Selected Letters Of William Michael Rossetti:

Selected Letters of William Michael Rossetti Roger W. Peattie, 1990-03-15 William Michael Rossetti 1829 1919 always presented himself as the third Rossetti a civil servant and critic unworthy to be compared with his brother Dante Gabriel and his sister Christina Not everyone has readily accepted Rossetti's evaluation of himself The painter William Rothenstein remembered him as a man whose outlook on life was broad and humane and the only one of the Pre Raphaelites who was sympathetic towards the work of younger writers and painters More recently Professor W E Fredeman has written of him as among the P R B s almost the only man of action and the essential figure in the founding of the Pre Raphaelite Brotherhood and its magazine *The Germ* The publication of this edition of more than six hundred of his letters most of them previously unpublished to such leading literary and artistic figures as Holman Hunt Ford Madox Brown Dante Gabriel and Christina Rossetti Browning Swinburne Whistler and Whitman demonstrates convincingly the range and quality of his friendships his active involvement in the cultural life of Victorian England and the complexity of his character The letters also offer a detailed account of his powerful advocacy of the work of Blake and Shelley of Swinburne and Whitman among his contemporaries and after their deaths of Dante Gabriel and Christina Rossetti Throughout his life Rossetti was intensely aware of the political and social events of his time both in Europe and the United States and the letters contain numerous references to the Crimean Franco Prussian and Boer wars the Paris Commune the American Civil War women's suffrage and Italian unification The letters have been extensively annotated making use of the hundreds of letters by Rossetti not included in the edition his twenty volume diary and the thousands of letters to him preserved in the Angeli Dennis Papers at the University of British Columbia

Weintraub,1996 How could Bernard Shaw have found anything to admire in Queen Victoria Or in the passionate evangelical General William Booth of the Salvation Army What possible connections could there be between Shaw the passionate socialist and the Tory Winston Churchill who seemed to represent everything Shaw should have rejected and despised In Shaw s People noted Shaw scholar Stanley Weintraub explores the relationships between Shaw and twelve of his contemporaries including Queen Victoria Oscar Wilde H L Mencken James Joyce and Winston Churchill Weintraub chose these individuals as lenses through which to look at Shaw but also for the ways in which their lives are illuminated through their often paradoxical relationships with Shaw While Shaw never met Queen Victoria his sovereign during the first forty five years of his life the degree of her influence is apparent in Shaw s reference to himself in his ninth decade as an old Victorian Weintraub explores those in the literary world who interacted with Shaw such as H L Mencken one of Shaw s earliest American fans who turned against his hero at the peak of his transatlantic reputation and James Joyce who was loath to confess his respect for his fellow Irishman He investigates the curious mutual admiration between Shaw and W B Yeats and Shaw s championing of Oscar Wilde despite the vast difference in their lifestyles Weintraub s skillful investigation of each of these twelve relationships illuminates a different facet of Shaw from his pre dramatist years in London through the close of his long life

Transnational Modernity and the Italian Reinvention of Walt Whitman, 1870-1945 Caterina Bernardini, 2021-07-15 This study gauges the effects that Walt Whitman's poetry had in Italy in the period from 1870 to 1945 the reactions it provoked the aesthetic and political agendas it came to sponsor and the creative responses it facilitated But it also investigates the contexts and causes of Whitman's success abroad in the lives backgrounds beliefs and imaginations of the people who encountered it Ultimately it chronicles the evolution of a literature intent on regenerating itself and moving toward modernity Bernardini gives particular attention to women writers and noncanonical writers often excluded from previous discussions of Whitman's Italian reception The book is grounded in archival studies and examination of primary documents which led to a series of noteworthy discoveries While the main focus is on the Italian literary scene the history of the reception retraced here is constantly evaluated in relation to other cultures that were also intent in those same years on reading and recreating Whitman Studying Whitman's reception from a transnational perspective shows how many countries were simultaneously carving out a new modernity in literature and culture In this sense Bernardini not only shows the interconnectedness of various international agents in understanding and contributing to the spread of Whitman's work but more largely a constellation of similar pre modernist and modernist sensibilities This stands in contrast to the notion of

