equality was formerly maintained by the House of France itself and in our day it is so still at least nominally witness the care with which the kings of France give to their sons the simple title of count It was in virtue of this system that Francois I crushed the splendid titles assumed by the pompous Charles the Fifth by signing his answer Francois seigneur de Vanves Louis XI did better still by marrying his daughter to an untitled gentleman Pierre de Beaujeu The feudal system was so thoroughly broken up by Louis XIV that the title of duke became during his reign the supreme honor of the aristocracy and the most coveted
