The "new Woman" Revised Ellen Wiley Todd, 1993-01-01 In the years between the world wars Manhattan's Fourteenth Street Union Square district became a center for commercial cultural and political activities and hence a sensitive barometer of the dramatic social changes of the period It was here that four urban realist painters Kenneth Hayes Miller Reginald Marsh Raphael Soyer and Isabel Bishop placed their images of modern new women Bargain stores cheap movie theaters pinball arcades and radical political organizations were the backdrop for the women shoppers office and store workers and consumers of mass culture portrayed by these artists Ellen Wiley Todd deftly interprets the painters complex images as they were refracted through the gender ideology of the period This is a work of skillful interdisciplinary scholarship combining recent insights from feminist art history gender studies and social and cultural theory Drawing on a range of visual and verbal representations as well as biographical and critical texts Todd balances the historical context surrounding the painters with nuanced analyses of how each artist's image of womanhood contributed to the continual redefining of the new woman's relationships to men family work feminism and sexuality

Insiders and Outsiders Richard I. Cohen, Jonathan Frankel, Stefani Hoffman, 2010-01-28 This collection of essays breaks new ground in its interdisciplinary study of the way Jews redefined their identity in the changing societies of modern eastern Europe Sensitively treating the drama of east European Jewry from cultural and political vantage points prominent scholars provide fresh insights into the complex issues facing the Jewish world The multifaceted essays in this volume reflect the influence of the pioneering work of the historian Ezra Mendelsohn

The New York School Dore Ashton, 1992-10 With the emergence of Abstract Expressionism after World War II the attention of the international art world turned from Paris to New York Dore Ashton captures the vitality of the cultural milieu in which the New York School artists worked and argued and critiqued each other's work from the 1930s to the 1950s Working from unsifted archives from contemporary newspapers and books and from extensive conversations with the men and women who participated in the rise of the New York School Ashton provides a rich cultural and intellectual history of this period In examining the complex sources of this important

movement from the WPA program of the 1930s and the influx of European ideas to the recognition in the 1950s of American painting on an international scale she conveys the concerns of an extraordinary group of artists including Willem de Kooning Jackson Pollock Ad Reinhardt Philip Guston Barnett Newman Arshile Gorky and many others Rare documentary photographs illustrate Ashton's classic appraisal of the New York School scene *Pictures of People* Pamela Allara, 2000 A vibrant chronicle of the life and work of a prolific painter and bohemian eccentric **Turn Off Or Use Opener** David Kresh, 2007-05 In this his major book of poems poet David Kresh has explored a dangerous world Using language that is never as simple as it seems he has mapped the coordinates of a reality that seems to lie slightly beyond our own at once both magical and familiar and filled with unexpected moments of stark heartbreaking beauty David Kresh served as a reference librarian at the Library of Congress for nearly 40 years He died in 2006 PRAISE FOR Turn Off or Use Opener a poet with original vision and technical sophistication whose poems brim with surprise and pleasure Daniel Hoffman Consultant in Poetry to the Library of Congress 1973 1974 Kresh played with language until it was fresh and new innocent of pretension and unafraid of retribution the mundane became the magnificent Grace Cavalieri Author of What I Would Do For Love

Artists on the Left Andrew Hemingway, 2002-01-01 Examination of the relation between visual artists and the American communist movement in the first half of the twentieth century from the rise in prestige of the party during the Great Depression to its decline in the 1950s Account of how left wing artists responded to the party's various policy shifts the communist party exerted a powerful force in American culture **Seeing America** University of Rochester. Memorial Art Gallery, 2006 A stunning full color volume that examines 82 pieces in the University of Rochester Memorial Art Gallery's American collection and their connections to American history culture literature and politics Seeing America is the first ever catalog of the University of Rochester Memorial Art Gallery's American collection Founded in 1913 the Memorial Art Gallery was created in conjunction with the University of Rochester so that it would function within a scholarly milieu yet at the same time perform service as a community museum From its conception it has been an ardent advocate for American art which so many counterpart institutions snubbed until at least the 1930s and more often until well after World War II in favor of European and Asian art The 336 page full color volume examines 82 objects and their connections to American history culture literature and politics The 73 articles present a running commentary on each piece by knowledgeable and thoughtful contemporary scholars and artists writing with expertise and insight ultimately presenting a new and deeper understanding that enhances the reader viewer's appreciation of the work The tour ranges from Colonial times to the twenty first century from Maine to Florida to the far West from mighty historical subjects to intimate byways from august figures and events to the humblest and most anonymous The diversity of American experience on display here reminds us that the best American art is inextricably bound up with the essential truths of American experience **Social Concern and Left Politics in Jewish American Art** Matthew Baigell, 2015-04-03 This book explores the important and barely examined connections

between the humanitarian concerns embedded in the religious heritage of Jewish American artists and the appeal of radical political causes between the years of the Great Migration from Eastern Europe in the 1880s and the beginning of World War II in the late 1930s Visual material consists primarily of political cartoons published in leftwing Yiddish and English language newspapers and magazines Artists often commented on current events using biblical and other Jewish references meaning that whatever were their political concerns their Jewish heritage was ever present By the late 1940s the obvious ties between political interests and religious concerns largely disappeared The text set against events of the times the Russian Revolution the Depression and the rise of fascism during the 1930s as well as life on New York's Lower East Side includes artists statements as well as the thoughts of religious literary and political figures ranging from Marx to Trotsky to newspaper editor Abraham Cahan to contemporary art critics including Meyer Schapiro

The Top Books of the Year Self Revealment A Memoir The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Self Revealment A Memoir : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
