Self-Destruction Peter Brownlowe,2005-12 Not since Jimmy the Greek s statement on race has there been a book this edgy This book says what everyone would like to say but are scared to say Straight out of the projects of Bronx New York this author has traveled down many roads and has experienced many of the things that most will not have had the opportunity to do He has taken some of those thoughts and experiences and put it all in this book in order to expose some of the problems and feelings that he believes is plaguing our country An ex military officer and police officer he recently returned from the war in Iraq and tells us what he really thinks about the war and our current administration He talks about his passion for a crimeless society and holds no punches when talking about crimes and punishment which he believes is one of the most important issues of our time He describes some of the troubles that are in the African American communities and the daunting and somber short and long term effects it is having on his people and society This book will undoubtedly raise some eyebrows and awareness and create a discussion among many My Country and My People 3 , My Country and My People Maxamed Siyaad Barre,1974 My Country and My People 6 , International Sunday School Evangel ,1905

Johnson,1845      **Realigners** Timothy Shenk,2022-10-18 One of The Wall Street Journal s best political books of 2022 An eye opening new history of American political conflict from Alexander Hamilton to Alexandria Ocasio Cortez These days it seems that nobody is satisfied with American democracy Critics across the ideological spectrum warn that the country is heading toward catastrophe but also complain that nothing seems to change At the same time many have begun to wonder if the gulf between elites and ordinary people has turned democracy itself into a myth The urges to defend the country s foundations and to dismantle them coexist often within the same people How did we get here Why does it feel like the country is both grinding to a halt and falling to pieces In *Realigners* the historian Timothy Shenk offers an eye opening new biography of the American political tradition In a history that runs from the drafting of the Constitution to the storming of the Capitol Shenk offers sharp pen portraits of signal characters from James Madison and Charles Sumner to Phyllis Schlafly and Barack Obama The result is an entertaining and provocative reassessment of the people who built the electoral coalitions that defined American democracy and a guide for a time when figures ranging from Alexandria Ocasio Cortez to MAGA minded nationalists seek to turn radical dreams into political realities In an era when it seems democracy is caught in perpetual crisis *Realigners* looks at earlier moments in which popular majorities transformed American life We ve had those moments before And if there s an escape from the doom loop that American politics has become it s because we might have one again
