nothing more for you to pay You do not have to humiliate yourself or cause yourself pain to lessen your guilt There is nothing you can do to gain his forgiveness but to accept it Come near to Christ the Mighty Healer This wonderful manner of His love was evidenced at His crucifixion and the light of His love is reflected in bright beams from the cross of Calvary Now it remains for us to accept that love to appropriate the promises of God to ourselves Just repose in Jesus Rest in Him He loves you The Lord s arms are beneath you Wounded and bruised just repose trust in God A compassionate hand is stretched out to bind up your wounds He will be more precious to your soul than the choicest friend and all that can be desired is not comparable to Him Only believe Him only trust Him Your friend in affliction one who knows E G White Daughters of God p 221 2 3

The Redeemed Good Defense Anthony MacPherson,2021-07-06 Why God Everyday this question is uttered in sorrow bewilderment or anger This cry is the problem of suffering It is also known as the problem of evil It asks why a good all powerful God allows evil and pain Theodicy is the name of the theological responses that seek to defend God against charges of unfairness Traditional theodicies have been accused of intensifying the problem by claiming that God is justified in allowing evil because he uses it to bring about a greater good This greater good approach has been criticized in more recent times It seems to uncomfortably align God and evil too closely together Does God need evil in order to bring good This study explores an alternative stream of theodicy found in the idea of cosmic warfare In this theodicy God fights evil in its moral physical spiritual and supernatural forms This book explores the world of theodicy and its cosmic warfare forms It navigates the theological and ethical minefields involved Building on the idea that God is in the midst of a great cosmic controversy it seeks to further the conversation and articulates a new alternative redeemed good defense
