**Literary Sisters** Verner D. Mitchell,Cynthia Davis,2011-10-18 Harlem Renaissance writer Dorothy West led a charmed life in many respects Born into a distinguished Boston family she appeared in Gershwin s Porgy and Bess then lived in the

Soviet Union with a group that included Langston Hughes to whom she proposed marriage. She later became friends with Jacqueline Kennedy Onassis who encouraged her to finish her second novel *The Wedding* which became the octogenarian author's first bestseller. *Literary Sisters* reveals a different side of West's personal and professional lives, her struggles for recognition outside of the traditional literary establishment and her collaborations with talented African American women writers, artists, and performers who faced these same problems. West and her literary sisters, women like Zora Neale Hurston and West's cousin poet Helene Johnson, created an emotional support network that also aided in promoting publishing and performing their respective works. Integrating rare photos, letters, and archival materials from West's life, *Literary Sisters* is not only a groundbreaking biography of an increasingly important author but also a vivid portrait of a pivotal moment for African American women in the arts.

the first decades of this century a period after Reconstruction and before the Harlem Renaissance when a new generation of African Americans continued the struggle against injustice violence and hypocrisy and strove for the betterment of their race The poetry of these writers while to some extent conventional even derivative is nevertheless noteworthy for what Pemberton in her introduction calls its emphatic proclamation of self worth dignity and membership in a community of upstanding and proud black people BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
