The Restoration of Israel

Michael E. Fuller,2012-02-14 This study identifies and explores texts of restoration in a wide selection of Early Jewish Literature in order to assess the variety of ways in which Jews envisioned Israel s future restoration Particular attention is given to the expression of restoration in what is identified in the present study as the exilic model of restoration In this model Israel s restoration is characterized by the features of a a future re gathering b the fate of the nations and c the establishment of a new Temple The present work focuses primarily on the first two features Through this framework Jews in the Greco Roman period could draw on Israel s history and legacy but re appropriate exile and return in new and creative ways Finally the writing of Luke Acts is investigated for its ideas of restoration and its indebtedness to Early Jewish traditions

The Land of Israel in the Book of Ezekiel Wojciech Pikor,2018-05-31 Pikor anaylzes the land of Israel in the book of Ezekiel showing how its preoccupation with the Babylonian exile and the loss of the Promised Land that this entails is directly linked to the danger this poses to Israel s covenant with God Pikor examines the motif of land in its literary and historical contexts and in relation to the oracles of salvation in chapters 34 39 as well as the vision of the new Israel and the return of Yahweh s Glory to the temple Pikor begins by examining the motif of land in its literary and historical contexts The main body of the book then addresses specific sections of Ezekiel Chapter two analyzes the oracles of punishment addressed to Israel in which the land undergoes a process of anthropomorphization Chapter three situates the punishment experienced by Ezekiel and his listeners in a broader historical context suggested by the prophet in Ezekiel 20 Chapter four analyses the oracles of salvation in Ezekiel 34 39 in which the restoration of the land of Israel remains intertwined with the promise of the new covenant Finally chapter five addresses the closing vision of the new Israel Ezekiel 40 48 which is characterized by the territorial dimension of the future restoration This feature is shown via analysis of the rhetoric of the land the crucial element of which is the return of Yahweh s Glory to the temple God s presence adds sacral value to the land in which his covenant with his people is to be realized The covenant will be finalized through Israel s repopulation of the renewed land

The Future Restoration of Israel Stanley E. Porter,Alan E. Kurschner,2023-06-02 This volume is the most extensive of its kind as a major set of collected essays from a wide range of scholars on the question of the promises of God to Israel These essays put forward the position that unconditional promises were given to Israel which have not been fulfilled in the church or any other entity At the consummation there will be a continuing role for the Jews realized through their national and territorial hope of

a restored redeemed Israel This volume contains an eclectic group of contributors who have reached this position from various approaches to interpretation The essays exhibit both positive argumentation and engagement with supersessionist literature *The Coming Captivity and Restoration of Isreal* Rabbi Allan Moorhead,2016-11-01 Messianic Rabbi Allan Moorhead explores and dissects the books of the Bible to expound on revelations concerning the captivity and restoration of Israel While many believe the famous 1948 Arab Israeli War was the complete fulfillment of the prophetic passages in Zechariah and Daniel Rabbi Allan exegetes through thought provoking evidences that there is more to take place before we see the restoration of the Israeli nation and poignantly correlates it to end time Bible prophecy End time Prophecies have proven to be an imperfect study since all has not been revealed to God s people yet We cannot understand prophecy in its entirety without understanding the history of Israel how it has affected many nations and brought us where we are today

Israel Digest ,1954 **Restoration** James Scott,2021-10-01 The restoration of Israel is one of those subjects which although crucial to our understanding of early Judaism has not received the focused attention it needs and deserves These seminal essays written by an international group of eminent scholars introduce the reader to the subject of restoration in a roughly chronological approach beginning with the formative period the Old Testament followed by the Greco Roman period formative Judaism and early Christianity These essays endeavor not merely to survey what is currently known about the subject from various vantage points but rather to extend what is knowable in each case This volume will stimulate much interest in the subject of restoration and will shape the future course of the scholarly discussion **Rebuilding the Land of Israel (a Haven for Jewish Wanderer, a Homestead for the Jewish Pioneer).** United Palestine Appeal,1926 **All Things New** Gene L. Green,Stephen T. Pardue,K. K. Yeo,2019-09-30 The Christian faith presents a distinctive vision of last things that God in Christ aims to reconcile the world to himself and through his Spirit and a new people to set all things to right This good news is for all nations and peoples but for too long the Christian doctrine of eschatology has focused on debates and arguments rooted solely in the Western church In All Things New leading theologians and biblical scholars from Africa Asia Latin America and North America offer readers a glimpse of how Christians around the globe are perceiving and describing the Christian hope The result is a remarkably refreshing and distinctive vision of eschatology guaranteed to raise new questions and add new insights to the global church s vision of the eschaton Rebuilding a Post-exilic Community Chingboi Guite Phaipi,2019-09-19 The book of Ezra is generally known for its negative and exclusivist attitude towards the other Others are the cause of dread in one part of the book and in another part they are adversarial Furthermore Ezra commands that foreign wives and their children be sent away Yet the book of Ezra also features an exceptional account of welcome In Rebuilding a Post exilic Community Chingboi Guite Phaipi examines what drives negative attitudes toward the other and argues that beneath the presence of different attitudes toward the other within the book of Ezra lies a coherent foundation That is negative attitudes toward others make sense in light of the community s strong self perception in the book

