## **Selected Letters Of Marianne Moore:**

Selected Letters of Marianne Moore Marianne Moore, 1998-11-01 Marianne Moore's correspondence makes up the largest and most broadly significant collection of any modern poet. It documents the first two thirds of this century reflecting shifts from Victorian to modernist culture, the experience of the two world wars, the Depression and postwar prosperity and the changing face of the arts in America and Europe. Moore wrote letters daily for most of her life: long, intense letters to friends and family; shorter but always distinctive letters to an ever widening circle of acquaintances and fans. At the height of her celebrity, she would occasionally write as many as fifty letters a day. Both Moore and her correspondents appreciated the value of their exchange so that an extraordinary number of letters—approximately thirty thousand—have been preserved. For more than seventy years, Penguin has been the leading publisher of classic literature in the English speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

**Selected Letters of Marianne Moore to Hildegard Watson** Marianne Moore, 1985 *Complete Poems* Marianne Moore, 1994-11-01 Teems with sharp observation, profound moral insight, high satiric wit, and all manner of aesthetic delight. The New York Times Book Review: A Penguin Classic. This definitive edition brings together all the works that Pulitzer Prize-winning Marianne Moore wished to preserve, covering more than sixty years of writing and incorporating the final revisions she made to the texts. The poems demonstrate Moore's wide range of interests, moving from witty images of animals, sporting events, and social institutions to thoughtful meditations on human nature. In entertaining, informative notes, Moore reveals the inspiration for complete poems and individual lines within them. For more than seventy years, Penguin has been the leading publisher of classic literature in the English speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. This volume is also the first that draws upon the Marianne Moore Digital Archive (MMDA).

**May Sarton Selected Letters 1955 To 1995** May Sarton, 2002-06-04 All her life May Sarton carried on a voluminous private correspondence with family, friends, and lovers. Early childhood into middle age covers topics of theater, study, travel, teaching, and the anguish as World War II approaches. Later, joys of flowers, affection for animals, and illustrious acquaintances and intimates both here and abroad are shown.

**The Letters of T. S. Eliot** T. S. Eliot, 2015-07-14 This fifth volume of the collected letters of poet, playwright, essayist, and literary critic Thomas

Stearns Eliot covers the years 1930 through 1931 It was during this period that the acclaimed American born writer earnestly embraced his newly avowed Anglo Catholic faith a decision that earned him the antagonism of friends like Virginia Woolf and Herbert Read Also evidenced in these correspondences is Eliot s growing estrangement from his wife Vivien with the writer s newfound dedication to the Anglican Church exacerbating the unhappiness of an already tormented union Yet despite his personal trials this period was one of great literary activity for Eliot In 1930 he composed the poems Ash Wednesday and Marina and published Coriolan and a translation of Saint John Perse s Anabase the following year As director at the British publishing house Faber Faber and editor of The Criterion he encouraged W H Auden Stephen Spender Louis MacNeice and Ralph Hodgson published James Joyce s *Haveth Childers Everywhere* and turned down a book proposal from Eric Blair better known by his pen name George Orwell Through Eliot s correspondences from this time the reader gets a full bodied view of a great artist at a personal professional and spiritual crossroads

**The Figure of the Animal in Modern and Contemporary Poetry** Michael Malay, 2018-06-05 This book argues that there are deep connections between poetic thinking and the sensitive recognition of creaturely others It explores this proposition in relation to four poets Marianne Moore Elizabeth Bishop Ted Hughes and Les Murray Through a series of close readings and by paying close attention to issues of sound rhythm simile metaphor and image it explores how poetry cultivates a special openness towards animal others The thinking behind this book is inspired by J M Coetzee s *The Lives of Animals* In particular it takes up that book s suggestion that poetry invites us to relate to animals in an open ended and sympathetic manner Poets according to Elizabeth Costello the book s protagonist return the living electric being to language and doing so compel us to open our hearts towards animals and the claims they make upon us There are special affinities for her between the music of poetry and the recognition of others But what might it mean to say that poets to return life to language And why might this have any bearing on our relationship with animals Beyond offering many suggestive starting points Elizabeth Costello says very little about the nature of poetry s special relationship with the animal one aim of this study then is to ask of what this relationship consists not least by examining the various ways poets have bodied forth animals in language

erased from our history *Forgotten Women* is a new series of books that uncover the lost herstories of influential women who have refused over hundreds of years to accept the hand they've been dealt and as a result have formed, shaped and changed the course of our futures. *The Writers* celebrates 48 unsung genius female writers from throughout history and across the world including the Girl Stunt Reporters who went undercover to write exposés on the ills of 1890s America, Aemilia Lanyer the contemporary of Shakespeare whose polemical re-writing of *The Bible's* Passion Story is regarded as one of the earliest feminist works of literature and Sarojini Naidu the freedom fighter and Nightingale of India whose poetry echoed her political desire for Indian independence. Including writers from across a wide spectrum of disciplines including poets, journalists, novelists, essayists and diarists, this is an alternative gynocentric history of literature that will surprise, empower and leave you with a reading list a mile long.

[The number of Nobel prize winning women](#) [American literature and Irish culture, 1910-55](#) Tara Stubbs, 2015-11-01 *American literature and Irish culture 1910-55* The politics of enchantment discusses how and why American modernist writers turned to Ireland at various stages during their careers. By placing events such as the Celtic Revival and the Easter Rising at the centre of the discussion, it shows how Irishness became a cultural determinant in the work of American modernists. It is the first study to extend the analysis of Irish influence on American literature beyond racial, ethnic or national frameworks. Through close readings and archival research, *American literature and Irish culture 1910-55* provides a balanced and structured approach to the study of the complexities of American modernist writers' responses to Ireland. Offering new readings of familiar literary figures including Fitzgerald, Moore, O'Neill, Steinbeck and Stevens, it makes for essential reading for students and academics working on twentieth-century American and Irish literature and culture and transatlantic studies.

Interspersing straightforward guidelines with funny, inspiring anecdotes and examples by such luminaries as Abraham Lincoln and Ernest Hemingway, the author's practical tips for newlyweds, business people and children make this handy little book an indispensable resource.

[East-West Exchange and Late Modernism](#) Zhaoming Qian, 2017-11-07 *East-West Exchange and Late Modernism* Zhaoming Qian examines the nature and extent of Asian influence on some of the literary masterpieces of Western late modernism. Focusing on the poets William Carlos Williams, Marianne Moore and Ezra Pound, Qian relates captivating stories about their interactions with Chinese artists and scholars and shows how these cross-cultural encounters helped ignite a return to their early experimental modes. Qian's sinuous readings of the three modernists' last books of verse—Williams's *Pictures from Brueghel* (1962), Moore's *Tell Me Tell Me* (1966) and Pound's *Drafts and Fragments of Cantos CX-CXVII* (1969)—expand our understanding of late modernism by bringing into focus its heightened attention to meaning in space, its obsession with imaginative sensibility and its increased respect for harmony between humanity and
