Selected Works Of Jawaharlal Nehru Second Series Vol 28 1 February 31 May 1955:

The Cold War in South Asia Paul M. McGarr, 2013-08 This book traces the rise and fall of Anglo American relations with India and Pakistan from independence in the 1940s to the 1960s Spying in South Asia Paul M. McGarr, 2024-09-12 In this first comprehensive history of India's secret Cold War Paul McGarr tells the story of Indian politicians human rights activists and journalists as they fought against or collaborated with members of the British and US intelligence services The interventions of these agents have had a significant and enduring impact on the political and social fabric of South Asia The spectre of a foreign hand or external intelligence activity real and imagined has occupied a prominent place in India's political discourse journalism and cultural production Spying in South Asia probes the nexus between intelligence and statecraft in South Asia and the relationships between agencies and governments forged to promote democracy McGarr asks why in contrast to Western assumptions about surveillance South Asians associate intelligence with covert action grand conspiracy and justifications for repression In doing so he uncovers a fifty year battle for hearts and minds in the Indian subcontinent The Making of Indian Diplomacy Deep K. Datta-Ray, 2015-05-21 Breaks from the argument that for Indians the moment of colonial liberation was a false one as the colonized had internalized European practices **Eisenhower & Cambodia** William J. Rust, 2016-06-10 This historical study examines America's Cold War diplomacy and covert operations intended to lure Cambodia from neutrality to alliance Although most Americans paid little attention to Cambodia during Dwight D Eisenhower's presidency the global ideological struggle with the Soviet Union guaranteed US vigilance throughout Southeast Asia Cambodia's leader Norodom Sihanouk refused to take sides in the Cold War a policy that disturbed US officials From 1953 to 1961 his government avoided the political and military crises of neighboring Laos and South Vietnam However relations between Cambodia and the United States suffered a blow in 1959 when Sihanouk discovered CIA involvement in a plot to overthrow him The failed coup only increased Sihanouk's power and prestige presenting new foreign policy challenges in the region In Eisenhower and Cambodia William J Rust demonstrates that covert intervention in the political affairs of Cambodia proved to be a counterproductive tactic for advancing the United States anticommunist goals Drawing on recently declassified sources Rust skillfully traces the impact of plausible deniability on the formulation and execution of foreign policy His meticulous study not only reveals a neglected chapter in Cold War history but also illuminates the intellectual and political origins of US strategy in Vietnam and the often hidden influence of intelligence operations in foreign affairs **Selected Works of Jawaharlal Nehru: 1 Feb.-31 May 1955** Jawaharlal Nehru, 1984 This volume covers nearly eleven weeks from October 6 1948 when Nehru left India for London to attend the Commonwealth Prime Ministers Conference to December 19 when the annual session of the Indian National Congress at Jaipur concluded It collects Nehru's addresses and articles related to this stressful time in world history Among his articles are support for the causes of Indonesia and the Africans in their battles against alien rulers arguments for the continued membership of India in the

Commonwealth and a piece on the importance of protecting Indian interests in neighboring countries Above all Nehru stressed the need to maintain secular values and the urgency of restructuring the economy to meet the demands of free India

Conventional Warfare in South Asia, 1947 to the Present Kaushik Roy, 2017-03-02 The essays included in this volume focus on conventional war on land sea and air fought by the states of South Asia and their impact on the host societies and economies The authors are drawn from academia and the military in India and Pakistan as well as from outside the subcontinent in order to give a wide perspective In the introduction the editors describe the changing contours of warfare in South Asia and the similarities and dissimilarities with warfare in the Middle East and South East Asia The volume highlights the influence of extra regional powers like China Russia and the US in providing arms munitions and shaping the texture of military doctrines and force structures of the South Asian powers

Selected Works of Jawaharlal Nehru: 1 June 1955-31 Aug. 1955 Jawaharlal Nehru, 1984 This volume covers nearly eleven weeks from October 6 1948 when Nehru left India for London to attend the Commonwealth Prime Ministers Conference to December 19 when the annual session of the Indian National Congress at Jaipur concluded It collects Nehru's addresses and articles related to this stressful time in world history Among his articles are support for the causes of Indonesia and the Africans in their battles against alien rulers arguments for the continued membership of India in the Commonwealth and a piece on the importance of protecting Indian interests in neighboring countries Above all Nehru stressed the need to maintain secular values and the urgency of restructuring the economy to meet the demands of free India

Cold War Summits Chris Tudda, 2015-10-29 CHOICE Outstanding Academic Title 2016 This book examines six summits spanning the beginning and the end of the Cold War Using declassified documents from U S British and other archives Chris Tudda shows how the Cold War developed from an ideological struggle between capitalism and communism into a truly global struggle From Potsdam in 1945 to Malta in 1989 the nuclear superpowers met to determine how to end World War II manage the arms race and ultimately end the Cold War Meanwhile the newly independent nations of the Third World including the People's Republic of China became active and respected members of the international community determined to manage their own fates independent of the superpowers The six summits Potsdam 1945 Bandung 1955 Glassboro 1967 Beijing 1972 Vienna 1972 and Malta 1989 are here examined together in a single volume for the first time An introductory essay provides a historiographical analysis of Cold War summitry while the conclusion ties the summits together and demonstrates how the history of the Cold War can be understood not only by examining the meetings between the superpowers but also by analyzing how the developing nations became agents of change and thus affected international relations

