Paul Gladston

Selected Paintings By Fang Nan:

Deconstructing Contemporary Chinese Art Paul Gladston, 2015-08-21 The book presents a range of articles and discussions that offer critical insights into the development of contemporary Chinese art both within China and internationally It brings together selected writings both published and unpublished by Paul Gladston one of the foremost international scholars on contemporary Chinese art The articles are based on extensive first hand research much of which was carried out during an extended residence in China between 2005 and 2010 In contrast to many other writers on contemporary Chinese art Gladston analyses his subject with specific reference to the concerns of critical theory In his writings he consistently argues for a polylogic multi voiced approach to research and analysis grounded in painstaking attention to local regional and international conditions of artistic production reception and display **Select List of Recent Publications** East-West Center.
