Selections From Just So Stories

Rudyard Kipling

Selections From Just So Stories:

How Women Got Their Curves and Other Just-So Stories David P Barash, Judith Eve Lipton, 2009-04-28 The authors of *Gender Gap: The Biology of Male-Female Differences* take readers on a joyride of intellectual discovery full of provocative ideas. Pepper Schwartz, author of *Prime So*, asks how did women get their curves? Why do they have breasts while other mammals only develop breast tissue while lactating and why do women menstruate when virtually no other beings do so? What are the reasons for female orgasm? Why are human females kept in the dark about their own time of ovulation and maximum fertility and why are they the only animals to experience menopause? David P Barash and Judith Eve Lipton, coauthors of acclaimed books on human sexuality and gender, discuss the theories scientists have advanced to explain these evolutionary enigmas, sometimes called Just So stories by their detractors, and present hypotheses of their own. Some scientific theories are based on legitimate empirical data while others are pure speculation. Barash and Lipton distinguish between what is solid and what remains uncertain, skillfully incorporating their expert knowledge of biology, psychology, animal behavior, anthropology, and human sexuality into their entertaining critiques. Inviting readers to examine the evidence and draw their own conclusions, Barash and Lipton tell an evolutionary suspense story that captures the excitement and thrill of true scientific detection. A delightful, thought-provoking volume on perennial questions about female biology. Along the way they present a large amount of accessible information about biology, psychology, physiology, and anatomy. Even more important, they demonstrate how scientists work to create and assess hypotheses while having a great deal of fun. Publishers Weekly [The Just So Stories](#)

Ronna Frank, Joseph Robinette, 2002 [The Just So Stories](#) Rudyard Kipling, 2001 Five of Kipling's Just So stories including *How the camel got his hump*, *How the rhinoceros got his skin*, and *How the elephant got his trunk* are included here. The tales are brought vividly to life by Kipling's young daughter Elsie and a group of new friends she has made during a visit with her aunt while her parents are away. Elsie receives in the mail from her father a recently published copy of his new book, a series of animal adventures. Elsie and her friends eagerly act out the stories until they come to the final one, which to the surprise of her friends, Elsie is reluctant to enact. The ending, which holds a surprise or two, is moving and uplifting as Elsie learns something about herself and her friends as well. [The Theory of Cultural and Social Selection](#) W. G. Runciman, 2009-11-05

The Darwinian legacy 1 [Just So Stories](#) Rudyard Kipling, 2004 Twelve short stories, most of which tell how such things as the alphabet, the camel's hump, and the elephant's trunk came to be. **Just So Stories (EasyRead Comfort Edition)** ,

Just So Stories for Little Children Rudyard Kipling, 2009-01-29 How did the camel get his hump? Why won't cats do as they are told? Who invented reading and writing? How did an inquisitive little elephant change the lives of elephants everywhere? Kipling's imagined answers to such questions draw on the beast fables he heard as a child in India, as well as on folk traditions he later collected all over the world. He plays games with language, exploring the relationships between thought, speech, and written word. He also celebrates his own joy in fatherhood. The tales were told to his own and his friends

children over many years before he wrote them down adding poems and his own illustrations They invite older and younger readers to share a magical experience each contributing to the other s pleasure but each can also enjoy them alone as more jokes subtexts and exotic references emerge with every reading This fully illustrated edition icludes two extra stories and Kipling s own explanation of the title ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

How the Just So Stories Were Made John Batchelor,2021-05-11 A fascinating richly illustrated exploration of the poignant origins of Rudyard Kipling s world famous children s classic From How the Leopard Got Its Spots to The Elephant s Child Rudyard Kipling s Just So Stories have delighted readers across the world for more than a century In this original study John Batchelor explores the artistry with which Kipling created the Just So Stories using each tale as an entry point into the writer s life and work including the tragedy that shadows much of the volume the death of his daughter Josephine Batchelor details the playful challenges the stories made to contemporary society In his stories Kipling played with biblical and other stories of creation and imagined fantastical tales of animals development and man s discovery of literacy Richly illustrated with original drawings and family photographs this account reveals Kipling s public and private lives and sheds new light on a much loved and tremendously influential classic

Selections From Just So Stories Introduction

In the digital age, access to information has become easier than ever before. The ability to download Selections From Just So Stories has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Selections From Just So Stories has opened up a world of possibilities. Downloading Selections From Just So Stories provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Selections From Just So Stories has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Selections From Just So Stories. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Selections From Just So Stories. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Selections From Just So Stories, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download

Selections From Just So Stories has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Selections From Just So Stories Books

1. Where can I buy Selections From Just So Stories books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
