ladder into the heart of the tree Both a symbol for life and a metaphor for the poetic act apple picking leaves the poet overtired Of the great harvest he himself desired awaiting sleep as he describes its coming on wondering what if anything it will bring The Road Not Taken perhaps Frost s most famous poem is a meditation on fate and free will that follows a traveler in an autumn landscape unsure of which path to take but certain he cannot stand still With a beautifully designed cover and professionally typeset manuscript this edition of Robert Frost s Selected Poems is a classic of American literature reimagined for modern readers
