This study looks at the preservation process newsreel television and color preservation the often controversial issue of colorization and commercial film archives It provides detailed histories of the major players in the preservation battle including the International Museum of Photography at George Eastman House the American Film Institute the Museum of Modern Art the UCLA Film and Television Archive and the Library of Congress This first historical overview of film preservation in the United States is also highly controversial in its exposure and criticism of the politicization of film preservation in recent years and the rising bureaucracy which has often lost sight of preservation and restoration as the ultimate purpose of film archives Early American Cinema Anthony Slide,1994 Provides a concise history of the American motion picture industry before 1920 **American Drama of the Twentieth Century** Gerald M. Berkowitz,2014-07-15 In this book Professor Berkowitz studies the diversity of American drama from the stylistic experimental plays of O'Neill through verse tragedy and community theatre to the theatre of the 1990s The discussions range through dramatists plays genres and themes with full supporting appendix material It also examines major dramatists such as Eugene O'Neill Arthur Miller Sam Shepard Tennessee Williams and August Wilson and covers not only the Broadway scene but also off Broadway movements and fringe theatres and such subjects as women's and African American drama *The Ziegfeld Follies* Ann Ommen van der Merwe,2009-03-26 *The Ziegfeld Follies A History in Song* presents an account of the Follies through the musical productions contained in the show Accessing primary sources such as magazines and extant programs Ann Ommen van der Merwe has carefully researched the Follies reconstructing the songs dances and content of each annual production from 1907 to 1931 providing detailed descriptions of song performances In so doing the book demonstrates the important role of song in facilitating the comedy and spectacle for which the Follies are better known Ommen van der Merwe takes a broad chronological approach to the material addressing such issues as musical style lyrics and staging of individual songs In the process she identifies the historical trajectory of the Ziegfeld Follies delineating periods within its history like the development of the production values Ziegfeld was famous for the success of his spectacles his adaptation to changing times and his legacy She also considers the cultural and performance history of the Follies and its reflection of the society in which it developed An appendix lists the composer lyricist publisher and performer of each Follies song as well as a library collection or archive where a copy may be found The book also includes a collection of photographs a select discography bibliography and two indexes by song title and general subject The Critics' Canon Richard Hudson Palmer,1988-10-19 Palmer clearly states that his purpose is to explain 1 the ways of critics to theatre practitioners the ways of theatre to inexperienced reviewers and the dynamic convergence of theatre and critic to anyone interested in theatre The work is a well written primer for writers and it will be useful primarily to performers who object to unfavorable criticism without

understanding the nature and purpose of reviewing Accessible to general readers and undergraduates Choice Palmer begins with an examination of the theatrical review as a medium for informing and entertaining theatregoers documenting events of artistic of community importance and supporting theatre through critical evaluation and publicity He next comments on how journalistic pressures affect reviewers Citing brief examples from hundreds of reviews the author devotes a chapter to each of the elements that needs to be covered in a review including performers script direction music and choreography together with stage and lighting design and other physical aspects of the production The final chapter develops criteria for assessing the strengths and weaknesses of a theatrical review based on aesthetic standards the cultural tastes of theatregoers and the interests of the community Palmer s experience as both a theatre professional and a journalist gives him an intimate understanding of the antagonism that often develops between reviewers and those who feel themselves to be the target of irresponsible criticism His book provides a clear perspective on theatrical matters and guidelines that will help to improve standards of reviewing and create an appreciation of the essential relationship between the theatre and its critics
