Short Stories With A Cutting Edge:

Short Stories with a Cutting Edge Harrison B. Young, 1999-12-01 **The Best Short Stories of Theodore Dreiser** Theodore Dreiser, 1919 Khat Free St Columbia and the river MeEwen of the shinig slave makers The shadow A Doer of the word Nigger Jeff The old neighborhood Phantom Gold My brother Paul The lost Phoebe Convention Marriage for one The Prince who was a thief **Very Short Stories** Sean Hill, 2011-12-13 Inspired by an experiment on Twitter these 300 moving stories are no bigger than a sentence or two on themes like love death and family In this one of a kind collection author Sean Hill has crafted hundreds of engaging stories that conjure an entire novel in just a sentence or two Sometimes sad often humorous and always creative these tales touch on a wide range of life experiences from romance and family to death and sex Nana rocked in her old wooden rocking chair Timmy you have always been my favorite she said He looked at her Nana I m Bobby Read your diary discovered your secret I thought I loved you but now I m not sure Don t know what to do you look so human Clowning was Daryl s profession cooking was his passion Stella thought he was perfect She liked to laugh and never learned to cook Alex bought Sharon a ring for Valentine s Day which she sold to buy the gun that stopped him from loving her In 2009 Sean Hill combined his love of writing and technology by creating VeryShortStory a Twitter feed where he interacts with his readers and shares his 140 character stories Praise for Very Short Stories Some are touching some ring true but most are laugh out loud funny Seattle Times The book is a treasure trove of fascinating exploration into the craft of language and storytelling Summit Daily Story telling is his bag pure and simple Austin American Statesman The best of the stories might rival Hemingway s classic six word story in their descriptive brevity and their ability to tell a complete and affecting tale Short and Sweet NYC Witty well crafted and always thought provoking Salt Lake Tribune *Cutting Edge* Margaret Atwood, Aimee Bender, Edwidge Danticat, Valerie Martin, Bernice L. McFadden, 2021-05-26 A chilling noir collection featuring fifteen crime and mystery tales and six poems from female authors Joyce Carol Oates a queen pin of the noir genre has brought her keen and discerning eye to the curation of an outstanding anthology of brand new top shelf short stories and poems by Margaret Atwood While bad men are not always the victims in these tales they get their due often enough to satisfy readers who are sick and tired of the gendered status quo or who just want to have a little bit of fun at the expense of a crumbling patriarchal society This stylistically diverse collection will make you squirm in your seat stay up at night laugh out loud and inevitably wish for more With stories by Joyce Carol Oates Margaret Atwood poems Valerie Martin Aimee Bender Edwidge Danticat Sheila Kohler S A Solomon S J Rozan Lucy Taylor Cassandra Khaw Bernice L McFadden Jennifer Morales Elizabeth McCracken Livia Llewellyn Lisa Lim and Steph Cha Praise for Cutting Edge The indefatigable Joyce Carol Oates gathers a strong list of names Emerging and established authors provide attention grabbing short works especially notable are Edwidge Danticat s story on the quotidian horror of domestic violence Bernice L McFadden s comic take on the appropriation of racial friendship and Lisa Lim s illustrations of a grotesque marriage Alfred Hitchcock Mystery Magazine

But of course in the end it isn't the themes or the innovations on the format of the short story anthology that make the tales collected in *Cutting Edge* most feel as if you were reading Joyce Carol Oates herself. It is the writing. The tight plots and fresh flowing prose that go about their business until snap the story's well-oiled mousetrap does its job. *New York Journal of Books*. The 15 stories and six poems in this slim yet weighty all-original noir anthology are razor sharp and relentless in their portrayal of life offering snapshots of dysfunction everyday toil and brief joy. It is unusual however in its scope zeroing in not only on what the female characters endure but what they dish out. Each story sears but does not cauterize leaving protagonists and readers raw. Fans of contemporary crime fiction won't want to miss this one. *Publishers Weekly* **H. G.**

The Leader's Bookshelf Martin Cohen, 2020-10-09 Which books inspired some of the world's most successful people and why Come on a journey of literary exploration and find out how books can impact your life It turns out that the life stories of many famous people start out with a particular book that inspired them when young Here Martin Cohen explores the lives of some remarkable people inventors scientists business gurus and political leaders and the books that have challenged inspired and influenced them And so exploring the ideas dreams and inspirations that this diverse group shared is at the heart of this book too Inspiration in particular is the thread that ties together individuals with characters and backgrounds as diverse as Jane Goodall and Barack Obama Malcolm X and Judge Clarence Thomas Oprah Winfrey and Malala Yousafzai Rachel Carson and Frans Lanting Often behind many tales of achievement lies much more than a collection of smart tactics There are beliefs and values that guide many a grand strategy too And the strategies are often very different which if you think about it shouldn't come as a surprise If there really were just one recipe for success well everyone would

be using it already No the thing that unifies these disparate approaches is that they all provided for their owners a kind of conceptual grid onto which a wide range of day to day creative scientific or business practices are able to develop and grow For Sergey Brin and Larry Page the founders of Google for example the grid was Charles Darwin s notions of natural mutation and iteration With Henry Ford the man who pioneered the method of the assembly line the grid was an obscure ethereal theory of life as a sequence of reincarnations And for both Oprah Winfrey and Steve Jobs the grid was existentialist ideas about the pursuit of authenticity In all these cases a grand indeed often philosophical theory meshed perfectly with a practical business strategy All of these remarkable people and the books that most inspired them are explored in this book