Nuclear Deterrence in Southern Asia Arpit Rajain, 2005-05 This important and topical book examines the triangular relationship of China India and Pakistan through the prism of nuclear deterrence The author highlights the interplay and role of strategic culture nuclear weaponisation and deployment command and control arms control non state actors and foreign policy issues which affect relations between the

three countries With two main purposes a conceptual investigation into the notion of deterrence and a study of the theory and practice of limited war this book addresses the strategic political and military dimensions of the role of nuclear weapons through examples of the only cases of nuclear weapon states having gone into armed conflict the Cuban missile crisis the Ussuri river clashes and the Kargil conflict discusses the various pressures exerted on decision makers in the context of the notions of deterrence the rational deterrence model and a limited war under a nuclear umbrella evaluates all three countries with regard to their strategic culture the role of nuclear weapons in their military strategy the nature of public opinion and political rhetoric responses to the various arms control treaties and foreign policy choices Based on a variety of sources including interviews with key individuals in various sector this is the first book length study of the triangular relationship between China India and Pakistan

Wronged by Empire Manjari Chatterjee Miller, 2013-08-21 Although India and China have very different experiences of colonialism they respond to that history in a similar way by treating it as a collective trauma As a result they have a strong sense of victimization that affects their foreign policy decisions even today *Wronged by Empire* breaks new ground by blending this historical phenomenon colonialism with mixed methods including archival research newspaper data mining and a new statistical method of content analysis to explain the foreign policy choices of India and China two countries that are continuously discussed but very rarely rigorously compared By reference to their colonial past Manjari Chatterjee Miller explains their puzzling behavior today More broadly she argues that the transformative historical experience of a large category of actors ex colonies who have previously been neglected in the study of international relations can be used as a method to categorize states in the international system In the process Miller offers a more inclusive way to analyze states than do traditional theories of international relations

Ruth Roman Derek Sculthorpe, 2022-06-22 With her striking looks the raven haired dark eyed Ruth Roman had an air of sophistication that made her seem sexy yet wholesome She had to strive harder than most to establish herself as a leading actress in Hollywood during its glory years and finally broke through in 1949 with her role in *Champion* As one of the last Warner Bros contract players she appeared in Alfred Hitchcock's classic *Strangers on a Train* Seen at her best in strong parts such as the ambitious Ronda Castle in Anthony Mann's *The Far Country* or as a modern day Lady Macbeth she

enjoyed a varied career as a freelancer before re-inventing herself as a character actress of note on television. A remarkable return to the screen in the bizarre psycho horror *The Baby* 1973 assured her of cult status. This is the first book dedicated to a committed but often undervalued actress who is fondly remembered by fans of classic film. More than a biography, it seeks to contextualize the actress within her own time, illuminate her Hollywood experience and celebrate her extensive career.

Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 Cold Wars Lorenz M. Lüthi, 2020-03-19 A new interpretation of the Cold War from the perspective of the smaller and middle powers in Asia, the Middle East and Europe.

Visualizing Secularism and Religion Maha Yahya, 2012-05-22 Over the past two decades, secular politics across the globe have witnessed an increasing turn to religion-based political movements such as the rise of political Islam and Hindu nationalism, which have been fueling new and alternative notions of nationhood and national ideologies. The rise of such movements has initiated widespread debates over the meaning, efficacy and normative worth of secularism. *Visualizing Secularism and Religion* examines the constitutive role of religion in the formation of secular national public spheres in the Middle East and South Asia, arguing that in order to establish secularism as the dominant national ideology of countries such as Turkey, Lebanon and India, the discourses, practices and institutions of secular nation building include rather than exclude religion as a presence within the public sphere. The contributors examine three fields: urban space and architecture, media and public rituals such as parades, processions and commemorative festivals, with a view to exploring how the relation between secularism, religion and nationalism is displayed and performed. This approach demands a reconceptualization of secularism as an array of contextually specific practices, ideologies, subjectivities and performances rather than as simply an abstract legal bundle of rights and policies.

India and Germany in a Turbulent World Rajendra K. Jain, 2024-11-15 India shares a multi-dimensional relationship with the Federal Republic of Germany. Germany is India's largest trading partner within the European Union and is also a major source and destination of foreign direct investment, a significant donor and an important source of technology. Drawing on English and German language source material, this book covers the evolution and expansion of India's economic, political, defence and scientific technological ties with Germany from 1947 to the present day. It analyses mutual perceptions, highlights the elements of convergence and divergence and discusses the challenges and prospects of this relationship in a world marked by geopolitical uncertainty. Print edition not for sale in South Asia, India, Sri Lanka, Nepal, Bangladesh, Pakistan and Bhutan.

The Sino-Indian War of 1962 Amit R. Das Gupta, Lorenz M. Lüthi, 2016-11-03 The Sino-Indian border war of 1962 forms a major landmark in South Asian, Asian and Cold War history. Among others, it resulted in an unresolved conflict permanently hindering rapprochement between China and India, the establishment of the Sino-Pakistani axis, the deepening of the Sino-Soviet split and had a lasting impact on Indian domestic affairs. This volume draws on new documentary evidence to re-evaluate perceptions, motivations and decision-making processes of both antagonists but also of third powers immediately affected by the conflict. It also investigates the effect on

India's internal politics its Constitution the Communist Party of India and the fate of Indians of Chinese origin Finally it analyses how the conflict is viewed in India today and its ramifications for India China relationship A major intervention in the Asian historical landscape this book will be indispensable to scholars and researchers of modern history especially of modern South Asia and China international relations defence and strategic studies international politics and government It will also be useful for think tanks and government agencies
