Romantics At War Glory And Guilt In The Age Of Terrorism

Yitzhak Benbaji, Daniel Statman

Romantics At War Glory And Guilt In The Age Of Terrorism:

Romantics at War George P. Fletcher, 2009-01-10 America is at war with terrorism Terrorists must be brought to justice We hear these phrases together so often that we rarely pause to reflect on the dramatic differences between the demands of war and the demands of justice differences so deep that the pursuit of one often comes at the expense of the other In this book one of the country's most important legal thinkers brings much needed clarity to the still unfolding debates about how to pursue war and justice in the age of terrorism George Fletcher also draws on his rare ability to combine insights from history philosophy literature and law to place these debates in a rich cultural context He seeks to explain why Americans for so many years cynical about war have recently found war so appealing He finds the answer in a revival of Romanticism a growing desire in the post Vietnam era to identify with grand causes and to put nations at the center of ideas about glory and guilt Fletcher opens with unsettling questions about the nature of terrorism war and justice showing how dangerously slippery the concepts can be He argues that those sympathetic to war are heirs to the ideals of Byron Fichte and other Romantics in their belief that nations not just individuals must uphold honor and be held accountable for crimes Fletcher writes that ideas about collective glory and guilt are far more plausible and widespread than liberal individualists typically recognize But as he traces the implications of the Romantic mindset for debates about war crimes treason military tribunals and genocide he also shows that losing oneself in a grand cause can all too easily lead to moral catastrophe A work of extraordinary intellectual power and relevance the book will change how we think not only about world events but about the conflicting individualist and collective impulses that tear at all of us Romantics at War, 2008 America is at war with terrorism Terrorists must be brought to justice We hear these phrases together so often that we rarely pause to reflect on the dramatic differences between the demands of war and the demands of justice differences so deep that the More Than Just War Charles A. Jones, 2013 This book raises questions about the just war tradition through a critical examination of its revival and by juxtaposing it with a literary phenomenology of war Recent public debate about war has leaned heavily on a just war tradition dating back many centuries This book examines the recent revival of that tradition in the United States and Britain arguing that it is less coherent and comprehensive as an approach to the ethical issues arising from war than is generally supposed and that it is inconsistent in important ways with the theology on which it was originally based A second line of criticism is mounted through close readings of modern texts in English from Britain Australia and the USA that together constitute a more subjective bottom up understanding of the moral dilemmas of military life In this second tradition the task of representing war is seen as more problematic and its rationality more questionable than in just war discourse Works by William Shakespeare Sir Walter Scott James Fennimore Cooper Stephen Crane John Buchan Robert Louis Stevenson Joseph Conrad Tim O'Brien and Kurt Vonnegut are featured The book will be of great interest to students and scholars of security studies military studies theology and international relations War By Agreement Yitzhak

Benbaji, Daniel Statman, 2019-10-03 War by Agreement presents a new theory on the ethics of war It shows that wars can be morally justified at both the ad bellum level the political decision to go to war and the in bello level its actual conduct by the military by accepting a contractarian account of the rules governing war According to this account the rules of war are anchored in a mutually beneficial and fair agreement between the relevant players the purpose of which is to promote peace and to reduce the horrors of war The book relies on the long social contract tradition and illustrates its fruitfulness in understanding and developing the morality and the law of war **American Law in a Global Context** George P. Fletcher, Steve Sheppard, 2005 Resource added for the Paralegal program 101101 **Genocide, Mass Atrocity, and War Crimes in Modern History** James Larry Taulbee, 2017-02-06 Defining genocide as an international crime this two volume set provides a comparative study of historical cases of genocide and mass atrocity clearly identifying the factors that produced the attitudes and behaviors that led to them discusses the reasons for rules in war and examines how the five principles laid out in the Geneva Conventions and other international agreements have functioned in modern warfare Written by an expert on international politics and law Genocide Mass Atrocity and War Crimes in Modern History Blood and Conscience is an easy to understand resource that explains why genocides and other atrocities occur why humanity saw the need to create rules that apply during war and how culture rules about war and the nature of war intersect The first volume addresses the history and development of the normative regime s that define genocide and mass atrocity Through a comparative study of historical cases that pay particular attention to the factors involved in producing the attitudes and behaviors that led to the incidents of mass slaughter and mistreatment the author identifies the reasons that genocides and mass atrocities in the 20th century were largely ignored until the early 1990s and why even starting then responses were inconsistent The second book discusses why rules in war exist which factors may lead to the adoption of rules what defines a war crime and how the five fundamental principles laid out in the Geneva Conventions and other international agreements have actually functioned in modern warfare It also poses and answers the interesting question of why we should obey rules when our opponents do not The final chapter examines what actions could serve to identify future situations in which mass atrocities may occur and identifies the problems of timely humanitarian intervention in international affairs *The Grammar of Criminal Law* George P. Fletcher, 2019-09-30 To understand the international legal order in the field of criminal law we need to ask three elementary questions What is international law What is criminal law And what happens to these two fields when they are joined together Volume Two of The Grammar of Criminal Law sets out to answer these questions through a series of twelve dichotomies such as law vs justice intention vs negligence and causation vs background events that invite the reader to better understand the jurisprudential foundations of international criminal law The book will appeal to anyone interested in the future of international cooperation in a time of national retrenchment and will be of interest to students scholars and policymakers around the world **Contemporary Just War** Tamar Meisels, 2017-08-18 This book offers a

