

The Selected Letters of
**ANTON
CHEKHOV**

Edited and with an introduction by
LILLIAN HELLMAN

Selected Letters Of Anton Chekhov

Anton Pavlovich Chekhov

Selected Letters Of Anton Chekhov:

Anton Chekhov's Life and Thought Anton Pavlovich Chekhov, 1997 First published in 1973 this collection of Chekhov's correspondence is widely regarded as the best introduction to this great Russian writer. Weighed heavily toward the correspondence dealing with literary and intellectual matters, this extremely informative collection provides fascinating insight into Chekhov's development as a writer. Michael Henry Heim's excellent translation and Simon Karlinsky's masterly headnotes make this volume an essential text for anyone interested in Chekhov. **The Selected Letters of Anton**

Chekhov Anton Chekhov, 1984-06 Originally published New York Farrar Straus Giroux 1984 **The Selected Letters of**

Anton Chekhov Anton Pavlovich Chekhov, 1965 **The Selected Letters of Anton Chekhov** Anton Pavlovich

Tchekhov, 1955 The selected letters of Anton Chekhov, edited by I. Hellman Anton Chekhov, Lillian (editor) Hellman, 1955

The selected letters of Anton Chekhov Anton Tjechov, 1981 *The Selected Letters of Anton Chekhov. Edited by Lillian Hellman. Translated by Sidonie Lederer* Anton Pavlovich Chekhov, Lillian Hellman, Sidonie Lederer, 1955 **Letters of**

Anton Chekhov to His Family and Friends Anton Pavlovich Chekhov, 2022-06-13 In *Letters of Anton Chekhov to His Family and Friends*, the great Russian playwright and short story writer Anton Pavlovich Chekhov provides a vivid intimate glimpse into his life through personal correspondence. This collection showcases Chekhov's keen observations, humor, and profound philosophical reflections, all articulated in his characteristic succinct prose. Each letter serves not only as a conduit of personal expression but also offers insight into the socio-political context of late 19th-century Russia, allowing readers to appreciate the personal nuances that influenced his celebrated works. Chekhov's style, marked by simplicity and emotional depth, renders these letters as poignant as his fictional narratives, blending literary artistry with genuine human experiences. Chekhov, born in 1860 to a modest family, immersed himself in the world of literature and medicine, which closely informed his writing and personal ethos. Although he achieved prominence as a playwright, these letters reveal the man behind the public persona: a devoted brother, a comrade in artistic endeavors, and a contemplative spirit grappling with the challenges of his era. His correspondence reflects not just personal thoughts but the broader cultural and social dynamics of his time. *Letters of Anton Chekhov to His Family and Friends* is highly recommended for readers seeking a more profound understanding of Chekhov's character and inspirations. This collection is an indispensable read for students of literature and lovers of humanistic narrative, revealing the delicate interplay between the writer's life and his timeless literary creations. **Anton**

Chekhov's Life and Thought Anton Pavlovich Chekhov, 1975 Chekhov's Letters Carol Apollonio, Radislav

Lapushin, 2018-10-15 Of the thirty volumes in the authoritative Academy edition of Chekhov's collected works, fully twelve are devoted to the writer's letters. This is the first book in English or Russian addressing this substantial though until now neglected epistolary corpus. The majority of the essays gathered here represent new contributions by the world's major Chekhov scholars, written especially for this volume or classics of Russian criticism appearing in English for the first time. The

introduction addresses the role of letters in Chekhov's life and characterizes the writer's key epistolary concerns. After a series of essays addressing publication history, translation, and problems of censorship, scholars analyze the letters' generic qualities that draw upon variously prose, poetry, and drama. Individual thematic studies focus on the letters as documents reflecting biographical, cultural, and philosophical issues. The book culminates in a collection of short, at times lyrical essays by eminent scholars and writers addressing a particularly memorable Chekhov letter. Chekhov's Letters appeals to scholars, writers, and theater professionals as well to a general audience. **Selected Letters** Anton Pavlovich Chekhov, 1955

Anton Chekhov's life and thought Anton Pavlovich Chekhov, 1975 *Letters of Anton Chekhov. Selected and Edited by Avrahm Yarmolinsky* Anton Pavlovich Chekhov, Avrahm Yarmolinsky, 1973 **Letters of Anton Tchekhov to his family and friends. [Selected letters, with an abridged version of the life of Chekhov by his brother Mihail, and with a portrait.] Translated ... by Constance Garnett** Anton Pavlovich Chekhov, Mikhail Pavlovich CHEKHOV, Constance Garnett, 1920 Chekhov Becomes Chekhov Bob Blaisdell, 2022-12-06 A revelatory portrait of Chekhov during the most extraordinary artistic surge of his life. In 1886 a twenty-six-year-old Anton Chekhov was publishing short stories, humor pieces, and articles at an astonishing rate and was still a practicing physician. Yet as he honed his craft and continued to draw inspiration from the vivid characters in his own life, he found himself to his surprise and occasional embarrassment admired by a growing legion of fans, including Tolstoy himself. He had not yet succumbed to the ravages of tuberculosis. He was a lively, frank, and funny correspondent and a dedicated mentor. And as Bob Blaisdell discovers, his vivid articles, stories, and plays from this period when read in conjunction with his correspondence become a psychological and emotional secret diary. When Chekhov struggled with his increasingly fraught engagement, young couples are continually making their raucous way in and out of relationships on the page. When he was overtaxed by his medical duties, his doctor characters explode or implode. Chekhov's talented but drunken older brothers and Chekhov's domineering father became transmuted into characters, yet their emergence from their families' serfdom is roiling beneath the surface. Chekhov could crystalize the human foibles of the people he knew into some of the most memorable figures in literature and drama. In *Chekhov Becomes Chekhov* Blaisdell astutely examines the psychological portraits of Chekhov's distinct, carefully observed characters and how they reflect back on their creator during a period when there seemed to be nothing between his imagination and the paper he was writing upon. *Chekhov* Philip Callow, 2001 A major achievement. Callow examines Chekhov's life within the context of the evolution of his art, making the reader acutely aware of the hidden ground from which his work sprang and on which his life stood. A beautifully written biography by a novelist, poet, and biographer. The Edinburgh Edition of the Collected Letters of Katherine Mansfield: Letters to correspondents A-J Katherine Mansfield, 2020 Organized by recipient, this innovative four-volume edition allows the reader to explore and share Katherine Mansfield's individual relationships via her letters. Well-known Mansfield scholars Claire Davison and Gerri Kimber have returned to the author's original letters, retranscribing and

fully annotating them incorporating recently discovered biographical material as well as previously unpublished letters As the four volumes in the Collected Letters reveal letter writing was an essential part of Mansfield s literary production

Quotes from my Blog. Letters Tatyana Miller,2021-04-07 This book is a collection of quotes from letters that was selected from the books I personally read and republished on my blog from July 2017 to March 2021 **The Language of Silence**

Leslie Kane,1984 Examining the plays of Maeterlinck Chekhov Jean Jacques Bernard Pinter Albee and Beckett this critical study exhibits the eloquence with which silence and inarticulateness portray the experience of inadequacy incompleteness impermanence and uncertainty in early twentieth century drama Moving on to post World War II drama the author explores the use of noneloquent speech and silence to convey the alienation and isolation engendered by the rise of political humanity
