Selling Catholicism Bishop Sheen And The Power Of Television:

Selling Catholicism Christopher Owen Lynch, 2021-12-14 When the popularity of Milton Berle's television show began to slip Berle quipped At least I'm losing my ratings to God He was referring to the popularity of Life Is Worth Living and its host Bishop Fulton J Sheen The show aired from 1952 to 1957 and Sheen won an Emmy beating competition that included Lucille Ball Jimmy Durante and Edward R Murrow What was the secret to Sheen's on air success Christopher Lynch examines how he reached a diverse audience by using television to synthesize traditional American Protestantism with a reassuring vision of Catholicism as patriotic and traditional Sheen provided his viewers with a sense of stability by sentimentalizing the medieval world and holding it out as a model for contemporary society Offering clear cut moral direction in order to eliminate the anxiety of cultural change he discussed topics ranging from the role of women to the perils of Communism Sheen's rhetoric united both Protestant and Catholic audiences reflecting and forming a vision of mainstream postwar America Lynch argues that Sheen's persuasive television presentations helped Catholics gain social acceptance and paved the way for religious ecumenism in America Yet Sheen's work also sowed the seeds for the crisis of competing ideologies in the modern American Catholic Church *The Preaching of Archbishop Fulton J. Sheen* Timothy H. Sherwood, 2011-11-01 This rhetorical study seeks to understand how and why Archbishop Fulton J Sheen's preaching was so persuasive to the people of his day Though many associate Sheen with his five years on prime time television in the 1950s it was the decades he spent preaching that wrought a religious tone to the Cold War and led the way in a national renewal of religion

Patterson, 2019-06-28 Ven Fulton J Sheen Dr Martin Luther King Jr and Rev Jerry Falwell religious leaders who popularized theology through media campaigns designed to persuade the public In Religion in the Public Square James M Patterson considers religious leaders who popularized theology through media campaigns designed to persuade the

public Ven Fulton J Sheen Dr Martin Luther King Jr and Rev Jerry Falwell differed profoundly on issues of theology and politics but they shared an approach to public ministry that aimed directly at changing how Americans understood the nature and purpose of their country From the 1930s through the 1950s Sheen was an early adopter of paperbacks radio and television to condemn totalitarian ideologies and to defend American Catholicism against Protestant accusations of divided loyalty During the 1950s and 1960s King staged demonstrations and boycotts that drew the mass media to him The attention provided him the platform to preach Christian love as a political foundation in direct opposition to white supremacy Falwell started his own church which he developed into a mass media empire He then leveraged it during the late 1970s through the 1980s to influence the Republican Party by exhorting his audience to not only ally with religious conservatives around issues of abortion and the traditional family but also to vote accordingly Sheen King and Falwell were so successful in popularizing their theological ideas that they won prestigious awards had access to presidents and witnessed the results of their labors However Patterson argues that Falwell s efforts broke with the longstanding refusal of religious public figures to participate directly in partisan affairs and thereby catalyzed the process of politicizing religion that undermined the Judeo Christian consensus that formed the foundation of American politics

Unto a Good Land David Edwin Harrell, Edwin S. Gaustad, John B. Boles, Sally Foreman Griffith, 2005-08-23 Introducing a New U S History Text That Takes Religion Seriously Unto a Good Land offers a distinctive narrative history of the American people from the first contacts between Europeans and North America's native inhabitants through the creation of a modern nation to the 2004 presidential election Written by a team of highly regarded historians this textbook shows how grasping the uniqueness of the American experiment depends on understanding not only social cultural political and economic factors but also the role that religion has played in shaping U S history While most United States history textbooks in recent decades have expanded their coverage of social and cultural history they still tend to shortchange the role of religious ideas practices and movements in the American past Unto a Good Land restores the balance by giving religion its appropriate place in the story This readable and teachable text also features a full complement of maps historical illustrations and In Their Own Words sidebars with excerpts from primary source documents