of Ezra *The Restoration of Israel* Gerhard Falk, 2006 The restoration of Israel to the Holy Land was originally an English Protestant idea Jewish Zionism came later and succeeded only because of the Holocaust The principal impetus for the promotion of a Jewish return to Zion was religious and began with the translation of the Bible from the Hebrew to English by Tindale Because literature in the English language depicted Jews almost always in an unfavorable light both British and American religious and political leaders were ambivalent about Jews Nevertheless the religious impulse to restore Israel became political in the twentieth century and succeeded with the establishment of the Jewish state in 1948 **The Land of Israel** Edward Lipiński, 1985 These proceedings of the conference held in Brussels to mark the twenty fifth anniversary of the Institute of Archaeology Queen Elisabeth of Belgium at the Hebrew University of Jerusalem contains ten substantial studies dealing with the archaeology and history of the Land of Israel and its cultural milieu in biblical times The main purpose of the conference stressed in the title of the volume was to show the rich variety of civilizations that met in this region and influenced its culture The impact of Bronze Age Palestine Syria Egypt the Philistines the Persians the Hellenistic Seleucids and of course the Hebrew kingdoms of Israel and Judah made the Land of Israel indeed to a cross road of civilizations The New Jerusalem in the Book of Revelation Pilchan Lee, 2001 There is a development between expectation for the rebuilding of the New Jerusalem Temple in the Old Testament and the coming of the New Jerusalem Temple in Revelation In Revelation there is a dynamic relation between the New Jerusalem and the Heavenly Jerusalem the New Jerusalem is the descent of the Heavenly Jerusalem Moreover there is no Temple building which was expected as the eschatological promise in the Old Testament but rather God and the Lamb is the Temple How can this shift be explained Pilchan Lee examines the exegetical tradition which existed between the Old Testament and Revelation He assumes that as the exegetical tradition the early Jewish apocalyptic literature functions as a key element for forming the idea of the New Jerusalem in Revelation John's main argument is that the church which is symbolized by several images is placed in heaven now chapters 4 20 and the church which is symbolized by the New Jerusalem will descend to the earth from heaven in the future 21 22 **Contemporary Catholic Approaches to the People, State, and Land of Israel** Gavin D'Costa, Faydra Shapiro, H. B. Pierbattista Pizzaballa, 2022-02-18 After Vatican II the Roman Catholic Church began a process of stripping away anti Jewish sentiments within its theological culture One question that has arisen and received very scant attention regards the theological significance of the founding of the state of Israel in 1948 and the attendant nakba the plight of the Palestinian people Some American evangelical Christians have developed a theology around the state of Israel associating themselves with Zionism Some Christian groups have developed a theology around the suffering of the Palestinian people and demand resistance to Zionism This unique collection of essays from leading Catholic theologians from the United States Germany France Italy Switzerland England and the Middle East reflect on the theological status of the land of Israel These essays represent an exhaustive range of views None avoid the new Catholic theology regarding the Jewish people Some contributors see this as

leading towards a positive theological affirmation of the state of Israel while distancing themselves from Christian Zionists All contributors are committed to rights of the Palestinian people Some affirm the need for strong diplomatic and political support for Israel along with equal support for Palestinians arguing that this is as far as the Church can go Others argue that the Church s emerging theology represents the guilt conscience of Europe at the cost of the Palestinian people None deny the right of Jews to live in the land Two Jewish scholars respond to the essays creating an atmosphere of genuine interfaith dialogue which serves Catholics to think further through these issues Whose Promised Land Colin Chapman,2015-07-17 The conflict between Israel and the Palestinians has profoundly affected the Middle East for almost seventy years and shows no sign of ending With two peoples claiming the same piece of land for different reasons it remains a huge political and humanitarian problem Can it ever be resolved If so how These are the basic questions addressed in a new and substantially revised fifth edition of this highly acclaimed book Having lived and worked in the Middle East at various times since 1968 Colin Chapman explains the roots of the problem and outlines the arguments of the main parties involved He also explores the theme of land in the Old and New Testaments discussing legitimate and illegitimate ways of using the Bible in relation to the conflict This new and fully updated edition covers developments since 9 11 including the building of the security wall the increased importance of Hamas and the Islamic dimension of the conflict and the attacks on Lebanon and Gaza

Rebuilding a Land Keren Hayesod,1922 *The Jewish People, the Holy Land, and the State of Israel* Richard C. Lux,2010 Over forty years have passed since the 1965 Second Vatican Council s groundbreaking declaration *Nostra Aetate* which promoted an ongoing and necessary relationship between the Catholic Church and the Jewish people Gathering together the fruits of this interreligious dialogue Richard C Lux reflects on future possibilities and new directions for this relationship by considering the religious significance of the Holy Land This presentation includes an historical overview that traces important developments a paradigmatic shift in understanding to resolve the two covenant versus one covenant model of the Jewish Christian relationship the significance of the Holy Land for Palestinian Christians and Palestinian Muslims and new ways in thinking about a theological model for the modern State of Israel Stimulus Books are made possible by the generous support of the Stimulus Foundation for the publication of books to further the mutual understanding between Jews and Christians Book jacket
