The Collected Poems of Robert Penn Warren Robert Penn Warren, 1998-10-01 Winner of the C Hugh Holman Award

A central figure in twentieth century American literature Robert Penn Warren 1905 1989 was appointed by the Library of Congress as the first Poet Laureate of the United States in 1985 Although better known for his fiction especially his novel *All the King's Men* it is mainly his poetry spanning sixty years fifteen volumes of verse and a wide range of styles that reveals Warren to be one of America's foremost men of letters In this indispensable volume John Burt Warren's literary executor has assembled every poem Warren ever published with the exception of *Brother to Dragons* including the many poems he published in *The Fugitive* and other magazines as well as those that appeared in his small press works and broadsides Burt has also exhaustively collated all of the published versions of Warren's poems which in some cases appeared as many as six different times with substantive revisions in every line as well as his typescripts and proofs And since Warren never seemed to reread any of his books without a pencil in his hand Burt has referred to Warren's personal library copies This comprehensive edition also contains textual notes lists of emendations and explanatory notes Warren was born and raised in Guthrie Kentucky where southern agrarian values and a predilection for storytelling were ingrained in him as a young boy By 1925 when he graduated from Vanderbilt University he was already the most promising of that exceptional set of poets and intellectuals known as the Fugitives Warren devoted most of the 1940s and 1950s to writing prose and literary criticism but from the late 1950s he composed primarily poetry with each successive volume of verse that he penned demonstrating his rigorous and growing commitment to that genre The mature visionary power and technical virtuosity of his work in the 1970s and early 1980s emanated from his strongly held belief that only insofar as the work of art establishes and expresses a self can it engage us Many of Warren's later poems which he deemed some of my best rejoice in the possibilities of old age and the poet's ability for continually expanding in a vital process of definition affirmation revision and growth a process that is the image we may say of the life process

this greatly gifted poet **Understanding Robert Penn Warren** James A. Grimshaw, 2001 Grimshaw examines the writer's views about the primacy of self knowledge and explores the painful and arduous path his protagonists must follow to gain such knowledge and the interrelationship of his artistic endeavors which were woven together by common thematic concerns history time truth responsibility love hope and endurance **The Wary Fugitives** Louis D. Rubin, Jr., 1978-06-01 John Crowe Ransom Allen Tate Donald Davidson and Robert Penn Warren each began his career as one of the coterie of southern poets centered at Vanderbilt University who attracted national attention with their publication of *The Fugitive* magazine in the early 1920s and the celebrated essays in *I'll Take My Stand* Collectively known as the Fugitives or Agrarians as they were later called they became ardent and influential participants in the regionalist proletarian literary controversies of the Depression decades Each of the four poets was personally concerned with the connection between their creative work and the social realities around them In *The Wary Fugitives* Louis Rubin masterfully explores and illustrates the relationships between their poetry novels and literary criticism and their work as social critics He conducts in the process a revealing and provocative inquiry into the connection between American history and the twentieth century South *Singing the Chaos* William Pratt, 1996 Combining both a historical and a critical approach toward the works of major British American French German and Russian poets this work surveys a century of high poetic achievement **The Poetic Vision of Robert Penn Warren** Victor H. Strandberg, 2021-12-14 Though it has won the Pulitzer Prize the National Book Award and the Bollingen Prize the poetry of Robert Penn Warren still is not widely or well understood In this study Victor H Strandberg redresses this imbalance by providing a comprehensive survey of the poetic canon of this gifted complex and much neglected poet Warren writes in the tradition of Western poets concerned with the painful experience of a forced one way passage from innocence into the world's stew of time and loss This passage Strandberg explains results for Warren in bifurcation of the self into warring segments a clean idealistic surface ego and a polluted undiscovered self in the unconscious Revelation of the dirty part of human personality is tellingly evoked in many of Warren's major works As the poet's vision expands however these conflicting elements are unified in a mystic osmosis of being whereby the world which once provoked fear and disgust may now be totally loved In addition to close analysis both of individual poems and of the poet's overall development Strandberg reviews critical opinion of Warren's poetry over the last three decades and assesses his place among fellow poets Both as prophecy and as art he concludes Robert Penn Warren's poetry is so significant versatile and excellent as to rank him among the finest and most fertile talents of his age *Parnassus on the Mississippi* Thomas W. Cutrer, 1984-06-01 *Parnassus on the Mississippi* is a history of the short lived yet remarkable productive epoch when in the words of C Vann Woodward the center of the avant garde of American literary criticism shifted temporarily to the banks of the Mississippi at Baton Rouge Beginning with the establishment of the *Southern Review* at Louisiana State University in 1935 Baton Rouge became the home not only to a brand of criticism that would reshape the teaching of literature in America but also to a community of scholars and

