2019-05-25 Part 1 is an introduction to reincarnation in Christian history including the biblical evidence of John the Baptist as the reincarnation of Elijah the Prophet The religious concept of the Resurrection of the Dead a massive worldwide reanimation of corpses at the end of time is a foreign concept originating from ancient Persia not Judaism or Christianity Part 2 describes more biblical reincarnating prophets and other holy people also Jesus teachings on bodily and spiritual rebirth Jesus taught Nicodemus that You must be born again which has a literal meaning of bodily rebirth reincarnation but is also used metaphorically to

mean spiritual rebirth regeneration by the Holy Spirit Part 3 proves it is God's will that everyone is saved which can only realistically occur through reincarnation Part 3 also describes how God's law of divine justice also known universally as karma is the same as the law of reincarnation Universal salvation like preexistence and reincarnation was widely believed by Christians and Jews during the first 500 years of Christianity and was championed by the early Church Father Origen Part 4 describes the biblical case of how God's demand for human perfection and holiness can only realistically occur through reincarnation Part 4 also describes how God's salvation and judgment according to works also can only realistically occur through reincarnation The belief in the soul resting in peace until a final corpse resurrection at the end times makes any personal identity of the soul salvation and personal spiritual growth after death impossible Part 5 describes the biblical doctrines of the preexistence of the soul and the Christian mystery of God within human beings as important principles involving Christian reincarnation The nature of an eternal immortal and indestructible human soul spirit shows that all human beings partake in the divine spirit as Jesus did Jesus taught the Kingdom of God is within you Luke 17:20-21 which implies divinity within humanity An immortal human soul spirit makes reincarnation a necessity The Bible describes a Trinity the Father Son and Holy Spirit three parts of Christ the Mind of Christ the Body of Christ and the Spirit of Christ and three dimensions of God light life and love which the three dimensional enlightened Christian shares mind body and spirit Part 6 describes more reincarnating biblical personalities including fallen angels as reincarnating human beings Fallen angels reincarnating as human beings including Satan and the fallen human soul are described in the Bible the Book of Enoch the Book of Jubilees and the New Testament Apocrypha Part 7 describes the biblical case for the past lives of Jesus Christ as King David Melchizedek Joseph and Adam Part 7 includes a final summary of this the book and a final conclusion by the author Both David and Jesus share titles such as the anointed one Messiah the Holy One only begotten son firstborn Root of Jesse priest of Melchizedek and most exalted king of the Earth The Bible clearly states that David himself will be reincarnated in the Last Days Hosea 3:4-5 Ezekiel 34:13-24 Ezekiel 37:22-24 Jeremiah 30:1-9 In Acts 15:12-19 the apostle Peter equated rebuilding David's fallen tent with the resurrection of Jesus body In the Bible tent is a metaphor for the human body 2 Corinthians 5:1-2 Peter 1:12-13 Part 8 provides references resources and links related to reincarnation and Christian reincarnation in particular Internet links to websites provided include reincarnation main websites and researchers references

obvious because its transformation has not been as in Africa and Asia the sudden and massive growth of a new religion It has been rather a simultaneous revitalization and fragmentation that threatened awakened and ultimately brought to a greater maturity a dormant and parochial Christianity The rapid growth of Protestantism especially Pentecostalism forced Catholics to adopt a more active and dynamic approach to their religion Although many Catholics left their church to become Pentecostals many others responded to the Protestant challenge by joining new Catholic movements Today Latin American Christianity is so energized that the region is sending missionaries to Africa Europe and the United States In *The Rebirth of Latin American Christianity* Todd Hartch examines the changes that have swept across Latin America in the last fifty years and situates them in the context of the growth of Christianity in the global South *The Rosicrucian Cosmo-conception, Or, Mystic Christianity* Max Heindel, 1911 *The Rebirth of Orthodoxy* Thomas C.