sudden innovation modernity was not easy to achieve and most of all it did not imply a complete refusal of tradition Instead a continuous and fruitful negotiation between tradition and innovation and not a sudden break with the literary past is at the very heart of the Italian and transnational reception of Whitman *The Selected Letters of Katharine Tynan* Damian Atkinson,2016-04-26 A farmer s daughter a convent girl a lover of the Irish countryside a poet novelist and short story writer a journalist a friend of the English during war and peace a fighter for justice a Catholic but able to see and decry the interference of religion in politics this is in part Katharine Tynan Hinkson 1859 1931 usually known as Katharine Tynan who lived in Ireland and England and wrote through the turbulent times of Irish politics suffrage the Great War and civil war in Ireland Her background was rural Ireland her father being a prosperous land owning farmer Educated locally and at a convent she left aged fourteen and spent much time reading and enjoying the countryside which became a foundation for her poetry and storytelling She was aware of the politics of Ireland through her politically active father and she joined the short lived Ladies Land League in 1881 and was a fervent admirer of Charles Stewart Parnell Her first major literary friendship was with her mentor the Jesuit Father Matthew Russell editor of the Irish Monthly who published much of her work He introduced Katharine to the Catholic literary couple Wilfrid and Alice Meynell in London in 1884 a visit which formed a deep love and admiration for Alice The Meynells published much of her poetry in the Weekly Register and Merry England Katharine made many visits to England and settled in England in 1893 after her marriage to Harry Hinkson making it her home until returning to Ireland in 1912 After the Great War she moved between England and Ireland finally settling in London where she died Katharine s life spanned Anglo Irish politics the suffrage movement the Easter Rising of 1916 the Great War her two sons served in the British Army and its aftermath Her letters cover these events and the friendships and correspondence with many literary persons including George William Russell A E G K Chesterton Wilfrid Scawen Blunt Clement King Shorter the writer Frank James Mathew and the novelist May Sinclair An early friend of W B Yeats she was seen as part of the Irish literary revival although in a minor role Throughout her life she suffered from very poor eyesight She published five autobiographies which together with the letters provide us with valuable insight into her life and times

Victorian Poetry and the Culture of the Heart Kirstie Blair,2006-04-27 Victorian Poetry and the Culture of the Heart is a significant and timely study of nineteenth century poetry and poetics It considers why and how the heart became a vital image in Victorian poetry and argues that the intense focus on heart imagery in many major Victorian poems highlights anxieties in this period about the ability of poetry to act upon its readers In the course of the nineteenth century this study argues increased doubt about the validity of feeling led to the depiction of the literary heart as alienated distant outside the control of mind and will This coincided with a notable rise in medical literature specifically concerned with the pathological heart and with the development of new techniques and instruments of investigation such as the stethoscope As poets feared for the health of their own hearts their poetry embodies concerns about a widespread culture of heartsickness in both form

and content In addition concerns about the heart's status and actions reflect upon questions of religious faith and doubt and feed into issues of gender and nationalism This book argues that it is vital to understand how this wider culture of the heart informed poetry and was in turn influenced by poetic constructs Individual chapters on Barrett Browning Arnold and Tennyson explore the vital presence of the heart in major works by these poets including Aurora Leigh Empedocles on Etna In Memoriam and Maud while the wide ranging opening chapters present an argument for the mutual influence of poetry and physiology in the period and trace the development of new theories of rhythm as organic and affective

Literature and Revolution Owen Holland, 2022-03-18 Between March and May 1871 the Parisian Communards fought for a revolutionary alternative to the status quo grounded in a vision of internationalism radical democracy and economic justice for the working masses that cut across national borders The eventual defeat and bloody suppression of the Commune resonated far beyond Paris In Britain the Commune provoked widespread and fierce condemnation while its defenders constituted a small but vocal minority The Commune evoked long standing fears about the continental spectre of revolution not least because the Communards seizure of power represented an embryonic alternative to the bourgeois social order This book examines how a heterogeneous group of authors in Britain responded to the Commune In doing so it provides the first full length critical study of the reception and representation of the Commune in Britain during the closing decades of the nineteenth century showing how discussions of the Commune functioned as a screen to project hope and fear serving as a warning for some and an example to others Writers considered in the book include John Ruskin Edward Bulwer Lytton Eliza Lynn Linton Mary Elizabeth Braddon Anne Thackeray Ritchie Margaret Oliphant George Gissing Henry James William Morris Alfred Austin and H G Wells As the book shows many but not all of these writers responded to the Commune with literary strategies that sought to stabilize bourgeois subjectivity in the wake of the traumatic shock of a revolutionary event The book extends critical understanding of the Commune's cultural afterlives and explores the relationship between literature and revolution
