Selected Poems Kaifi Azmi:

Selected Poems Kaifi Azmi Kaifi Azmi, 2002-04-04 A bilingual volume of some of Kaifi Azmi's finest poetry. One of the finest Urdu poets of the subcontinent, Kaifi Azmi has borne witness to an entire era of social change. Born in 1918 in Azamgarh, Uttar Pradesh, in a zamindar family, Azmi wrote his first poem at the age of eleven. He joined the Communist Party when he was nineteen and wrote for the Party paper *Quami Jung*. Subsequently, he moved to Bombay and wrote his first lyric for the film *Buzdil* directed by Shahid Latif in 1948. A member of the Progressive Writers' movement, Azmi has been an active spokesperson for several workers' unions and works passionately to rectify social injustices even today. The richness of experience and maturity of perspective is captured in his poems which reflect the many aspects of Azmi: man, lover, activist, and poet. Some of his best verses are about the plight of the exploited like the famous *Makaan* which highlights a system where the poor, homeless, footpath dwellers build palaces for the rich. At the other end of the spectrum are his love poems including memorable lyrics for films that haunt the reader with their tenderness and contained passion. Azmi's preoccupation with such disparate themes are indicative as much of his zest for life as his sincerity and honesty of experience. Brilliantly translated by Pavan K Varma, this bilingual selection brings to a wider audience the wisdom and lyricism of Azmi's poetry.

Literature and Politics in the Age of Nationalism Talat Ahmed,2020-11-29 This book aims to provide a historical account of the All India Progressive Writers Association AIPWA In a structured narrative it focuses on the political processes inside India events and circumstances in South Asia and the debates and literary movements in Europe and the United States to demonstrate how the literary project was specifically informed by literary political movements It explores the theorisation of literature and politics that informed progressive writing and argues that the progressive conception of literature art and politics was closer to the theorisation of two thinkers of whom the writers themselves knew very little Leon Trotsky and Antonio Gramsci The book charts the progressive movement s extension into the cultural arena through the Indian People s Theatre Association IPTA and the deepening of its nation wide character through a progressive nationalism instilled with left wing ideology One of the important aims of the AIPWA project was to advance the development of a popular

vernacular based on the demotic language of north India Hindustani The book locates this issue within the broader nationalist discussion on the national language Contrary to what is implied by much of the previous scholarship the book argues that the progressive movement did survive the ravages of partition and that the progressives maintained organisations in both India and Pakistan It looks at the short lived but very colourful history of the PWA in Pakistan using PWA documents government records and personal testimonies Arguing that literary output and cultural production cannot be understood let alone interpreted outside the context of the nationalist movement war independence and partition the book presents a narrative that necessarily transcends disciplinary boundaries between literature politics and history
