The Index ,1883 **Love, Friendship and Faith in Europe, 1300-1800** L. Gowing,M. Hunter,M. Rubin,2005-10-14

This ground breaking volume explores the terrain of friendship against the historical backdrop of early modern Europe In these thought provoking essays the terms of friendship are explored from the most intimate and erotically charged to the reciprocities of village life This is a rich offering in social and cultural history that is attuned to the pervasive language of religion A hidden history is revealed of friendships that we have lost and of friendships starkly and movingly familiar

Women and Literary Celebrity in the Nineteenth Century Brenda R. Weber,2016-02-11 Focusing on representations of women s literary celebrity in nineteenth century biographies autobiographical accounts periodicals and fiction Brenda R Weber examines the transatlantic cultural politics of visibility in relation to gender sex and the body Looking both at discursive patterns and specific Anglo American texts that foreground the figure of the successful woman writer Weber argues that authors such as Elizabeth Gaskell Fanny Fern Mary Cholmondeley Margaret Oliphant Elizabeth Robins Eliza Potter and Elizabeth Keckley helped create an intelligible category of the famous writer that used celebrity as a leveraging tool for altering perceptions about femininity and female identity Doing so Weber demonstrates involved an intricate gender sex negotiation that had ramifications for what it meant to be public professional intelligent and extraordinary Weber s persuasive account elucidates how Gaskell s biography of Charlotte Bront served simultaneously to support claims for Bront s genius and to diminish Bront s body in compensation for the magnitude of those claims thus serving as a touchstone for later representations of women s literary genius and celebrity Fanny Fern for example adapts Gaskell s maneuvers on behalf of Charlotte Bront to portray the weak woman s body becoming strong as it is made visible through and celebrated within the literary marketplace Throughout her study Weber analyzes the complex codes connected to transatlantic formations of gender sex the body and literary celebrity as women authors proactively resisted an intense backlash against their own success

The Potter's Eye Mark Hewitt,Nancy Sweezy,2005-01-01 Traces the history of North Carolina pottery from the nineteenth century to the present day demonstrating the intriguing historic and aesthetic relationships that link pots produced in North Carolina to pottery traditions in Europe and Asia in New England and in the neighboring state of South Carolina

Beatrix Potter's Peter Rabbit Margaret Mackey,2002 Thirteen essays explore the timeless appeal of Peter s

antics and the impact of this extraordinary book on children worldwide Contributors each a respected scholar in the field of children s literature examine details of Potter s life her history as an artist her accomplishments as a naturalist and the contextual factors affecting her writing and illustrations Others investigate the timelessness of this story exploring its psychological and sociological truths and comparing Peter Rabbit to present day literature **Techniques Using Slips**

John Mathieson,2010-04-30 Covers a wide range of ways to use slips to decorate ceramic works illustrated with contemporary examples American Social Character Rupert Wilkinson,2019-03-04 This anthology features the writings of 17 important analysts of American character and culture From 1945 to the present this book includes selections by Charles Reich Christopher Lasch Philip Slater and many others There is a general introduction to the subject and each selection is preceded by an introduction and followed by a critical comme **The Potter's Hands: A 366-Day Journey to Knowing God**

Jason Lawson,2021-11-16 The day Jason Lawson s stress reached a tipping point he found himself shaking so badly he couldn t even pour orange juice into a blender for his family s breakfast He felt like his world was falling around him and he was afraid of losing his family his job and his mind But that was the day Jason met the Potter Not the cartoon God on nursery walls or the religious God preached about in many churches That day Jason began a journey with the Potter to learn Who He really is and why He created man and this journey is compiled in his new devotional The Potter s Hands A 366 Day Journey to Knowing God The Potter s Hands tackles questions such as If the Potter is so good then why did He create me to hurt and struggle Why am I so cracked and flawed Why does He fill me with so much pain and many more The answer Jason found was simple He is the Potter and we are the clay He formed us for His glory not our comfort He decides our size and shape He chooses what to pour into us and He is the One Who determines where He places us Our role in this is to trust Him as the Potter the Savior the Counselor the Servant the Commander the Spirit the Creator the Father the Rabbi the Redeemer the Healer and the Shepherd The heartbeat of The Potter s Hands is to remind readers that the clay can do nothing apart from the Potter s hands but in the Potter s hands He can create a masterpiece for His glory What more could we ask for Come along for one year and walk with Him Let the Potter reveal to you Who He really is **The Myth of Empowerment**