artists that included Cleanth Brooks Robert Penn Warren Katherine Anne Porter Robert Lowell Jean Stafford and Peter Taylor Thomas Cutrer chronicles how the Southern Review created in the midst of the Depression by the largess of Louisiana governor Huey P Long quickly rose to the position of the finest American literary journal of its day Under the joint editorship of Cleanth Brooks and Robert Penn Warren the journal published criticism poetry and short fiction by writers as eminent as R P Blackmur Kenneth Burke T S Elliot and Wallace Stevens The editors also encouraged and published works by such young talented and at the time unknown writers as Nelson Algren Randall Jarrell Mary McCarthy and Eudora Welty During these same years Brooks and Warren collaborated on three textbooks An Approach to Literature Understanding Poetry and Understanding Fiction which would revolutionize college English by emphasizing the study of a literary work itself in concrete and precise terms over the study of the biographical historical and moral issues surrounding it Brooks also wrote his influential critical works Modern Poetry and Tradition and The Well Wrought Urn while Warren wrote two novels and some of his finest poems and stories and absorbed material from the political tumult around him for the work that would later become All the King s Men The stature of the Southern Review and the vitality of the literary community that it spawned were both to a great extent born of the dedication and creativity of Brooks and Warren but in other very tangible ways they were also by products of the ambition of Huey Long ironically it was the actions of one of the assassinated governor s loyalists that brought an end to Baton Rouge s time as a Parnassus After a financial scandal rocked the university a reform administration was appointed which in its zeal to curb a runaway budget stopped the funding for the review Soon after Brooks and Warren both left the faculty The Southern Review itself would lie dormant until its revival two decades later

Robert Penn Warren after Audubon Joseph R. Millichap, 2012-05-01 Despite nearly universal critical acclaim for Robert Penn Warren s later poetry much about this large body of work remains unexplored especially the psychological sources of these poems remarkable energy In this groundbreaking work Warren scholar Joseph R Millichap takes advantage of current research on developmental psychology gerontology and end of life studies to offer provocative new readings of Warren s later poems which he defines as those published after Audubon A Vision 1969 In these often intricate poems Millichap sees something like an autobiographical epic focused on the process of aging the inevitability of death and the possibility of transcendence Thus Warren s later poetry reviews an individual life seen whole contemplates mortality and dissolution and aspires to the literary sublime Millichap locates the beginning of Warren s late period in the extraordinary collection Or Else Poem Poems 1968 1974 basing his contention on the book s complex indeed obsessive sequencing of new previously published and previously collected poems unified by themes of time memory age and death Millichap offers innovative readings of Or Else and Warren s five other late gatherings of poems Can I See Arcturus from Where I Stand Poems 1975 Now and Then Poems 1976 1978 winner of the Pulitzer Prize Being Here Poetry 1977 1980 Rumor Verified Poems 1979 1980 and Altitudes and Extensions 1980 1984 Among the autobiographical elements Millichap brings into his

