## **Selfless Love:**

**Selfless Love and Human Flourishing in Paul Tillich and Iris Murdoch** Julia Theresa Meszaros, 2016 In an age of self affirmation and self assertion selfless love can appear as a threat to the lover's personal well being This perception jars with the Biblical promise that we gain our life through losing it and therefore calls for a theological response In conversation with the Protestant theologian Paul Tillich and the atheistic moral philosopher and novelist Iris Murdoch *Selfless Love and Human Flourishing in Paul Tillich and Iris Murdoch* enquires into the anthropological grounds on which selfless love can be said to build up rather than undermine the lover's self It proposes that while the implausibility of selfless love was furthered by the modern deconstruction of the self both Tillich and Murdoch utilize this very deconstruction towards explicating and restoring the link between selfless love and human flourishing Julia T Meszaros shows that they use the modern diagnosis of the human being's lack of a stable and independent self as manifest in Sartre's existentialism in support of an understanding of the self as relational and fallen This leads them to view a loving orientation away from self and a surrender to the other as critical to the full flourishing of human selfhood In arguing that Tillich and Murdoch defend the link between selfless love and human flourishing through reference to the human being's ontological selflessness Meszaros closely engages Soren Kierkegaard's earlier attempt to keep selfless love and human flourishing in a productive dialectical tension She also examines the breakdown of this tension in the later figures of Anders Nygren Simone Weil and Jean Paul Sartre and addresses the pitfalls of this breakdown Her examination concludes by arguing that the link between selfless love and human flourishing would be strengthened by a more resolute endorsement of a personal God and of the reciprocal nature of selfless love

**Evangelism and Politics** John C. Barrett, 2020-02-20 In a fallen world politics will be a brutal at times violent sport Grandstanding demonizing misleading and lying are the native language of political debate Violence is historically how political conflicts are ultimately resolved This fact raises important questions about our faith Should Christians participate in politics and government If so how should we participate Evangelism Politics argues that Christians should participate in politics and government but their ultimate goal in doing so is evangelism not political change The way Christians participate in politics is therefore generally more important than the specific policies they advocate for In short Christian participation in politics should be marked by the fruit of the spirit At the same time Christians should not be naive in thinking godly engagement in politics guarantees political success Ungodly tactics are effective and Christians will be at a political disadvantage when they refuse to use such methods Nevertheless Christians should refuse to use them because they see God not the government as their ultimate protector and provider and godly engagement in politics as a way of providing an evangelistic witness to society that fulfills the Great Commission

**Love, Human and Divine** Edward Collins Vacek, 1994-04-01 Although the two great commandments to love God and to love our neighbors as ourselves are central to Christianity few theologians or spiritual writers have undertaken an extensive account of the meaning and forms of these

loves Most accounts in fact make love of God and love of self either impossible or immoral Integrating these two commandments Edward Vacek SJ develops an original account of love as the theological foundation for Christian ethics Vacek criticizes common understandings of agape eros and philia examining the arguments of Aquinas Nygren Outka Rahner Scheler and other theologians and philosophers He defines love as an emotional affirmative participation in the beloved's real and ideal goodness and he extends this definition to the love between God and self Vacek proposes that the heart of Christian moral life is loving cooperation with God in a mutually perfecting friendship

**Be Renewed** Willem van Vlastuin,2014-02-19 Personal renewal or sanctification belongs to the heart of the Christian life and is becoming more important in our present day culture Listening to Scripture and in conversation with a variety of theologians from the protestant tradition the author presents an up to date concept for a theology of personal renewal In this concept the spiritual union with Christ unio mystica cum Christo is taken as the starting point in order to consider the way in which renewal obtains form in relation to God our neighbour ourselves and the world To place this concept into a historical perspective van Vlastuin begins his study with an investigation of Luther and Calvin s theology concerning the relationship between the union with Christ and personal renewal The concept is developed within the current theological debate with particular reference to the eschatological character of the Christian life An important issue concerns the measure of renewal especially in relation to the sinful heart of the believer In this context the author also deals with the question of sanctification as a position or a process and the relation between the two In addition the relationship between the Holy Spirit and the human soul in the process of renewal is discussed Another important issue concerns the abiding significance of the law and the way in which it functions in the Christian life The exploration of several theological positions leads to a modern concept by which to understand law The study concludes with an investigation of the relationship between the eschatological Christian life in this present life and the complete revelation of the eschaton

**My Burden Is Light** Craig A. Satterlee,2023-01-10 My Burden Is Light Making Room for Jesus in Preaching invites preachers to reclaim proclaiming Jesus as the goal of preaching Too often Satterlee observes we usher Jesus to the back of the pulpit invite him to make a cameo appearance or even excuse him from the sermon altogether With the author's guidance readers imagine the ways Jesus is present in their favorite liturgical space and explore ways they can make room for Jesus in preaching and experience abundant life for themselves and for their people Satterlee argues that by preaching the mystery of Jesus's life death and resurrection as good news for God's people the church and the world all of whom long for salvation we powerfully address the issues we face including pandemic climate change assaults on democracy social justice and division Drawing on his lifetime of experience learning preaching and teaching the gospel this book is foundational for preaching courses and a balm for preachers needing nourishment and renewal

**On the True Nature of the Soul: Essays for the Seriously Curious** Robert Colacurcio,2017-02-16 This book is a compilation of essays written mostly to family members and friends in response to their questions and comments to my other books These essays were written in over a period of two years and can be read singly although I have grouped them to try to achieve a cumulative effect Many people seem satisfied with the childhood information about the soul that they carry into adulthood Some people just find the subject beyond them even though the soul is their most intimate companion Everyone agrees that proper feeding requires accurate information about the animal or person being fed and yet the spiritual nurture of the soul is not examined with the same critical eye Much that I have to say therefore has to do with the proper feeding of the soul based on a critical examination of the true nature of the soul As in all

my books I am indebted to the methods of examination from the Buddha's spiritual technology toolkit [The Righteous Rebel](#) Harjas Singh, 2018-11-01 He was born in a prison and his death was planned even before his birth He grew up as a cowherd and went on to become a great visionary leader Krishna is one of the most revered characters in history of ancient India There is a lot one can learn from Krishna's life and imbibe these teachings to build character and make new habits The Righteous Rebel gives the readers a deep understanding of Krishna's personality and the wisdom of his philosophies for the modern world

Reiner, 2012-12-06 The preceding Preface which Professor William Frankena had the great kindness to write as an introduction for the readers of the present English translation of my major work still requires several supplementary comments on my part Professor Frankena rightly considered it to be an advantage to introduce the English speaking world to my moral philosophy through its presentation in this book As an introduction to my moral philosophy Professor Frankena provided a concise formulation of the fundamental ideas of my ethics by quoting from an article I had just recently published Several points worth mentioning remain Firstly it is necessary to distinguish the two editions of the text here translated The first edition was published in 1951 by Anton Hain in Meisenheim am Glan under the title *Pflicht und Neigung Duty and Inclination* with the subtitle *Die Grundlagen der Sittlichkeit erOrtert und neu bestimmt mit besonderem Bezug auf Kant und Schiller* The Fundamentals of Morality Discussed and Redefined with Special Regard to Kant and Schiller In 1974 a revised and enlarged second edition was published by the same publisher and was entitled *Die Grundlagen der Sittlichkeit The Fundamentals of Morality* Of this second edition the first four chapters have been translated in the present volume along with four more recent essays