renewed defense of traditional just war theory and considers its application to certain contemporary cases particularly in the Middle East The first part of the book addresses and responds to the central theoretical criticisms levelled at traditional just war theory It offers a detailed defense of civilian immunity the moral equality of soldiers and the related dichotomy between jus ad bellum and jus in bello and argues that these principles taken together amount to a morally coherent ethics of war In this sense this project is traditional or orthodox In another sense however it is highly relevant to the modern world While the first part of the book defends the just war tradition against its revisionist critics the second part applies it to an array of timely issues civil war economic warfare excessive harm to civilians pre emptive military strikes and state sponsored assassination which require applying just war theory in practice This book sets out to reaffirm the basic tenets of the traditional ethics of war and to lend them further moral support subsequently applying them to a variety of practical issues This book will be of great interest to students of just war theory ethics security studies war and conflict studies and IR in general

Debating Targeted Killing Tamar Meisels, Jeremy Waldron, 2020-05-14 Known terrorists are often targeted for death by the governments of Israel and the United States Several thousand have been killed by drones or by operatives on the ground in the last twenty years Is this form of killing justified Is there anything about it that should disturb us In this for and against book political theorists Jeremy Waldron and Tamar Meisels engage in extended debate to illuminate these issues They consider the actions of targeting and hunting down named individuals and they address concerns about the possibility of this practice getting out of hand and being extended beyond the realm of counter terrorism

Killing in War Jeff McMahan, 2009-04-23 Killing a person is in general among the most seriously wrongful forms of action yet most of us accept that it can be permissible to kill people on a large scale in war Does morality become more permissive in a state of war Jeff McMahan argues that conditions in war make no difference to what morality permits and the justifications for killing people are the same in war as they are in other contexts such as individual self defence This view is radically at odds with the traditional theory of the just war and has implications that challenge common sense views McMahan argues for example that it is wrong to fight in a war that is unjust because it lacks a just cause

How Dogmatic Beliefs Harm Creativity and Higher-Level Thinking Don Ambrose, Robert J. Sternberg, 2012-04-23 This volume introduces the problem of dogmatism broadly explores the nature and nuances of dogmatic thinking from various disciplinary perspectives and applies the gleaned insights to what is known about creativity and the education of creative young minds

Quest for the Unity of Knowledge David Lowenthal, 2018-11-01 Is unity of knowledge possible Is it desirable Two rival visions clash One seeks a single way of explaining everything known and knowable about ourselves and the universe The other champions diverse modes of understanding served by disparate kinds of evidence Contrary views pit science against the arts and humanities Scientists generally laud and seek convergence Artists and humanists deplore amalgamation as a threat to humane values These opposing perspectives flamed into hostility in the 1950s Two Cultures clash They culminate today in new efforts to conjoin

insights into physical nature and human culture and new fears lest such syntheses submerge what the arts and humanities most value This book stemming from David Lowenthal's inaugural Stockholm Archipelago Lectures explores the Two Cultures quarrel's underlying ideologies Lowenthal shows how ingrained bias toward unity or diversity shapes major issues in education religion genetics race relations heritage governance and environmental policy Aimed at a general academic audience *Quest for the Unity of Knowledge* especially targets those in conservation ecology history of ideas museology and heritage studies

War and Peace in the Jewish Tradition Lawrence H. Schiffman, Joel B. Wolowelsky, 2007 *Indirect Responsibility for Terrorist Acts* Marja Lehto, 2009 The book offers several perspectives to the analysis of the expansion and diversification of international legal responses to terrorism It focuses in particular on the move during the past decade towards more indirect forms of responsibility

The Oxford Handbook of European Romanticism Paul Hamilton, 2016 The Oxford Handbook of European Romanticism focuses on the period beginning with the French Revolution and extending to the uprisings of 1848 across Europe It brings together leading scholars in the field to examine the intellectual literary philosophical and political elements of European Romanticism The volume begins with a series of chapters examining key texts written by major writers in languages including French German Italian Spanish Russian Hungarian Greek and Polish amongst others Then follows a second section based on the naturally interdisciplinary quality of Romanticism encapsulated by the different discourses with which writers of the time set up an internal comparative dynamic These chapters highlight the sense a discourse gives of being written knowledgeably against other pretenders to completeness or comprehensiveness of understanding and the Enlightenment encyclopaedic project Discourses typically push their individual claims to resume European culture collaborating and trying to assimilate each other in the process The main examples featuring here are history geography drama theology language geography philosophy political theory the sciences and the media Each chapter offers original and individual interpretation of individual aspects of an inherently comparative world of individual writers and the discursive idioms to which they are historically subject Together the forty one chapters provide a comprehensive and unique overview of European Romanticism

