**Selections from English Wycliffite Writings; Ed., with an Intr., Notes and Glossary** ,1978      English John Wyclif Writings John Wycliff,Anne Hudson,1981      **A Companion to British Literature, Volume 1** Heesok Chang,Robert DeMaria, Jr.,Samantha Zacher,2013-12-13 A Companion to British Literature Medieval Literature 700 1450      **Language Anxiety** Tim William Machan,2009-01-29 This book looks at the ever present anxieties associated with language change Focusing on English from Alfred the Great to the present Tim Machan offers a fresh perspective on the history of language He reveals amusing and sometimes disconcerting aspects of our linguistic and social behavior and suggests that anxiety about language has sometimes allowed us to avoid the issues we really find disturbing when speakers of English worry over grammar sounds or words the real source of their anxiety is often not language at all but issues like immigration or social instability Drawing on an array of evidence from archives literature history polemics and the press as well as centuries of legislation Tim Machan uncovers the perennial nature of concerns about the poverty and purity of English There has never been a time he shows when we weren t worried about the corruption of language and its apparent connections with educational standards the morality of youth the integrity of society and the identity of our nations This is a fascinating story told here in consummate fashion combining insight and anecdote and learning with wit a book for everyone interested in languages and the people who speak them      Fashioning England and the English Rahel Orgis,Matthias Heim,2018-07-27 This book explores how literary texts envision England and respond to discourses and conceptions of Englishness and the English nation especially in relation to gender and language The essays discuss texts from the fifteenth to the twentieth century and bear witness to changing views of England and the English highlighting the importance of religion economy landscape the spectre of the other and language in this discourse The volume pays attention to women writers reflection on the nation and the roles female figures play in male writers visions of nationhood It brings into conversation less well known voices like those of Osborn Bokenham Thomas Deloney Eleanor Davies and Jacquetta Hawkes with canonical authors William Shakespeare William Wordsworth Jane Austen and Virginia Woolf and opens a space for exploring the interplay of dominant and variant voices in the fashioning of England      **A Companion to Medieval English Literature and Culture, c.1350 - c.1500** Peter Brown,2009-10-26 A Companion to Medieval English Literature and Culture c 1350 c 1500 challenges readers to think beyond a narrowly defined canon and conventional disciplinary boundaries A ground breaking collection of newly commissioned essays on medieval literature and culture Encourages students to think beyond a narrowly defined canon and conventional disciplinary boundaries Reflects the erosion of the traditional rigid boundary between medieval and early

modern literature Stresses the importance of constructing contexts for reading literature Explores the extent to which medieval literature is in dialogue with other cultural products including the literature of other countries manuscripts and religion Includes close readings of frequently studied texts including texts by Chaucer Langland the Gawain poet and Hoccleve Confronts some of the controversies that exercise students of medieval literature such as those connected with literary theory love and chivalry and war

**The Gawain-Poet and the Fourteenth-Century English Anticlerical Tradition** Ethan Campbell, 2018-04-15 Ethan Campbell argues that a central feature of the Gawain poet's Middle English works moral rhetoric is anticlerical critique Written in an era when clerical corruption was a key concern for polemicists such as Richard FitzRalph and John Wyclif as well as satirical poets such as John Gower William Langland and Geoffrey Chaucer the Gawain poems feature an explicit attack on hypocritical priests in the opening lines of Cleanthes as well as more subtle critiques embedded within depictions of flawed priest-like characters

Pilgrimage in Medieval England Diana Webb, 2007-02-10 The men and women who gathered at the Tabard Inn in Southwark in Chaucer's Canterbury Tales are only the most famous of the tens of thousands of English pilgrims from kings to peasants who set off to the shrines of saints and the sites of miracles in the middle ages As they traveled along well established routes in the hope of a cure or a blessing to fulfill a vow or to see new places the pilgrims left records that let us see medieval people and their concerns and beliefs from a unique and intimate angle As well as the most famous shrines notably that of St Thomas Becket at Canterbury Diana Webb also describes the many local pilgrimages and cults and their rise and fall over the English middle ages as a whole Webb's scholarly achievement deserves high praise Christina Hardyment The Independent

Same-sex Sexuality in Later Medieval English Culture Tom Linkinen, 2025-10-01 This volume investigates the state of same sex relations in later medieval England drawing on a remarkably rich array of primary sources from the period that include legal documents artworks theological treatises and poetry Tom Linkinen uses those sources to build a framework of medieval condemnations of same sex intimacy and desire and then shows how same sex sexuality reflected and was inflected by gender hierarchies approaches to crime and the conspicuous silence on the matter in the legal systems of the period

**The church as sacred space in Middle English literature and culture** Laura Varnam, 2018-01-11 This book presents an exciting new approach to the medieval church by examining the role of literary texts visual decorations ritual performance and lived experience in the production of sanctity The meaning of the church was intensely debated in the fourteenth and fifteenth centuries This book explores what was at stake not only for the church's sanctity but for the identity of the parish community as a result Focusing on pastoral material used to teach the laity it shows how the church's status as a sacred space at the heart of the congregation was dangerously but profitably dependent on lay practice The sacred and profane were inextricably linked and paradoxically the church is shown to thrive on the sacrilegious challenge of lay misbehaviour and sin

