Zongyuan presents poems by the Tang Dynasty cofounder of the Classical Prose Movement written on the Chinese empire s southern margins In these remarkable pieces Liu intertwines South China s landscapes and plants such as scarlet canna banyan and white myoga ginger with reflections on honor duty banishment and belonging in ways unique in the history of Chinese poetry The two translators Nathaniel Dolton Thornton and Yu Yuanyuan one American and one Chinese preserve and showcase the singular beauty of Liu s poetic garden for the English speaking world The Middle Kingdom (2 vols.) S. Wells Williams, 2007-12-20 This classic survey in its much revised edition of 1883 of the geography government literature social life arts and history of the Chinese Empire and its inhabitants remains a valuable source of reference to scholars of the nineteenth century The Middle Kingdom Samuel Wells Williams, 1907

Confucian Perfectionism Joseph Chan,2013-12-22 Since the very beginning Confucianism has been troubled by a serious gap between its political ideals and the reality of societal circumstances Contemporary Confucians must develop a viable method of governance that can retain the spirit of the Confucian ideal while tackling problems arising from nonideal modern situations. The best way to meet this challenge Joseph Chan argues is to adopt liberal democratic institutions that are shaped by the Confucian conception of the good rather than the liberal conception of the right Confucian Perfectionism examines and reconstructs both Confucian political thought and liberal democratic institutions blending them to form a new Confucian political philosophy Chan decouples liberal democratic institutions from their popular liberal philosophical foundations in fundamental moral rights such as popular sovereignty political equality and individual sovereignty Instead he grounds them on Confucian principles and redefines their roles and functions thus mixing Confucianism with liberal democratic institutions in a way that strengthens both Then he explores the implications of this new yet traditional political philosophy for fundamental issues in modern politics including authority democracy human rights civil liberties and social justice Confucian Perfectionism critically reconfigures the Confucian political philosophy of the classical period for the contemporary era