Dana Becker,2005-02-01 The Myth of Empowerment surveys the ways in which women have been represented and influenced by the rapidly growing therapeutic culture both popular and professional from the mid nineteenth century to the present The middle class woman concerned about her health and her ability to care for others in an uncertain world is not as different from her late nineteenth century white middle class predecessors as we might imagine In the nineteenth century she was told that her moral virtue was her power today her power is said to reside in her ability to relate to others or to take better care of herself so that she can take care of others Dana Becker argues that ideas like empowerment perpetuate the myth that many of the problems women have are medical rather than societal personal rather than political From mesmerism to psychotherapy to the Oprah Winfrey Show women have gleaned ideas about who they are as psychological beings Becker

questions what women have had to gain from these ideas as she recounts the story of where they have been led and where the therapeutic culture is taking them **Wild Clay** Matt Levy, Takuro Shibata, Hitomi Shibata, 2022-10-27 The ultimate illustrated guide for sourcing processing and using wild clay Potters around the world are taking to the local landscape to dig their own wild clay discover its unique properties and apply it to their craft This guide is the ideal starting point for anyone from novices improvers and experts to educators and students who wants to forge a closer bond between their art and their surroundings Testing and trial and error are key to finding a material s best use so the authors tips drawn from long experience in the US and Japan but which can be applied to clays anywhere provide an enviable head start on this rewarding journey A clay might be best suited to sculpture and tile bodies throwing clay bodies handbuilding and slab bodies or simply be applied as a glaze or slip The specific properties of found materials can create a diverse range of effects and surfaces or even when not fired can be adapted for use as colorful pastels or pigments Beautiful illustrations and helpful technical descriptions explain the formation of various clays how to locate collect and assess them how to test their properties of shrinkage water absorption texture and plasticity the best ways to test fire them and how to adapt a clay s characteristics by blending appropriate materials From prospecting in the field to holding your finished product there is helpful advice through every stage and a gallery of work by international potters who have embraced the clays found around them The Potter's Wheel Ahmed Musa, 2024-12-14 Step into the workshop of a potter in The Potter s Wheel Jeremiah s Vision of Redemption a profound retelling of the prophet Jeremiah s powerful encounter with God s message of restoration Through vivid storytelling experience Jeremiah s vision as he watches a potter shape clay on a wheel When the vessel is marred the potter reshapes it into something new reflecting God s ability to reform and redeem His people despite their flaws This timeless imagery reveals the depths of God s patience purpose and power to bring beauty from brokenness Perfect for readers seeking hope and renewal The Potter s Wheel inspires trust in God s craftsmanship and reminds us that no life is beyond His redemptive touch A moving story of grace and the promise of transformation through divine hands Loose Ends Russell Reising, 1996 In this study of American cultural production from the colonial era to the present Russell Reising takes up the loose ends of popular American narratives to craft a new theory of narrative closure In the range of works examined here from Phillis Wheatley s poetry to Herman Melville s Israel Potter from Henry James s The Jolly Corner to the Disney Studio s Dumbo Reising finds endings that violate all existing theories of closure and narratives that expose the the often unarticulated issues that inspired these texts Reising suggests that these non endings entirely refocus the narrative structures they appear to conclude accentuate the narrative stresses and ideological fissures that the texts seem to suppress and reveal shadow narratives that trail alongside the dominant story line He argues that unless the reader notices the ruptures in the closing moments of these works the social and historical moments in which the narrative and the reader are embedded will be missed This reading not only offers new interpretive possibilities but also uncovers startling affinities between the poetry of

Phillis Wheatley and the fiction of Henry James between Charles Brockden Brown's *Wieland* and Melville's least studied novel and between Emily Dickinson's poem *I Started Early Took My Dog* and Disney's animated classic *Pursuing the* implications of these failed moments of closure Reising elaborates on topics ranging from the roots of domestic violence and mass murder in early American religious texts to the pornographic imperative of mid century nature writing and from James's descent into naturalist and feminist fiction to *Dumbo*'s explosive projection of commercial racial and political agendas for postwar U S culture