careful readings are Warren's loneliness in these later years especially after the deaths of family members and friends his alternating feelings of personal satisfaction and emptiness toward his literary achievements and his sense of the power and at times the impotence of memory Millichap's analysis explores how Warren often returned to images and themes of his earlier poems especially those involving youth and midlife with the new perspective given by advancing age and time's passage Millichap also relates Warren's work to that of other poets who have dealt profoundly with memory and age including Robert Frost T S Eliot Thomas Hardy and at times John Milton William Wordsworth and the whole English and American nineteenth century Romantic tradition An epilogue traces Warren's changing reputation as a poet from the publication of his last volume in 1985 through his death in 1989 and the centennial of his birth in 2005 concluding persuasively that the finest of all of Warren's literary efforts can be found in his later poetry concerned as it is with the work of aging and the quest for transcendence

Warren, Jarrell, and Lowell Joan Romano Shifflett, 2020-06-03 Robert Penn Warren Randall Jarrell and Robert Lowell maintained lifelong well documented friendships with one another often discussing each other's work in private correspondence and published reviews Joan Romano Shifflett's *Warren Jarrell and Lowell Collaboration in the Reshaping of American Poetry* traces the artistic and personal connections between the three writers Her study uncovers the significance of their parallel literary development and reevaluates dominant views of how American poetry evolved during the mid twentieth century Familiar accounts of literary history most prominently the celebration of Lowell's *Life Studies* as a revolutionary breakthrough into confessional poetry have obscured the significance of the deep connections that Lowell shared with Warren and Jarrell They all became quite close in the 1930s with the content and style of their early poetry revealing the impact of their mentors John Crowe Ransom and Allen Tate whose aesthetics the three would ultimately modify and transform The three poets achieved professional maturity and success in the 1940s during which time they relied on one another's honest critiques as they experimented with changes in subject matter and modes of expression Shifflett shows that their works of the late 1940s were heavily influenced by Robert Frost This period found Warren Jarrell and Lowell infusing ostensibly simple verse with multifaceted layers of meaning capturing the language of speech in diction and rhythm and striving to raise human experience to a universal level During the 1950s the three poets became public figures producing major works that addressed the nation's postwar need to reconnect with humanity Warren Jarrell and Lowell continued to respond in interlocking ways throughout the 1960s with each writer using innovative stylistic techniques to create a colloquy with readers that directed attention away from superficial matters and toward the important work of self reflection Drawing from biographical materials and correspondence along with detailed readings of many poems Warren Jarrell and Lowell offers a compelling new perspective on the shaping of twentieth century American poetry

Parallels Randolph Runyon, 2006 America s most eminent man of letters in his later years and certainly one of the greatest Southern writers Robert Penn Warren has increasingly come to be known for his poetry Ghostly Parallels is a close examination of the heart of his poetic corpus the eight collections published between 1935 and 1976 Thirty Six Poems Eleven Poems on the Same Theme Promises You Emperors and Others Tale of Time Incarnations Or Else and Can I See Arcturus from Where I Stand Ghostly Parallels shows how Warren constructed collections of poems based on common subjects and contexts and also contends that while the poems are distinctive taken together they reveal intricate patterns of theme imagery and diction within explicit sequences Runyon demonstrates that Warren s collections are integrated well crafted wholes and each poem references its predecessor sometimes in intriguingly self referential ways Runyon shows that despite the many changes in diction tone and subject that Warren underwent in his long career his concern for writing his poems in such a way that they could reach out beyond themselves to other poems remained remarkably constant In the arrangement Warren gave them his poems form ghostly parallels an expression that appears in The Return An Elegy where they refer to the railroad tracks that bring the poet home to his dying mother This return to the mother is a persistent leitmotif in the poems and forms the other major theme of this study Warren s personal poetic myth in which such images as golden light and mirror images are signs of the mother s presence as both Danae mother of Perseus and Medusa whom Perseus confronted Through pursuing sequential patterns as well as echoes and myth GhostlyParallels brings a wealth of insights to the work of this prolific novelist critic and essayist An important guide for undergraduate and graduate students alike Ghostly Parallels will also appeal to anyone with an interest in Robert Penn Warren and southern literature
