Selected Sermons of Jonathan Edwards Jonathan Edwards, 2019-11-20 In *Selected Sermons of Jonathan Edwards* readers are presented with a compelling collection that exemplifies the pulpit prowess and theological depth of one of America's foremost preachers during the First Great Awakening Edwards employs a vivid and emotive literary style utilizing metaphors and vivid imagery to evoke visceral responses to his themes of divine grace the danger of sin and the necessity of salvation His work is grounded in the theological currents of the 18th century merging Enlightenment rationalism with a fervent spirituality that sought to awaken the hearts of his contemporaries Jonathan Edwards 1703-1758 was a theologian and philosopher whose intellectual lineage traces back to Puritanism and the broader context of early American evangelicalism His early education at Yale and subsequent pastoral experiences greatly influenced his doctrinal stances pushing him to confront the moral and spiritual complacency of his time Increasingly his sermons reflected a profound concern for the state of the human soul and the church's mission to revive spiritual fervor Readers are encouraged to delve into *Selected Sermons of Jonathan Edwards* to not only understand the historical context of early American religious thought but also to glean timeless insights on faith morality and the pursuit of a relationship with the divine This collection speaks powerfully across the centuries inviting contemplation and stirring the spirit In this enriched edition we have carefully created added value for your reading experience A comprehensive Introduction outlines these selected works unifying features themes or stylistic evolutions The Author Biography highlights personal milestones and literary influences that shape the entire body of writing A Historical Context section situates the works in their broader era social currents cultural trends and key events that underpin their creation A concise Synopsis Selection offers an accessible overview of the included texts helping readers navigate plotlines and main ideas without revealing critical twists A unified Analysis examines recurring motifs and stylistic hallmarks across the collection tying the stories together while spotlighting the different works' strengths Reflection questions inspire deeper contemplation of the author's overarching message inviting readers to draw connections among different texts and relate them to modern contexts Lastly our hand-picked Memorable Quotes distill pivotal lines and turning points serving as touchstones for the collection's central themes **Selected Works of Jonathan Edwards** Jonathan Edwards, 1958 **Selected Sermons of Jonathan Edwards** Jonathan Edwards, 2016-07-03 Well edited Will prove welcome to readers of Puritan divinity on both sides of the Atlantic Scotsman The sermons have been selected as representative of

Edwards the preacher rather than of Edwards the theologian Publishers Weekly The Enfield Sermon with its terrible realism of description is paired with a revival sermon of another type that on Ruth's Resolution The sermon on Man's Dependence and on Spiritual Light show him as a powerful champion of his theology The Farewell sermon is virtually the apologia of his ministerial life and the other two represent still different types The notes are interesting in connection with the sermons The Unitarian Register Besides the lengthy introduction by Professor Gardiner there are seven sermons of the great preacher in this little volume The Bookman As a specimen of the great theologian's style and thought these selections will be useful The Christian Advocate A very careful reprint of seven selected sermons and an appendix of notes The editorial work has been excellently done The American Journal of Psychology CONTENTS INTRODUCTION SERMONS I God Glorified in Man's Dependence 1731 II The Reality of Spiritual Light 1733 III Ruth's Resolution 1735 IV The Many Mansions 1737 V Sinners in the Hands of an Angry God 1741 VI A Strong Rod Broken and Withered 1748 VII Farewell Sermon 1750 NOTES *Jonathan Edwards* Harold P. Simonson, 2009-05-20 The vast corpus of Jonathan Edwards includes sermons treatises dissertations Miscellanies Diary and Resolves and his Personal Narrative Underlying all his writing is his Calvinist God whose anger justice matched his love glory Equally important is the human condition its darkness and its regenerative light sin and salvation For these reasons Simonson aptly calls Edwards a theologian of the heart one not satisfied with only theological abstractions but also a necessary heartfelt sense of them Penetrating to these levels where literary artists do their work he shares company with the likes of Herman Melville Nathaniel Hawthorne Emily Dickinson and William Faulkner Since the resurgence of interest starting in the 1950s Edwards is now recognized as America's foremost religious thinker Simonson emphasizes Edwards language its imagery metaphors grand sweeps of cadences along with Edwards intensity of both thought and feeling Throughout Simonson's book provides an incisive and carefully documented introduction to Edwards magisterial range of mind and style **Approaching Jonathan Edwards** Carol Ball, 2016-03-09 Exploring the inner motivations of one of America's greatest religious thinkers this book analyses the ways in which Jonathan Edwards intense personal piety and deep experience of divine sovereignty drove an introverted intellectual along a course that would eventually develop into a mature and respected public intellectual Throughout his life the tension between his innately contemplative nature and the active demands of public office was a constant source of internal and public strife for Edwards Approaching Jonathan Edwards offers a new theoretical approach to the study of Edwards with an emphasis on his writing activity as the key strategy in shaping his legacy Tracing Edwards strategic self-fashioning of his persona through the many conflicts in which he was engaged the critical turning points in his life and his strategies for managing conflicts and crises Carol Ball concludes that Edwards found his place as a superlative contemplative apologist and theorist of experiential spirituality *The Select Works of Jonathan Edwards: The religious affections* Jonathan Edwards, Iain H. Murray, 1958 *The Select Works of Jonathan Edwards: The religious affections* Jonathan Edwards, 1958 Jonathan Edwards and Hebrews Joseph T.

