actor and destabilized by family troubles is getting frequent calls from her ex boyfriend and also the narcissistic lecherous television actor who has been recruited to play King Lear in their fall production Also invited to the cast is Malcolm Ruark a disgraced TV anchor muddling through the fallout of a scandal involving his underaged niece and suddenly in an even more precarious situation when the same niece now eighteen is cast to play Cordelia As tensions onstage and off build toward a breaking point the bonds among the intimately drawn characters are put to extraordinary tests and the fate of the theater itself may even be on the line Deftly weaving together the points of view of Thaddeus Claudette and Malcolm and utterly original in its incorporation of Shakespeare s timeless drama Playhouse is an unforgettable story of men and women human frailty art and redemption a work of inimitable imaginative prowess by one of our most renowned storytellers **Living in the Weather of the World** Richard Bausch,2018-03-20 In stories by turns suspenseful comic subtle and profound Richard Bausch probes the fault lines of daily life At three in the morning a man tries not to wake his sleeping wife while fielding calls from his suicidal mistress A successful real estate agent with two grown sons tries an online dating service on a whim and is surprised by the complicated result And after being held up at gunpoint a police officer commiserates with his assailant about their unhappy marriages Wherever he casts his gaze Bausch illuminates shades of human experience that defy understanding *Still Here, Still There* Richard Bausch,2021-01-12 A powerful coda to Richard Bausch s brilliant The New York Times Book Review World War II novel Peace the basis for the film Recon Originally published in Living in the Weather of the World this poignant short story picks up the tale of American GI Robert Marson who was improbably saved from death by a German soldier Eugene Schmidt Seventy two years later the two men are poised to reunite in Washington D C Although they kept in touch after the war it has been decades since their last meeting a meeting which reshaped their relationship and not for the better Now old men with children and grandchildren Marson and Schmidt brace themselves to speak one last time with their families and the world watching A story of nostalgia and regret of memories forgotten and not and of how the past never really leaves us no matter what we may hope Still Here Still There is the dazzling final chapter to one of Richard Bausch s most revered works and a tribute to the enduring legacy of the bravery of the men who fought in the Second World War *Peace* Richard Bausch,2008-04-15 This small masterpiece with the same emotional force and moral complexity as Conrad s Heart of Darkness and Tolstoy s Hadji Murad Colm T ib n inspired the film Recon Italy near Cassino in the terrible winter of 1944 An icy rain continuing unabated for days Guided by a seventy year old Italian man in rope soled shoes three American soldiers are sent on a reconnaissance mission up the side of a steep hill that they discover before very long to be a mountain As they climb the old man s indeterminate loyalties only add to the terror and confusion that engulf them Peace is a feat of storytelling from one of America s most acclaimed novelists a powerful look at the corrosiveness of violence the human cost of war and the redemptive power of mercy **Before, During, After** Richard Bausch,2015-07-21 Although they are separated in age by almost two decades when Natasha a young artist meets Michael Faulk a priest struggling with his
