teaching infested Body of Christ back to sound doctrinal health this book also includes a section where there is an antidote against false teaching Those embracing these false teachings must be warned to steer clear of this book as it would greatly infuriate them calling a spade a spade without putting blade using illustrations from the world of Cricket The author s prayer is that the Holy Spirit could possibly cajole and convince such blood bought precious believers through these peppery pages to swiftly abandon these eternity shipwrecking doctrines and wholly embrace biblical balanced sound doctrine