Cochran,2025-02-10 This publication is the first survey of Jonathan Edwards s harmonic interpretation of Epistle to the Hebrews This methodology emphasized harmony between the history of the world and its account in the Word Drawn from a planned publication on The Harmony of the Old and New Testament the harmonic interpretation of Jonathan Edwards sought to harmonize the Old and New Testament by employing three habits 1 the habit of observing Old Testament prophetic fulfillment in the person and work of Christ in the New Testament 2 the habit of perceiving typology in the natural world and Scripture that typified the Messiah Jesus Christ 3 the habit of harmonizing the Old and New Testament according to its doctrines and precepts After introducing this methodology to readers this study provides eight thematic case studies on how Edwards demonstrated this methodology in his interpretation of the Epistle to the Hebrews Meet the Puritans Joel R. The Enlightenment and the Intellectual Foundations of Modern Culture Louis Dupre, 2008-10-01 The prestige of the Enlightenment has declined in recent years Many consider its thinking abstract its art and poetry uninspiring and the assertion that it introduced a new age of freedom and progress after centuries of darkness and superstition presumptuous In this book an eminent scholar of modern culture shows that the Enlightenment was a more complex phenomenon than most of its detractors and advocates assume It includes rationalist as well as antirationalist tendencies a critique of traditional morality and religion as well as an attempt to establish them on new foundations even the beginning of a moral renewal and a spiritual revival The Enlightenment s critique of tradition was a necessary consequence of the fundamental modern principle that we humans are solely responsible for the course of history Hence we can accept no belief no authority no institutions that are not in some way justified This foundation for better or for worse determined the course of the following centuries Despite contemporary reactions against it the Enlightenment continues to shape our own time and still distinguishes Western culture from any other

Selected Essays of Edwards A. Park Bruce Kuklick, 2017-09-07 This volume originally published in 1987 includes several of Edwards A Park s influential essays and sermons including Connection between Theological Study and Pulpit Eloquence Duties of a Theologian and Unity Amid Diversities of Belief Even on Imputed and Involuntary Sin Edwards Amasa Park an American Congregational theologian was an able defender of Trinitarian views and became a figure of theological power in his denomination This title will be of interest to students of nineteenth century religious and social history

Growing Mind and Soul James Patton Jones, 2005-03-10 An entertaining collection of essays and educational papers which illustrate by example the author s recommended model of education a blending of mental emotional and spiritual teachings Topics discussed include Family Morality Ethics Racism Native Americans and Religion each as specific examples of a process of learning drawn from the author s own experiences as a student

[American Pragmatism](#) M. Gail Hamner, 2003-01-09 Hamner seeks to discover what makes pragmatism uniquely American She argues that the inextricably American character of pragmatism of such figures as C S Peirce and William James lies in its often understated affirmation of America as a uniquely religious country with a God given mission and populated by God fearing citizens
