necessary to cruise successfully Cruising with Class began as a series of lectures at the Sarasota Florida Sailing Squadron with the intention of teaching basic skills to beginning cruisers Comfort on the water is not a matter of soft cushions It comes from confidence in the ability to voyage safely Reading the weather planting the anchor calculating the tides navigating a coast avoiding fatigue choosing equipment coping with storms reacting to disasters these are the arts of a cruiser Although the book calls on the author s 25 years of cruising small sailboats it is not a travelogue Instead it is a precise iteration of lessons learned the hard way and presented in sailor to sailor fashion so others can avoid disaster and find comfort bred in confidence on the water **Cruising World** ,1997-01 The First Indian Dilip Donde,2016-04-05 An engrossing narrative of one man s struggle to achieve his dream against all odds this is both a fast paced adventure and a telling commentary on how heroes are often made despite the system they operate in by dint of sheer perseverance and commitment to a chosen path Above all it s a paean to the power of self belief that serves to inspire motivate and exhilarate On 19 May 2010 as he sailed INSV Mhadei into Mumbai harbour Commander Dilip Donde earned his place in India s maritime history by becoming the first Indian to complete a solo circumnavigation under sail south of the 3 Great Capes The feat successfully completed by just over 200 people in the world had never been attempted in his country before In his own words the book chronicles his progress over four years from building a suitable boat with an Indian boat builder weaving his way through the sea blind and often quixotic bureaucracy and training himself with no precedent or knowledge base in the country to finally sailing solo around the world During this gruelling task he was mentored by Sir Robin Knox Johnston the first man to sail solo non stop around the world
