**Style and Emotion in Comic Novels and Short Stories** Agnes Marszalek, 2020-03-19 This book builds on cognitive stylistics humour studies and psychological approaches to literature and film to explore the emotional aspects of humorous narrative comprehension It investigates how the linguistic features of comic novels and short stories by for example Douglas Adams Joseph Heller and Nick Hornby can shape readers' experience of comedy considering the ways in which moods characters and the plot is used to trigger blends of positive and negative emotion The book offers an approach to such features of comedy as dark humour cringe humour and comic suspense emphasising the relationship between humorous language and mental states which are typically considered serious Agnes Marszalek's focus on the non-humorous side of experiencing comedy offers a key contribution to the study of humorous narratives By investigating humour as part of a narrative world this book moves towards addressing the complexity of the experience of humour in narrative texts providing implications not only for the linguistics of humour but also for those approaches to discourse comprehension which explore the affective side of engaging with texts

**The Black Cat**, 1904     A Family Affair Boxed Set 4 Mary Campisi, 2019-12-04 Heartache Betrayal Forgiveness

Redemption Real families aren't always the ones you know about A Family Affair Boxed Set 4 Books 10 12 is about so much more than a secret family Set in the small town of Magdalena New York the people have big hearts and good intentions at least most of them do Magdalena is a place of family forgiveness redemption and second chances And hope Lots of hope This town and the people in it are about helping others get through the tough times and broken dreams and doing it with the help of family friends sometimes even strangers This boxed set includes A Family Affair The Gift A Family Affair The Weddings and A Family Affair The Cabin A FAMILY AFFAIR THE GIFT Only one thing is missing from Tess and Daniel Cash Casherdon's perfect life a child Oh how they long for one to make their life complete But what is it people say about being careful what you wish for Their wish will come true but not in the way they think Daniel Casherdon's past is about to catch up with him It's bad enough when a woman arrives in Magdalena with a nine year old boy she claims is his but confessing to a terminal illness and asking Tess and Cash to raise the boy when she's gone Well that's going to require a big leap of faith that won't be easy or without repercussions How can anyone refuse a dying mother such a heartbreaking request Tess is torn between doing right by the child and acknowledging that another woman has given the man she loves something she may never be able to a child As the woman pulls Cash closer into her emotional circle it is Tess who becomes the outsider and soon she wonders if the woman has secrets she's not telling More than one resident is suspicious of anyone who drives a wedge between one of Magdalena's favorite couples The newcomer may look and act like the girl next door but something isn't right and Pop Benito is going to gather ammunition and find out what that something is But he'd better do it fast before it's too late A FAMILY AFFAIR THE WEDDINGS What's more charming than a Christmas wedding How about two Christmas weddings Join us as we head back to Magdalena in this holiday novella and witness two couples head down the road of happily ever after But don't expect that road to be nice and smooth Is anything worthwhile ever easy Still I'm betting on this town to help these couples through the rough patches and a good amount of snow to get to their happily ever after So are you wondering who these couples might be There are quite a few possibilities but I've decided to give you the true gift of a good surprise A FAMILY AFFAIR THE CABIN He's lost his fortune She's nursing a broken heart When fate steps in will love prevail Pete Finnegan had it all money power status a future wife until he lost it all in one huge financial gamble Now he's back in his hometown of Magdalena trying to figure out what to do with his life When Nate Desantro offers him a job fixing up a cabin one hundred miles away he jumps at the opportunity Peace and solitude in the woods away from busybodies and do gooders is exactly what he needs to contemplate his future But Pete doesn't expect to find a beautiful woman staying at the cabin Elissa Cerdi has escaped to the Blacksworth cabin to heal her broken heart As Gloria Blacksworth's former caregiver she's agreed to honor the dead woman's last request by mailing letters to select residents of Magdalena When Elissa meets Pete she doesn't know he has ties to Magdalena and she certainly doesn't know the final letter she plans to mail is about his father Pete and Elissa are both in need of healing and maybe that's why they agree to shut down the outside

world and pretend nothing exists but what's inside the cabin. Could that also be why they're able to open up to one another, talk about disappointments, hurts, betrayals, and hopes? Because it's all pretend. Is that why passion consumes them, burns them with a need they've never felt before? Is it so powerful because it isn't real? Except it is. When Pete uncovers the truth about Elissa's part in Gloria Blackworth's cruel scheme for vengeance, he feels betrayed and questions everything that happened in the cabin. As weeks pass and the couple forge separate lives, Pete must decide if he can open his heart once again to forgiveness and love.

Players Like Us Mary Campisi, 2023-06-06

He's not who he says he is, but neither is she. Neal Alexander has a reputation as a heartbreaker and a troublemaker who uses his trust fund, good looks, and come closer glances to get what he wants. Except that's not who he is anymore. He's found success and purpose in the business world but prefers to let everyone, including his family, believe he's still the reckless, self-absorbed playboy he used to be. Why share the truth and open himself up to judgment, criticism, and never good enough? Life is easier and less complicated this way, but living a lie has its own brand of torment. That torment comes straight at him when Rachel Reese, a regretful high school memory he wishes he could forget, lands in the same city. Rachel just wants to make her own choices and follow her passion for interior design. She's not giving up on her career dream, even if she's made a few missteps along the way. Wrong friends, lousy boyfriends, dead-end jobs. But this time, in this city, it's going to be different, and if she has to fabricate a bit for a career opportunity, well, is that so horrible? Nothing is going to derail her, especially not a smooth-talking disaster from her past like Neal Alexander. It's going to be difficult to keep the lies straight, the truth hidden, and the emotions from flaring, especially when the attraction between Neal and Rachel is so unwelcome. Can they trust each other enough to open up and share their true selves for a chance at real happiness?

BONUS: Included in this e-book is an excerpt from *Pulling Home*, That Second Chance series, Book Two. They promised to love one another forever, but tragedy tore them apart. Now destiny may just bring them back together.

A Family Affair: The Invitation Mary Campisi, 2022-11-29

Leah Darlington believes in safe and practical. At forty-one, she doesn't subscribe to taking risks in life or in love. She did that once years ago and ended up a single mother. Not happening again, and that's why she's decided it's better to be the friend, sister, daughter, and mother who cheers others on, lends a hand, or shoulder and encourages people to never give up. But the whole risk-avoidance strategy she's employed for herself changes when a stranger ventures into Magdalena Mitchell. Stafford captivates her with his cultured voice, commonsense logic, and love of nature, cooking, and easy conversation. Leah doesn't want to believe she's found a kindred spirit, much less a soulmate in Mitch, but what else could it be? Mitch Stafford is in Magdalena to honor his friend's dying wish, one that includes Leah Darlington. For a no-nonsense architect more comfortable with designs than emotion, he doesn't expect the spark of attraction when he meets the beautiful, down-to-earth woman with the engaging smile. But it's there, and the longer he's around her, the more difficult it is to ignore or deny. So how is he going to honor his best friend's dying wish without betraying the woman who might just own his heart?
