

Selective Service And American Society

**United States. Congress. House.
Committee on Armed Services**

Selective Service And American Society:

Selective Service and American Society Roger William Little, 1969 A penetrating analysis of the Selective Service System its recruiting services the makeup and attitude of those who serve on local draft boards the criteria for deferment or rejection from service and the application of the principle of universality in the present draft laws Using data from several sources the study also explores the position of blacks with respect to military service Comprehensive recommendations are set forth

In the Shadow of the Greatest Generation Melinda L. Pash, 2014-05-22 Largely overshadowed by World War II's greatest generation and the more vocal veterans of the Vietnam era Korean War veterans remain relatively invisible in the narratives of both war and its aftermath Yet just as the beaches of Normandy and the jungles of Vietnam worked profound changes on conflict participants the Korean Peninsula chipped away at the beliefs physical and mental well being and fortitude of Americans completing wartime tours of duty there Upon returning home Korean War veterans struggled with home front attitudes toward the war faced employment and family dilemmas and wrestled with readjustment Not unlike other wars Korea proved a formative and defining influence on the men and women stationed in theater on their loved ones and in some measure on American culture In the Shadow of the Greatest Generation not only gives voice to those Americans who served in the forgotten war but chronicles the larger personal and collective consequences of waging war the American way

Americans and the Wars of the Twentieth Century Jenel Virden, 2008-02-04 Jenel Virden outlines the causes courses and consequences of the major wars of the Twentieth century in American history examining how the US became involved how the wars were fought and the domestic consequences Applying just war theory foreign policy as well as civil liberty are discussed

Conscription and Democracy George Q. Flynn, 2001-12-30 Finding the manpower to defend democracy has been a recurring problem Russell Weigley writes The historic preoccupation of the Army's thought in peacetime has been the manpower question how in an unmilitary nation to muster adequate numbers of capable soldiers quickly should war occur When the nature of modern warfare made an all volunteer army inadequate the major Western democracies confronted the dilemma of involuntary military service in a free society The core of this manuscript concerns methods by which France Great Britain and the United States solved the problem and why some solutions were more lasting and effective than others Flynn challenges conventional wisdom that suggests that conscription was inefficient and that it promoted inequality of sacrifice Sharing similar but not identical diplomatic outlooks the three countries discussed here were allies in world wars and in the Cold War and they also confronted the problem of using conscripts to defend colonial interests in an age of decolonization These societies rest upon

democratic principles and operating a draft in a democracy raises several unique problems A particular tension develops as a result of adopting forced military service in a polity based on concepts of individual rights and freedoms Despite the protest and inconsistencies the criticism and waste Flynn reveals that conscription served the three Western democracies well in an historical context proving effective in gathering fighting men and allowing a flexibility to cope and change as problems arose

House. Committee on Appropriations. Subcommittee on VA, HUD, and Independent Agencies,1997 *The U. S. Army's Transition to the All-Volunteer Force (1968-1974)* Robert K. Griffith, Jr.,1999-05 The all volunteer force the historic norm in peacetime America was reestablished in the U S on 30 June 1973 when induction authority expired But never before had the U S attempted to field a standing Army in peacetime based on voluntary enlistments with the worldwide responsibilities that faced this force Since the mid 1980s the ability of the armed forces to recruit and retain quality volunteers has not been seriously questioned This book takes us through those years of transition examining both the context in which the end of the draft occurred and the perspective which the Army s leaders brought to bear on the challenge they faced Departments of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations for 2005 United States.

Congress. House. Committee on Appropriations. Subcommittee on VA, HUD, and Independent Agencies,2004 **Hearings**

United States. Congress. House. Committee on Armed Services,1972 American Women During World War II Doris Weatherford,2009-10-16 American Women during World War II documents the lives and stories of women who contributed directly to the war effort via official and semi official military organizations as well as the millions of women who worked in civilian defense industries ranging from aircraft maintenance to munitions manufacturing and much more It also illuminates how the war changed the lives of women in more traditional home front roles All women had to cope with rationing of basic household goods and most women volunteered in war related programs Other entries discuss institutional change as the war affected every aspect of life including as schools hospitals and even religion American Women during World War II provides a handy one volume collection of information and images suitable for any public or professional library Hearings, Reports and Prints of the House Committee on Armed Services United States. Special Subcommittee to South Vietnam,1967 The Journal of the American-Irish Historical Society American-Irish Historical Society,1919 Contains the Society s meetings proceedings etc *Congressional Record* United States.

Congress,1981 **Every Citizen a Soldier** William A. Taylor,2014-08-01 Beginning in 1943 US Army leaders such as John M Palmer Walter L Weible George C Marshall and John J McCloy mounted a sustained and vigorous campaign to establish a system of universal military training UMT in America Fearful of repeating the rapid demobilization and severe budget cuts that had accompanied peace following World War I these leaders saw UMT as the basis for their postwar plans As a result they promoted UMT extensively and aggressively In Every Citizen a Soldier The Campaign for Universal Military Training after World War II William A Taylor illustrates how army leaders failed to adapt their strategy to the political realities of the day and underscores the delicate balance in American democracy between civilian and military control of strategy This story is vital because of the ultimate outcome of the failure of the UMT initiative the birth of the Cold War draft
