Marketing Management Dirty Little Secrets reviews Because of this book we ll never be able to go back to the old way of selling It teaches us how buying decisions are made missing from the industry until now This book is too big to push under the rug It s crystal clear and easy to understand and necessary for any serious sales professional Jeff Blackwell Founder SalesPractice com This book is a dead on analysis of how buying decisions get made Anne Miller author Metaphorically Selling Sharon Drew has turned traditional sales thinking upside down and has provided a tactical roadmap for sellers to help buyers get the internal buy in necessary to buy Michael Norton Founder CanDoGo com Dirty Little Secrets takes us inside our buyer s decision making process where we discover factors they need to address prior to buying most of them having nothing to do with our solution Jill Konrath author Selling to Big Companies Revealing the secret to how people really buy has been untouched until now Dirty Little Secrets delivers powerful insights and practical thinking that transform not only selling but all forms of decision making Lee J Colan author Sticking to It Having pioneered the new sales paradigm more than two decades ago Sharon Drew is back with a very human accessible and powerful approach Britton Manasco Principal Manasco Marketing Partners This is not a business as usual book but a dramatic change in how we sell Someday Buying Facilitation R will be a natural part of our sales process Reg Nordman Managing Partner Rocket Builders Dirty Little Secrets is a must read for all senior executives Morgen explains why sales fails and provides deep insight into how customers decide Mark Dallmeir CEO The ROBB Group Holdings Sharon Drew s Buying Facilitation R model is the only approach that manages the off line decision making We ve used her process for 10 years and our revenues have grown consistently Dirty Little Secrets should be on the desk of every CEO and sales professional Jack Hubbard CEO St Meyer Hubbard Social entrepreneurs and progressives get uncomfortable about sales techniques and wary of manipulating people Dirty Little Secrets teaches how to serve customers with no persuasion or manipulation how to do good make money and keep integrity intact Gil Friend CEO Natural Logic Same Side Selling Ian Altman,Jack Quarles,2014-04 Are you tired of playing games with your customers The most widely used metaphors in sales are those related to sports battle or games The challenge with this mindset is it requires that one person wins and the other loses Instead of falling victim to a win lose approach what if you shared a common goal with your potential client How might things change if the client felt that you were more committed to their success than making the sale Does it sometimes seem like you and your client are working against each other Same Side Selling gives practical steps to break through sales barriers and turn confrontation into cooperation Sellers that implement the Same Side Selling approach will be seen as a valuable resource not a predatory peddler A Different Type of Book on Selling What makes Same Side Selling different from any other book on this topic is that it is co authored by people on both sides a salesman Ian and a procurement veteran who understands how companies buy Jack The buyer s perspective is baked into every sentence of the book along with the seller s point of view Our aim is to replace the adversarial trap with a cooperative collaborative mindset We also want to replace the old metaphor of selling as a game The New Metaphor Selling

Is a Puzzle Same Side Selling is the idea of solving a puzzle instead of playing a game Discover how to sell with integrity from the same side of the table for better results all around **When Buyers Say No** Tom Hopkins, Ben Katt, 2014-04-01 This is a complete and practical guide which highlights the authors new strategic approaches to selling when the buyer initially declines or is resistant on a sales opportunity Hopkins and Katt explain that most sales reps take a traditional linear approach to selling but that the trick in closing is in taking a more creative and circular approach That s the key It all starts with how the buyer initially says No Too many sales reps don t pay close attention as to how that s presented Hopkins and Katt point out that no may suggest all sorts of other options avenues that can eventually lead to the buyer actually saying yes The authors introduce a novel concept called the Circle of Persuasion which offers sales reps a new approach in this potentially tricky process Along the way WHEN BUYERS SAY NO details prescriptive steps and even sample dialogues that will instruct and guide sales professionals on how to best cultivate buyer seller relationships There s particular emphasis on how to establish the kind of rapport that ultimately leads to a successful close **Win-win Selling** ,2003 Whether you are a new or experienced salesperson you can adopt the unique problem solving Counselor mindset and avoid or address the four key obstacles to buying using Counselor techniques Relating create an open trusting relationship as a base for solving problems Avoids a lack of trust Discovery bring out and understand your customer s problems goals and visions so you can create solutions together Avoids a sense that the customer doesn t need your solutions Advocating link your customer s problems and goals with the solution you jointly develop then make your customer an internal advocate to help close the sale Avoids the sense that you can t help Supporting stick by your customer after the sale to ensure the customer feels the benefits of your solution and sees needs being met Avoids the feeling of no satisfaction This process can produced measurable results starting the the first day you use it **Selling in Tough Times** Tom Hopkins, 2014-08-20 Tough Times can be brought on by any number of factors a down economy Mother Nature shifts in customers needs national tragedy the list goes on and on These types of changes can be extremely disruptive even paralyzing when we re not prepared for them While many see no other option than to sit tight and ride things out when crisis strikes true career professionals in selling understand that the only way to deal with adversity is to meet it head on That s why a positive attitude and a proactive approach to problem solving are two of the most essential ingredients for success in selling and why those who embrace them not only to survive but thrive even in the most difficult of circumstances Now in his latest book SELLING IN TOUGH TIMES world renowned selling expert Tom Hopkins puts his real world in the trenches experience to work and shares his plan to reverse the momentum of tough times and even capitalize on them With exercises to help you discover previously overlooked opportunities and eliminate waste along with out of the box methods for recruiting new customers and key tips on how to solidify your existing business Hopkins gives you powerful ways to spur sales now and for years to come Learn how to Mine your client list to generate new leads Keep and reward your current customers so that they re loyal for life Reduce the

sales resistance that plagues tough times with tactics that overcome consumers fears Woo clients from your competition with 12 new strategies specially tailored for tough times Cycles will come and go but the principles of great selling and those who live by them stand firm Find out how you can achieve your maximum selling potential whatever the business climate in SELLING IN TOUGH TIMES today