**Textual Criticism and Middle English Texts** Tim William Machan, 1994 Textual Critical studies of medieval English literature have primarily focused on

practical matters such as transcription collation recension and the identification of scribal hands But the theory of editing medieval English works remains largely unexplored Tim William Machan addresses this void by setting out to articulate the textual and cultural factors that distinctively characterize Middle English works as Middle English and to reveal the role these factors play in editing and interpretation of these works In revealing how the creation of textual criticism affected the transmission of Middle English this book will be of interest and accessible to readers relatively new to both textual criticism and Middle English It will also be of vital importance to specialists in medieval studies Renaissance studies and textual criticism *Memory and the English Reformation* Alexandra Walsham, Bronwyn Wallace, Ceri Law, Brian

Cummings, 2020-11-12 Recasts the Reformation as a battleground over memory in which new identities were formed through acts of commemoration invention and repression *English Readers of Catholic Saints* Judy Ann Ford, 2020-05-18 In 1484 William Caxton the first publisher of English language books issued *The Golden Legend* a translation of the most well known collection of saints lives in Europe This study analyzes the molding of the *Legenda aurea* into a book that powerfully attracted the English market Modifications included not only illustrations and changes in the arrangement of chapters but also the addition of lives of British saints and translated excerpts from the Bible showing an appetite for vernacular scripture and stories about England's past The publication history of Caxton's *Golden Legend* reveals attitudes towards national identity and piety within the context of English print culture during the half century prior to the Henrician Reformation

### **Manuscripts in Lambeth Palace Library, Including Those Formerly in Sion College Library** Oliver S.

Pickering, Veronica M. O'Mara, 1999 Lambeth Palace Library which dates from a request by Archbishop Bancroft in 1610 is one of England's major repositories of medieval manuscripts The collection is large enough to be fully representative of the corpus of Middle English prose the Brut the Wycliffite Bible and Love's Mirror for example are all present in some cases in multiple copies as are writings by Hilton and Rolle There are sermon cycles including an almost complete set of Wycliffite sermons medical recipes historical works and anthologies of religious treatises Altogether the current handlist indexes are almost eight hundred separate items ranging from the veterinary to the liturgical *Middle English Literature* Matthew Boyd Goldie, 2008-04-15 This collection of fourteenth and fifteenth century documents is designed for students of Chaucer and Middle English literature It makes readily available accounts of key historical events and descriptions of pertinent cultural phenomena Brings together in one volume fourteenth and fifteenth century historical and cultural texts Documents shed light on the themes and styles that appear in Chaucer and other Middle English literature Contains twelve important images from the period Concise introductions and bibliographies accompany all documents **The English Apocalypse** Ethan Campbell, 2024-11-04 Before the Wycliffite Bible in the 1380s one of the only complete books of the Bible to be translated into Middle English was the Book of Revelation The English Apocalypse translated from the French in the early 14th century must have been well known to the later translators as it appears in 18 extant manuscripts sometimes alongside Wycliffite

material This edition reproduces for the first time a copy of the English Apocalypse which actually replaced the Book of Revelation at the end of a Wycliffite New Testament      *Smaller Bodleian Collections* Ralph Hanna, Bodleian Library, 1997

This is a survey of the prose to be found in six smaller collections of the Bodleian Library English Miscellaneous English Poetry English Theology Latin Theology Lyell and the Radcliffe Trust The manuscripts covered include the largest in Middle English the Vernon manuscript      *Medieval Images, Icons, and Illustrated English Literary Texts* Maidie Hilmo, 2019-10-30

The function of images in the major illustrated English poetic works from the Anglo Saxon period to the early fifteenth century is the primary concern of this book Hilmo argues that the illustrations have not been sufficiently understood because modern judgments about their artistic merit and fidelity to the literary texts have got in the way of a historical understanding of their function The author here proves that artists took their work seriously because images represented an invisible order of reality that they were familiar with the vernacular poems and that they were innovative in adapting existing iconographies to guide the ethical reading process of their audience To provide a theoretical basis for the understanding of early monuments artefacts and texts she examines patristic opinions on image making supported by the most authoritative modern sources Fresh emphasis is given to the iconic nature of medieval images from the time of the iconoclastic debates of the 8th and 9th centuries to the renewed anxiety of image making at the time of the Lollard attacks on images She offers an important revision of the reading of the Ruthwell Cross which changes radically the interpretation of the Cross as a whole Among the manuscripts examined here are the Caedmon Auchinleck Vernon and Pearl manuscripts Hilmo's thesis is not confined to overtly religious texts and images but deals also with historical writing such as Layamon's Brut and with poetry designed ostensibly for entertainment such as the Canterbury Tales This study convincingly demonstrates how the visual and the verbal interactively manifest the real text of each illustrated literary work The artistic elements place vernacular works within a larger iconographic framework in which human composition is seen to relate to the activities of the divine Author and Artificer Whether iconic or anti iconic in stance images by their nature were a potent means of influencing the way an English author's words accessible in the vernacular were thought about and understood within the context of the theology of the Incarnation that informed them and governed their aesthetic of spiritual function This is the first study to cover the range of illustrated English poems from the Anglo Saxon period to the early 15th century