The Second World Parag Khanna, 2009-02-10 In *The Second World* scholar Parag Khanna chosen as one of *Esquire's* 75 Most Influential People of the Twenty First Century reveals how America's future depends on its ability to compete with the European Union and China to forge relationships with the Second World the pivotal regions of Eastern Europe Central Asia South America the Middle East and East Asia that are growing in influence and economic strength Informed witty and armed with a traveler's intuition for blending into diverse cultures Khanna depicts second world societies from the inside out observing how globalization divides them into winners and losers and shows how China Europe and America use their unique imperial gravities to pull the second world countries into their orbits Along the way Khanna explains how Arabism and Islamism compete for the Arab soul reveals how Iran and Saudi Arabia play the superpowers against one another unmasks Singapore's inspirational role in East Asia and psychoanalyzes the second world

leaders whose decisions are reshaping the balance of power *The Prime-Time Presidency* Shawn J. Parry-Giles, 2010-10-01
 Contrasting strong women and multiculturalism with portrayals of a heroic white male leading the nation into battle *The Prime Time Presidency* explores the NBC drama *The West Wing* paying particular attention to its role in promoting cultural meaning about the presidency and U S nationalism Based in a careful detailed analysis of the first term of *The West Wing* s President Josiah Bartlet this criticism highlights the ways the text negotiates powerful tensions and complex ambiguities at the base of U S national identity particularly the role of gender race and militarism in the construction of U S nationalism Unlike scattered and disparate collections of essays Trevor Parry Giles and Shawn J Parry Giles offer a sustained ideologically driven criticism of *The West Wing* *The Prime time Presidency* presents a detailed critique of the program rooted in presidential history an appreciation of television s power as a source of political meaning and television s contribution to the articulation of U S national identity *Criminal Responsibility for the Crime of Aggression* Patrycja Grzebyk, 2013-10-01
 Since the Nuremberg trial the crime of aggression has been considered one of the gravest international crimes However since the 1940s no defendants have been charged with this crime with some states actively opposing the notion of punishing aggression The option of trying an individual for aggression is expressly included in the statute of the International Criminal Court In 2010 the Assembly of States Parties adopted a definition of the crime of aggression and conditions of the exercise of jurisdiction over this crime by the Court The Assembly also agreed that the decision on including the crime of aggression within the Court s jurisdiction would be made in 2017 at the earliest It is still internationally debatable whether the criminalisation of aggression is an outcome to strive for or whether its abandonment is more preferable In *Criminal Responsibility for the Crime of Aggression* Patrycja Grzebyk explores the scope of criminal responsibility of individuals for crimes of aggression and asks why those responsible for aggression are not brought to justice The book first works to identify the legal norms that define and delegalise aggression before moving to determine the basis and scope for the criminalisation of aggression The book then goes on to identify the key risks and difficulties inherent in trials for aggression Following a string of awards in Poland including the Manfred Lachs Prize for the best first book on public international law this cutting investigation of aggression is now deservedly made available to the wider world In its extensive analysis of international trials on aggression and its synthesis of legal political and historical rhetoric this book offers broad and striking insight into the criminal responsibility of individuals on a world stage **Law, Economics, and Morality** Eyal Zamir, Barak Medina, 2010 This work examines the possibility of combining economic methodology and deontological morality through explicit and direct incorporation of moral constraints into economic models **J. M. Coetzee and Ethics** Anton Leist, Peter Singer, 2010-06-11 This collection takes stock of J M Coetzee s impact from a number of interesting angles Including animals sexuality race and reason The time is truly ripe for such a volume Philosophers Who are interested Coetzee s work will find these essays useful for their own research and readers of Coetzee who share an interest in philosophy will be able to further

Romantics At War Glory And Guilt In The Age Of Terrorism: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read :

Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph.

Romantics At War Glory And Guilt In The Age Of Terrorism : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

Romantics At War Glory And Guilt In The Age Of Terrorism Introduction

In the digital age, access to information has become easier than ever before. The ability to download Romantics At War Glory And Guilt In The Age Of Terrorism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Romantics At War Glory And Guilt In The Age Of Terrorism has opened up a world of possibilities. Downloading Romantics At War Glory And Guilt In The Age Of Terrorism provides numerous advantages over physical copies

of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading *Romantics At War Glory And Guilt In The Age Of Terrorism* has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download *Romantics At War Glory And Guilt In The Age Of Terrorism*. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading *Romantics At War Glory And Guilt In The Age Of Terrorism*. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading *Romantics At War Glory And Guilt In The Age Of Terrorism*, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download *Romantics At War Glory And Guilt In The Age Of Terrorism* has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About *Romantics At War Glory And Guilt In The Age Of Terrorism* Books
