Lessons on Foreign Aid and Economic Development Nabamita Dutta,Claudia R. Williamson,2019-09-06 A response to the pressing need to address and clarify the substantial ambiguity within current literature this edited volume aims to deepen readers understanding of the impact of foreign aid on development outcomes based on the latest findings in research over the past decade Foreign aid has long been seen as one of two extremes either beneficial or damaging a blessing or a curse Consequently many readers perceive aid s effectiveness based on the work of scholars who are assessing the impact of aid

from one of two antithetical perspectives This book takes a different approach shedding light on recent research that can deepen our understanding of the complex relationship between aid and its aftereffects Drawing from an extensive set of studies that have explored micro and macro impacts of foreign aid for recipient nations chapter authors highlight more layered and nuanced findings with a focus on donor characteristics political motives and an evaluation of aid projects and their effectiveness including the differential impact based on type of aid This volume is the first of its kind to unpack aid as a complex rather than a unitary concept and explore the wide areas of grey that have long enshrouded foreign aid **Unity in Nigeria'S Diversity** Vitalis Chi. Nwaneri,2013-07-22 In this Book the Author illustrates this view based on Nigerias Experience In the face of their ongoing crises most Nigerians go on with their lives Smiling and Suffering as their famous Singer Fela stated in one of his songs many years ago Vita is calling on all his fellow Nigerians to continue smiling but to find some time to reflect on their sufferings that arise from their Development crises across all sectors These crises had been discussed extensively by many authors including Chinua Achebe Wole Soyinka Peter Lewis and more recently by Ngozi Okonjo Iweala Here Vita asks the questions Is Nigeria really Unreformable Can Nigeria grow in UNITY while remaining in her DIVERSE state Vita believes that Nigeria can be reformed if she is courageous enough to take what he calls a Holistic Approach to her Development Challenges Such an approach involves the following Holistic actions in Governments Development Policies and Cultures of the people The Effectiveness of World Bank Support for Community-based and -driven Development ,2005-01-01 Participatory approaches that involve local communities in their own development have gained substantial support among international donors over the past quarter century and have become increasingly important in the work of the World Bank Community participation is an approach to development that can be used with any Bank lending instrument and across sectors Projects can involve communities in different ways by sharing information consulting collaborating or empowering them The process of involving communities in project activities is also expected to contribute in most cases to community *Selected Readings on Global Information Technology: Contemporary Applications* Rahman, Hakikur,2008-08-31 This book offers articles focused on key issues concerning the development design and analysis of global IT Provided by publisher An Annotated Bibliography of Selected Unclassified Materials Published During 1967 on Problems of Development and Internal Defense ,1968* **Angola: Doing Business and Investing in Angola Guide - Strategic, Practical Information, Regulations, Contacts** IBP, Inc.,2017-05-19 Angola Doing Business and Investing in Guide Volume 1 Strategic Practical Information Regulations Contacts *Handbook of Alternative Theories of Economic Development* Erik S. Reinert,Jayati Ghosh,Rainer Kattel,2016-09-28 The Handbook of Alternative Theories of Economic Development explores the theories and approaches which over a prolonged period of time have existed as viable alternatives to today's mainstream and neo classical tenets With a total of 40 specially commissioned chapters written by the foremost authorities in their respective fields this volume represents a landmark in the field of economic development It elucidates the

richness of the alternative and sometimes misunderstood ideas which in different historical contexts have proved to be vital to the improvement of the human condition The subject matter is approached from several complementary perspectives From a historical angle the Handbook charts the mercantilist and cameralist theories that emerged from the Renaissance and developed further during the Enlightenment From a geographical angle it includes chapters on African Chinese Indian and Muslim approaches to economic development Different schools are also explored and discussed including nineteenth century US development theory Marxist Schumpeterian Latin American structuralism regulation theory and world systems theories of development In addition the Handbook has chapters on important events and institutions including The League of Nations The Havana Charter and UNCTAD as well as on particularly influential development economists Contemporary topics such as the role of finance feminism the agrarian issue and ecology and the environment are also covered in depth This comprehensive Handbook offers an unrivalled review and analysis of alternative and heterodox theories of economic development It should be read by all serious scholars teachers and students of development studies and indeed anyone interested in alternatives to development orthodoxy
